## Safe Return Plan Updated

**Safe Return Plan text and assurances must be agreed to every six months.**

Date Plan Updated 

Describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services. ([count] of 1000 maximum characters used)

ESSER II funds will provide programming for full-time students to address learning loss, and provide nursing services, and tutoring. Perkins funding will provide tutoring services. District funds will provide PD to staff to continue to address post-COVID concerns as well as the social/emotional well-being of our staff and students. MCTS will continue to provide communication to stakeholders through newsletters, social media, YouTube videos, and the PowerSchool alert system, a program that allows for individual and group notifications. Grades will continue to be entered into the PowerSchool parent portal on a daily and weekly basis. Dual Enrollment courses at Mercer County Community College will follow and adhere to the grading breakdown of the institution and instructor. Remote Instruction for medically fragile students with medical documentation will be provided.

Describe how the LEA sought public comment on its plan, and how it took those public comment into account in the development of its plan. ([count] of 1000 maximum characters used)

Notice of update will be provided at the June 2024 board meeting with a reminder that comments can be made to the noted email address ([publiccomments@mcts.edu](mailto:publiccomments@mcts.edu)).

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or, if not practicable to provide written translations to a parent with

limited English proficiency, will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA, will be provided in an alternative format accessible to that parent. ([count] of 1000 maximum characters used)

The plan is presented in plain language on our district website. The document is also available in Spanish on our website. If a parent requires an alternate written or other translation, one will be provided to the greatest extent practicable.

Briefly describe any guidance, professional learning, and technical assistance opportunities the LEA will make available to its schools. ([count] of 1000 maximum characters used)

MCT will utilize consultants through Perkins funding to provide consultative services to teachers regarding curriculum modifications. Sheltered instruction PD will be provided to address the needs of the ML population.

Provide current link to the district's website where the plan is posted.
