

# SCHOOL UNIFORMS 2024-25

ICS Milan adopts the school uniform in order to promote a sense of community and pride in belonging to the school. **The school uniform is compulsory for students from Preschool upwards. For Nursery children the school uniform is not required.**

Among the many benefits of adopting the school uniform we would like to mention that:

1. It is practical, easy to put on each school day, comfortable to wear during the various activities at school
2. It avoids negative comparisons between students and provides a neutral environment in which students can express their own potential
3. It teaches for appropriate behaviours in terms of adopting a style which suits to the context of the school

## PARENTS' ROLE

ICS asks all parents to support the wearing of the school uniform without exception. At ICS we believe that parents, by choosing ICS as an educational setting for their children, are responsible for ensuring that students wear the uniform every day, and are provided with the required equipment on the basis of the various needs.

## STAFF'S ROLE

School staff members promote the educational function of the uniform in the school environment by supporting parents in ensuring that the uniform requirement is respected. School staff members will issue sanctions for any students who do not follow the uniforms rules.

## A few rules to keep in mind

1. The compulsory daily outfit consists of a t-shirt, trousers/skirt and sweatshirt.  
The combination of different items is free, as long as the daily outfit includes a T-shirt and trousers/skirt and, where necessary depending on the season, a school sweatshirt.  
If necessary, for fitting reasons suited to the student's body shape, navy blue trousers are permitted as an alternative to the school uniform trousers. **Jeans are not allowed.**
2. **From Year 1 upwards** - The outfit for sport includes t-shirts, pants/leggings or shorts and sneakers. The combination of different items is free.
3. **From Year 1 upwards** - House T-Shirt to be worn on days when 'House activities' are scheduled.  
For new students, they will be assigned to the 'house' during September; from then on it will be possible to order the t-shirt corresponding to the 'house'.
4. Dark or white shoes/trainers and socks are required **(no bright colours)**.

## Where to buy and collect

The school uniform can be purchased through the school e-commerce website: <https://shop.icsmilan.com/>.

The school uniform can be collected in school, upon notification from the relevant office.
