Art Class

Art Class

In Art class they are making clay dragon eyes and are learning how to scratch and slip and are assembling them this week.

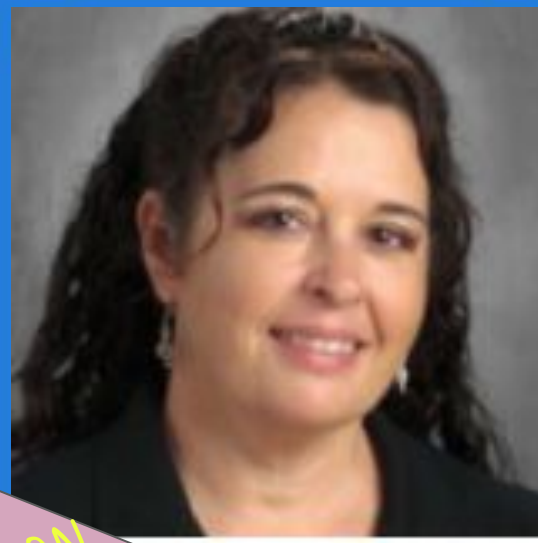

In art they are doing they are drawing a picture of items thru a lens pointed at a tower that Mrs.Burnham made for them to look at and draw

2023-2024 Band

Band is where kids get to learn how to play the instruments that they choose. This year we got a new band class (intermediate band).

MRS. CUNNINGTON
(THE CHOIR
TEACHER/DIRECTOR.)

Here in the middle school choir we try our best to make it feel like a family, and in a family it has to be and feel safe! But that doesn't mean no fun, are you kidding me? No, we still have fun learning the music and have fun with each other! The Central Middle School is AMAZING, in all the work that they do, and it is all thanks to Mrs. Cunningham! The all FIVE star choir leader, she has helped each one of her students learn to grow in the path for music. And I bet you that almost every one of her students would say that she is THE BEST choir teacher anyone would ever want. So the next time you see Mrs. Cunningham, tell her "well done" and "good job".

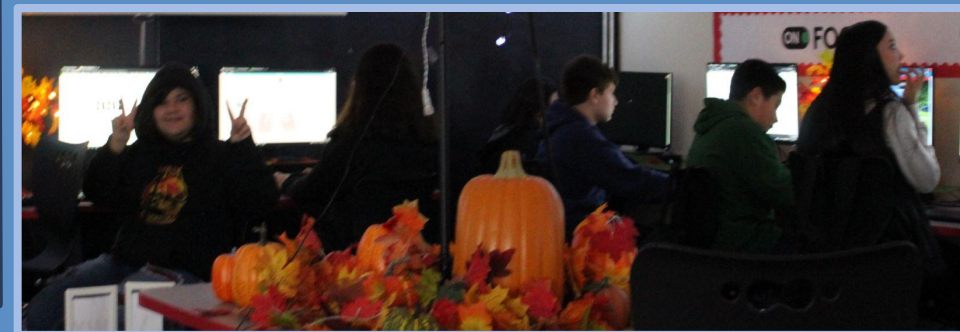

This year, Our 7th and 8th grade computers teacher was Annalin Geyer. She has taught us many things about computers and is a very nice teacher!

In the end, we are all happy to have Ms. Geyer as our computer teacher for 7th and 8th grade!

