

Summer 2024 Secondary Science Textbook/Instructional Program Adoptions

The following funded and approved SC Department of Education textbooks have been selected by the Science Department at STHS and are being recommended for Board Approval, per [Board Policy IJJ](#). The following information is provided for further review by board members, as well as any interested parent, community member, or student until second reading by the board in July. *Hard copy samples are also available at Strom Thurmond High School and can be requested for review.*
