**COLLECTIVE BARGAINING AGREEMENT WITH SEIU, LOCAL #925 -
FOOD SERVICES BARGAINING UNIT**

Effective September 1, 2023 through August 31, 2025

ARTICLE 1 - GENERAL STATEMENT OF PHILOSOPHY

Section 1. Purpose of Agreement - This salary schedule and provisions for food service employees in the Shoreline School District expresses the philosophy of the District in developing personnel policies which will attract and hold the best qualified personnel for all positions in the District.

Section 2. Performance Reviews - It is the policy of the Shoreline Board of Directors to adopt a procedure for annual performance review of each employee.

Section 3. Non-Discrimination - It is agreed between the District and the Union, that non-discrimination pursuant to federal, state, and local laws will be maintained for all employees under this Agreement.

ARTICLE 2 - SALARY SCHEDULES

Section 1. Wage Adjustments – The District will adjust wages by the statewide percentage increase identified in the appropriations act for the Implicit Price Deflator (IPD), or its equivalent, for the classified employee salary variable of the Basic Education Act staff funding formula in the month such increase is effective.

The District and the Union agree to conduct an annual compensation market study before April 1 of each year, to determine whether a percentage increase shall be applied to the wage rates then in effect to bring Shoreline’s rates to midpoint for the following school year. For the purpose of this calculation, “midpoint” is determined by ranking the maximum compensation hourly rate for the Secondary Kitchen Lead position for each district included in the study. The district at the 6th position of the list shall determine the wage rate for Shoreline, provided such rate represents an increase and not a decrease to current rates. The District and the Union shall determine the distribution of the total cost of such additional compensation to each regular position in the contract. A separate midpoint study shall be conducted to determine the midpoint increase, if any, for substitute positions. The District and the Union agree to use wage data from the following 12 school districts in King and Snohomish Counties: Bellevue, Edmonds, Everett, Highline, Issaquah, Lake Stevens, Marysville, Mercer Island, Mukilteo, Northshore, Renton, and Seattle.

The Union and the District agree that the suspension of a midpoint adjustment in 2023-24 and the suspension of an IPD adjustment in 2024-25 is a temporary measure meant to consider the District’s current financial situation.

For the 2023-24 school year, the District shall increase wage rates by IPD (3.7%), with no midpoint adjustment. For the 2024-25 school year, the District shall increase wage rates by 3% or midpoint adjustment, whichever is greater, with no IPD.

Section 2. Wage Rates. All employees are paid on an hourly basis, as shown on Attachment A.

Section 3. Incentive Pay The District and the Union agree professional development is an important benefit for food service staff and valuable to the District. To provide an incentive for participation in the School Nutrition Association (SNA) professional development certification program, each permanent food service employee shall receive the following stipend and the District shall pay the annual membership fee for achieving and maintaining a current and valid certificate as shown below:

SNA Certificate Level	Annual Stipend	Annual Membership Fee
1	\$175	Current fee
2	\$300	Current fee
3	\$400	Current fee
4	\$500	Current fee

The annual stipend shall be paid at the highest level of certification, paid in monthly installments, and pro-rated for the remaining months of the year if the employee achieves certification mid-year.

Section 4. Clothing-Shoe Stipend Each permanent food service employee shall receive an annual clothing stipend in the amount of \$500, payable on the September paycheck. In the event an employee is hired after the first day of school, the annual clothing stipend shall be paid on the employee's first paycheck and pro-rated based on the remaining months of the year.

Section 5. Pay Day All employees shall be paid on the last business day of the month. Pay will be based on annual assigned work calendars, hours per day, and pay per hour.