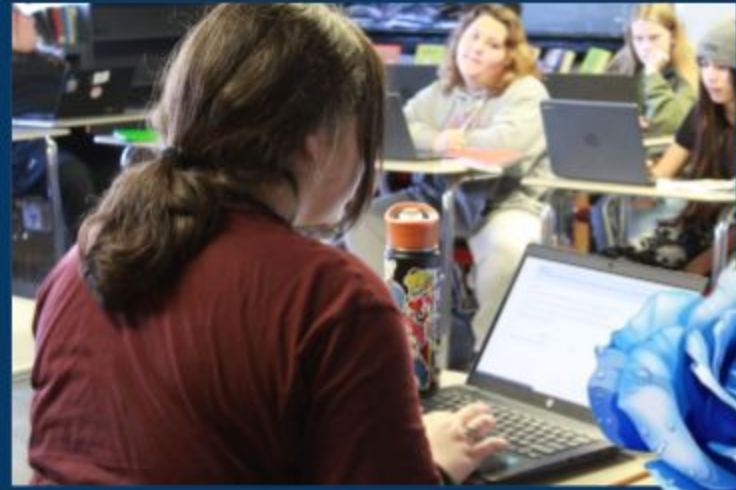

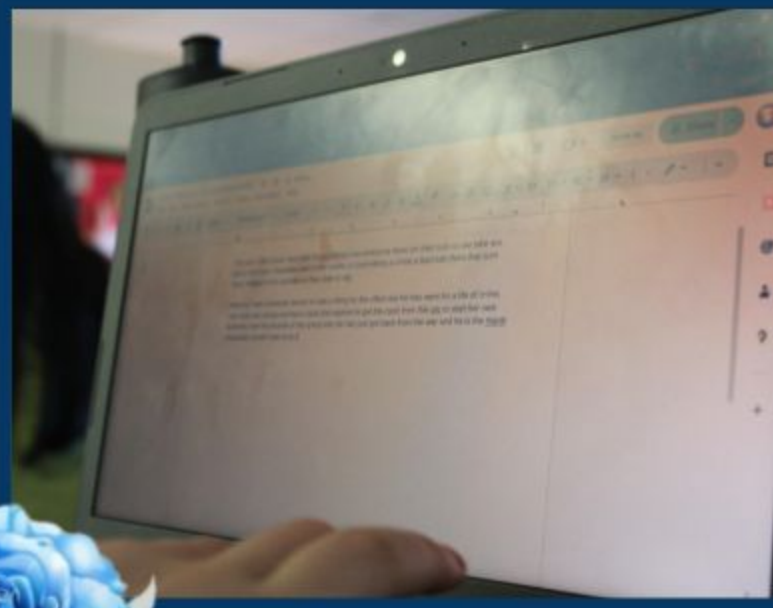

Computers of 2024!

This year, in computer class, we learned about things like coding with the program "Python" and interactive activities with Google Slides. Along with that, we learned about email etiquette and overall, we learned a lot more about computers than we used to know!

CMS

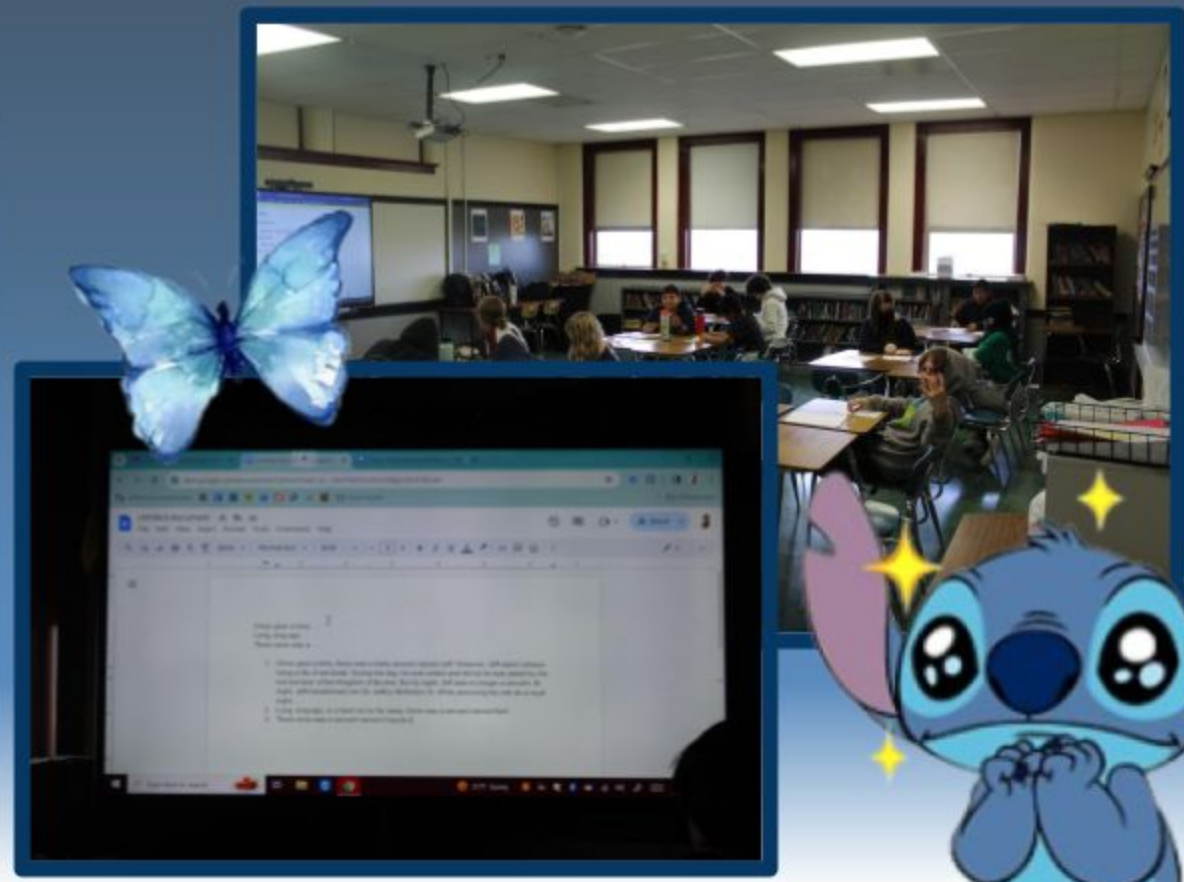

English

ENGLISH CLASS IS
TAUGHT BY MRS.
RUZICKA, MRS.
BANNERMAN, AND MR.
HERNANDEZ, WHERE
WE LEARN TO IMPROVE
OUR KNOWLEDGE WITH
READING AND WORDS.

