902 FACILITY USE POLICY

It is the policy of Chisago Lakes Schools to make available the use of school facilities primarily by citizens of the district. The implementation of this policy requires both individual and community cooperation. School facilities rules and regulations under this policy shall apply to all property owned and managed by the school district and shall be in effect at all times when the school property is not in use for regular educational programs.

Reservation/Rental Rules and Procedures

It is the philosophy of the Chisago Lakes Area Public Schools to foster and encourage educational and leisure time activities and programs for the students and residents of Independent School District #2144.

Because of this philosophy, we encourage school and public use of our Specialty areas (Performing Arts Center, hereinafter referred to as the PAC and Chisago Lakes Stadium) both located at the High School. Mutual consideration and cooperation to enforce rules, regulations and scheduling guidelines are necessary to provide for equitable administration of policy. Through efficient coordination and management of the PAC and the stadium, we can ensure that the facility and equipment are used carefully and efficiently.

Reservations

Reservations must be made by all school and community groups. First contact for reservation of the PAC and Stadium for use between 7:30 a.m. — 2:30 p.m. school days must be made through the Activities Director (651-213-2526). First contact for reservation of the PAC and Stadium for any other time is made by calling or visiting the Community Education Facility Use Office, at (651-213-2603). Confirmation of the reservation will be made after all calendars have been checked.

Included in the reservation process is completing the Facility Use Form, Equipment and Staff Reservation Request Form.

The School District reserves the right to cancel any reservation should the need arise, without liability. Cancellation would result if an emergency condition were declared. Examples include compliance of state energy conservation regulations, closure of the school by the School Board, or an immediate need for a public hearing of governmental or community concern. If cancelled, deposits will be returned.