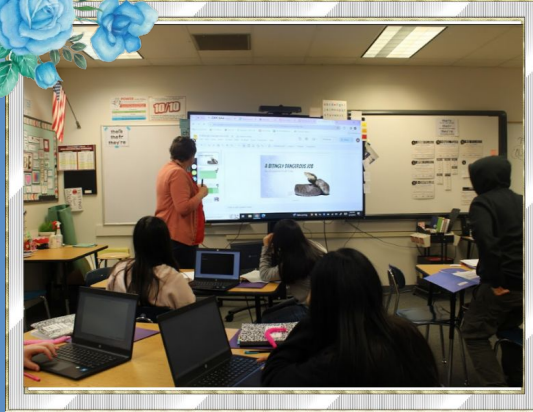

WE'VE ALSO HAD WRITING
ASSIGNMENTS AND
PROMPTS THAT WERE
GRADED BY WRITING
SKILL, LIKE A NARRATIVE
WRITING AND A FAIRY
TALE REWRITE.

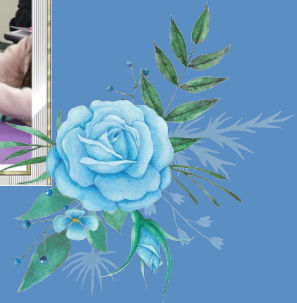

Reading

Reading is a fun class 6th and 7th graders have fun in this class. have you met Mrs. moor she is so nice.

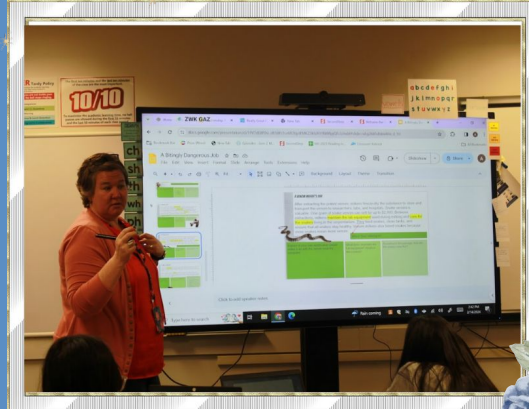

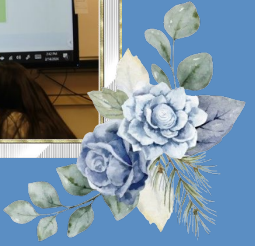

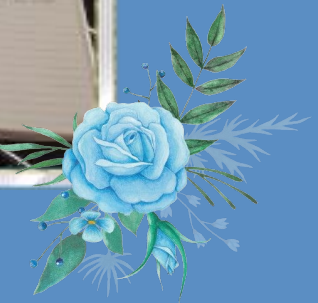

In reading you get to learn about animals and fun birds. here you see Mrs., moor and some 6th graders.

Here you can see what the 7th/6th graders do in reading wow1 so fun.

Time to get scared where learning about snakes today in reading.

8th grade

In 8th Grade science, They learned how to find which liquids are more dense.

Science

7th grade

In 7th Grade science, They did many projects including making model volcanoes.

6th grade

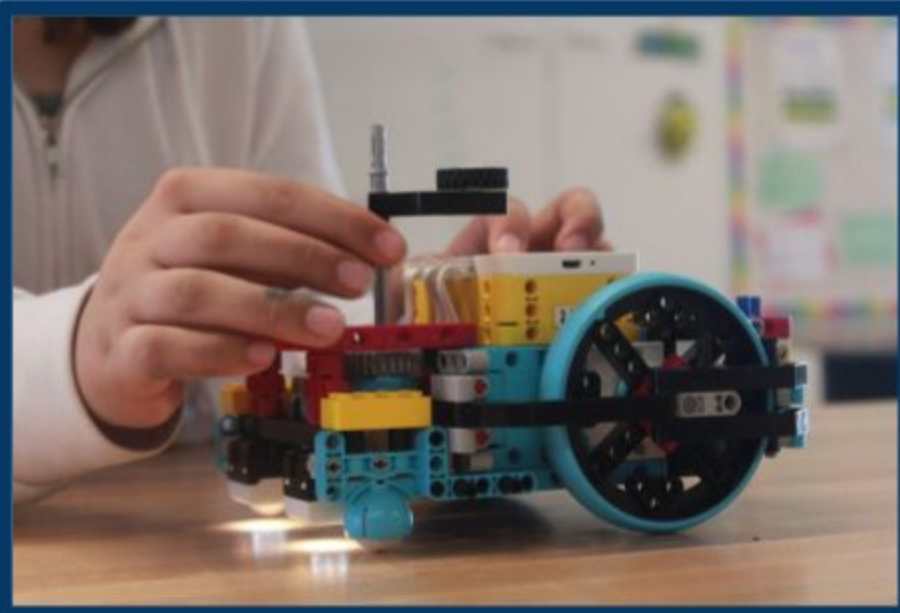

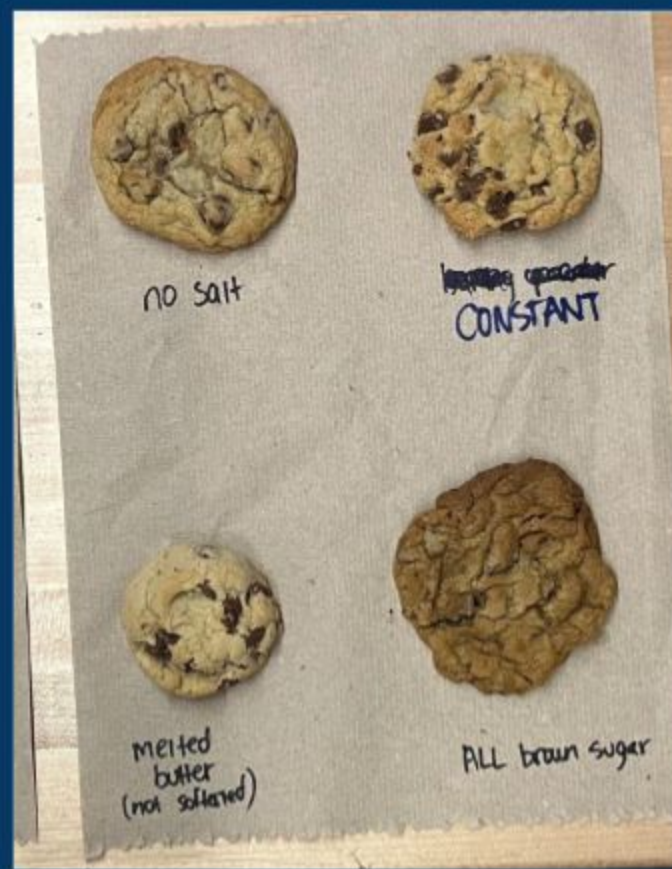

In 6th Grade science, They made butter from scratch and many more fun labs.

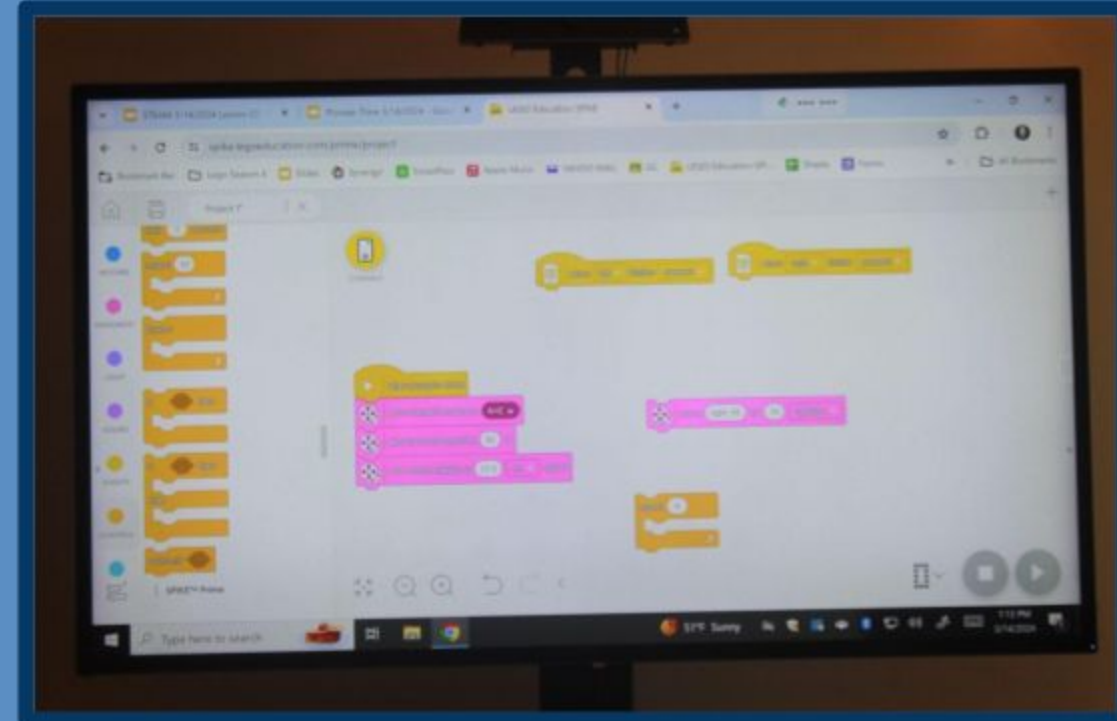

STEAM/STEM

STEAM (OR STEM) IS AN ELECTIVE BASED OFF CREATIVE ENGINEERING AND IMPROVES OUR THINKING SKILLS

SURROUNDING LEGO ROBOTICS, STOP MOTION, DRONE FLIGHT, AND MORE. THE CLASS HAS BEEN TAUGHT BY MRS. CHESTER.

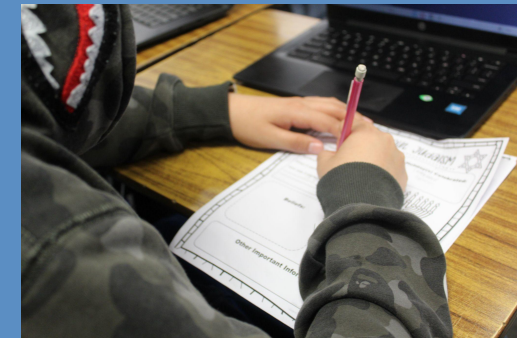

WE'VE DONE LOTS OF COMPETITIONS AND ACTIVITIES, LIKE WITH LEGO ROBOTICS OR A CATAPULT.

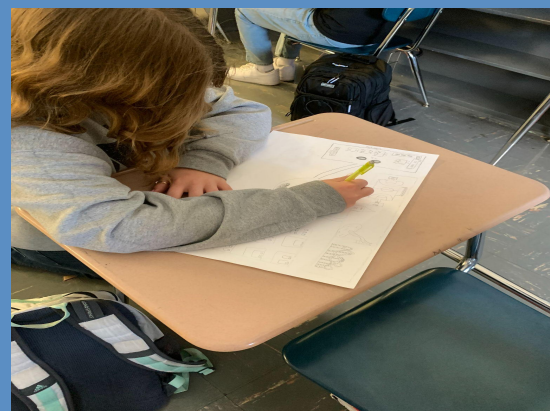

Example: of these groups 3D colonies.

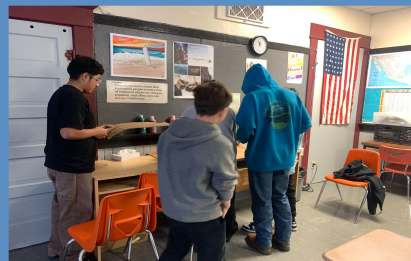

Social Studies 8

In social studies one of our main projects was about a Mars colony project. Where we make our own colony and we are trying to see if people would want to move to our colony on Mars. The first thing was to make slides on what our colony on Mars would be like. Then we would start making it; you could make your colony by drawing it, or you could make your colony 3D style with cardboard boxes.

Example: Someone drawing their colony

People working on their colonies

Social studies 7th

In 7th grade social studies they do fun games and learn great things. Mr. Jefferies is their social studies teacher and he is pretty cool. He's always been a cool guy in my perspective and if you got to know him he'll teach you some pretty great things about social studies.

Social Studies 6th

In 6th grade social studies Mr. Goodyear always has something fun planned. There is never a time where you don't have something productive to do in his class because he always has something for you to do.

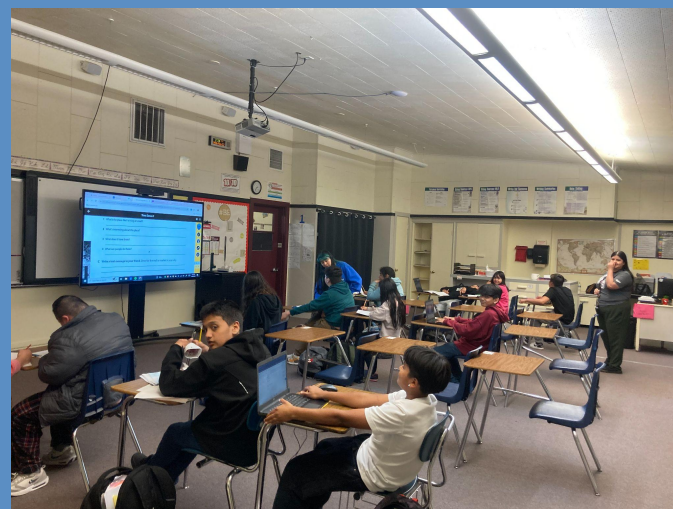

*Karina Diaz
Is the new
ELD teacher!!!*

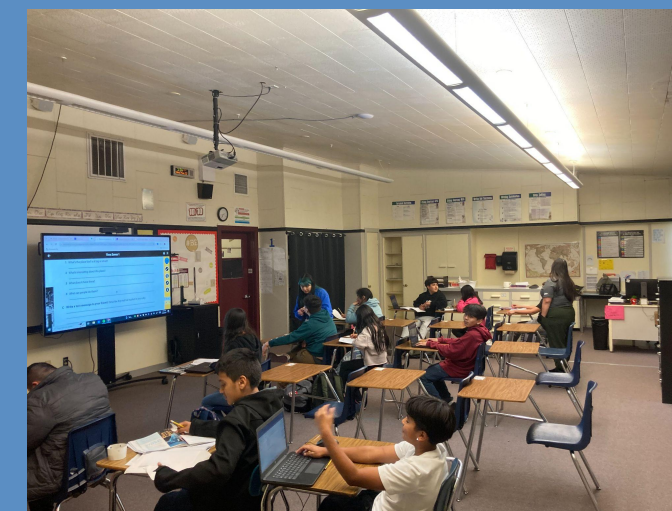

ELD

*Mrs Diaz is a really nice
and fun teacher. She's
really helpful, she's a
bilingual teacher she can
speak both English and and
Spanish*

*ELD stands for
English
Language
Development
In ELD they do
storyboards,
research projects,
reading*

Mrs. Nelson

In Mrs. Nelson's class they are working hard on their art skills. They are making all kinds of things.

Mrs. Diaz

In Mrs. Diaz's class they are working hard on Hero's Journey Case Study.

Week 1

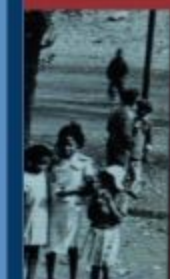

AT THE END OF THE 1920's UNIT, OUR CLASS HOSTED A ROARING TWENTIES' THEMED PARTY!

OUR CLASS BEGAN TO LEARN ABOUT THE WAYS OF LIVING, AND DID ACTIVITIES TO BETTER UNDERSTAND WHAT IT WAS LIKE BACK THEN.

ENRICHMENT - GEYER

ERAS CLASS IS A ONE SEMESTER CLASS WHERE WE LEARN ABOUT THE EARLY 1920's, 1930's, '40s, AND '50s.

School

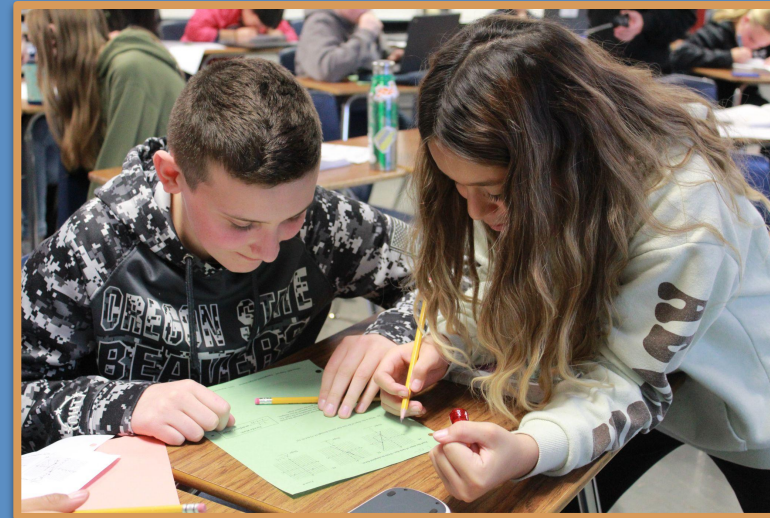

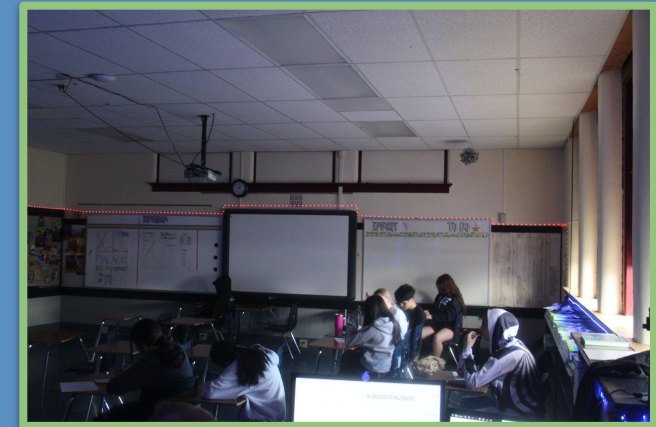

1930s: School was considered a luxury, underfunded, and an estimated 20% of children were not in school. There were no buses or cars so children had to walk to school. Schools were segregated. Roosevelt had many accounts. During the Depression, many schools closed. Fun fact: In 1937, Chicago schools used the first time technology was used for a school. Today: Children today are required to have many options—from home and online education. Minnesota generally have access to the internet since 1964.

Communication

1930s: The radio, newspaper, telephone. In 1934, the first handset telephone was the round base rotary dial model. Today: Between the internet, email, and many other methods of communication and technology.

Math classes

In P.E / Physical education we have fun games and some students have it 1st period so they can get done with it already instead of having it 3rd or 4th like me.

In my opinion, PE is one of the most easiest classes, all you really have to do is keep moving. And if you don't like it, well that sucks your stuck with it for the rest of middle school and 2 years of highschool.

Physical Education

During the winter, we had a class called Health. In Health we learned about nutrients, our bones, the food pyramid, and D.A.R.E. This was a new class that we had this year.

PE is a fun way to stay fit, some periods may feel like free periods to just have fun and play games with your friends. PE helps us stay healthy in fun ways we all enjoy.

Yearbook 23-24 Staff

Yearbook 23-24 Staff

Yearbook is all about being mature while learning how to design and make the yearbook because our work is serious but fun.

The yearbook staff of 23-24 are hard working students and we are all thankful for Ms Geyer's teaching.

The Yearbook staff chooses the games that we do for the assemblies plus we make the hallway slides and we also decorate around the school.

The Yearbook Staff of 23-24 would like to thank all of the staff and our fellow students for an amazing school year.

Mr. Rico is Amazing and fun helper at central. He'll help you with getting your grades up in homework club.

Class Helpers

Mrs. Perez is a fun and cheerful person. She is always willing to help you and listen.

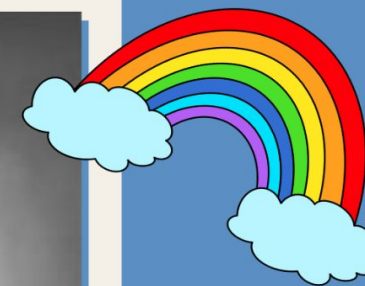

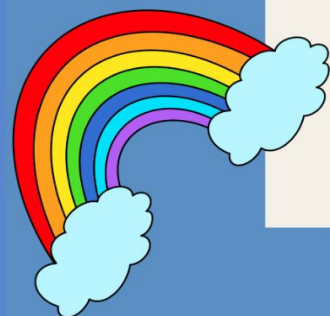

Angel Palacios

Angel is super funny and great to hangout with. While helping out at central he also coaches the wrestling team.

	<h1>New Staff</h1>	
--	--------------------	--

Jessika Bannerman

Jessika Bannerman is the new 7th Grade English Teacher and Mrs. Bannerman is also the Battle Of the Books Leader

New staff this year!

New 7th grade
science teacher

Mrs. Walter

More about Mrs. Walter!

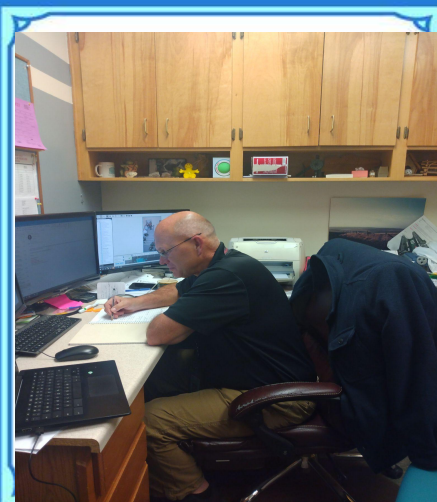

**Mrs. Walter used to be a
science teacher at
Dayton highschool, she
decided she liked
teaching middle school
better so she started
teaching here at central!**

If you ever need help with anything, Mr. Warne is here to help!

If you're feeling down, or need help, he's always there when you need him.

Counselling

If Mr. Warne is not in his room, then you can go in Mr. Rico's room if you need too.

If you ever need any other help when Mr. Warne isn't here, you can ask Mr. Rico too.

Mr. Hernandez

*A new teacher just entered this school!
Mr. Hernandez is the new english teacher
for the 8th grade!*

He hopes for more years teaching here!

*He's been teaching this
school for about half a year
now, and he's been doing
pretty good!*

Mr. Miller Returns

Teaching background

He teach before now wow bonkers right. He is teaching here now too crazy indeed. He took break from teaching children. He teach 8th grade now. He very good teach i like his class very good.

More about Mr. Miller

Im clearly his favorite student yesyesyesyes mhm. He has wife very cool omg omg crazy he is married. He has child yesyes a child that goes to this very school. He is like 50 years old very old much old man. Izzy is his second favorite.

New Office Staff

GINA NEIGHBOURS!!

This is Gina Neighbors, she is one of our new office staff. A little bit about Gina is that in her free time she loves to read, watch movies, refurnish furniture and just like Erika, sleep. We asked her what her favorite part of working at central is and she said she enjoyed seeing all the kids. we also asked her what her favorite ice cream flavor is and she told us its pistachio frozen yogurt.

zzz

New Office Staff

ERICKA SHERIDAN!!

This is Erika Sheridan, She is one of our new office staff.

zzz

A little bit of Erika is that she likes to hunt, fish, read, and sleep in her free time. We asked her what her favorite part about working at Central and she told us that she enjoys seeing all the different boys and girls. We also asked an additional question and that is what her favorite ice cream is an she told us mint chocolate chip.

Megan Fones 🐙

Isabella Lara 🐙

Becky Mcpherson 🐙

Rebecca Mackie 🐙

Idaly Ferral 🐙

These Para's either help teachers or students or both throughout the day also they come outside for both second and first lunch and supervise the kids outside.

Shaylee Roberts 🐙

Also they help with going on events like for example track meets a couple of Para Pros have come to supervise the kids there and they really just help where its needed

Track of 2024!

Along with that, our track coaches this year were Ms. Carrillo, Ms. Geyer, and Mrs. Ashley. They have taught our track students how to do their basic jogging, javelin throwing, and high jump.

This year, 84 kids joined track and The boys team had a great season coming in 1st place for most of their meets.

They've taught us how to do everything the right way so we don't strain ourselves, and so we can make it far in the track. They also showed us some great warm-ups to be prepared for a Great season!

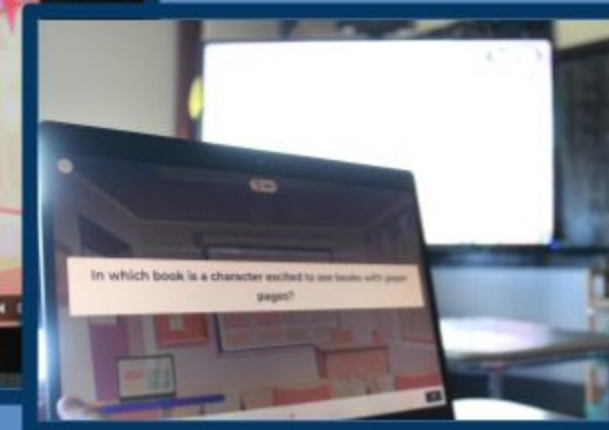

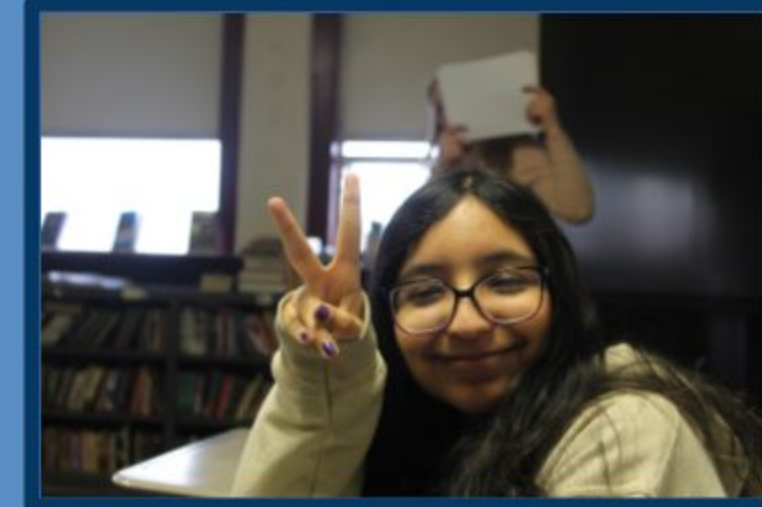

BATTLE OF THE BOOKS IS AN AFTERSCHOOL CLUB THAT STUDENTS CAN ATTEND TO READ BOOKS FROM A ROSTER, AND ALTHOUGH LAST YEAR CRYSTAL WORTMAN HAD HOSTED THE CLUB, THIS YEAR, MRS. BANNERMAN HOSTED BATTLE OF THE BOOKS.

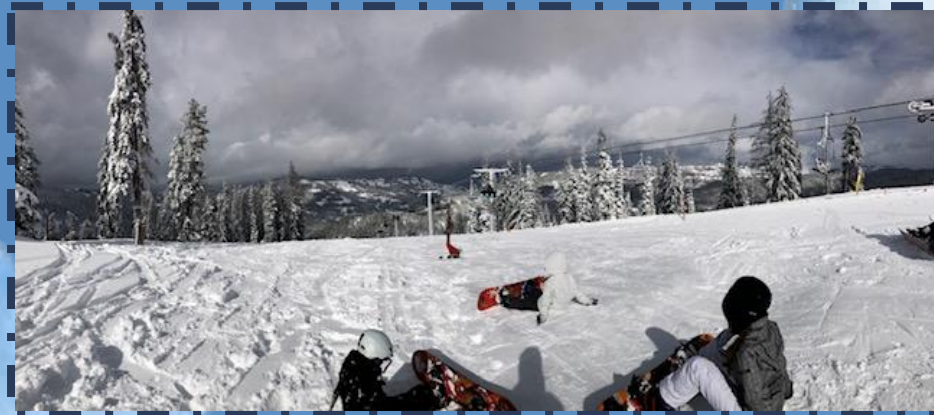

BATTLE OF THE BOOKS

BATTLE OF THE BOOKS, OR "BoB", AS THE STUDENTS HAVE NICKNAMED IT, IS NOT ONLY AN AFTERNOON CLUB, BUT ALSO THE START OF A LOCAL COMPETITION WITH NEIGHBORING SCHOOLS. THE STUDENTS PRACTICED FOR THE COMPETITION'S REGIONALS. LAST DECEMBER, MRS. BANNERMAN HAS HOSTED A CHRISTMAS PARTY FOR EVERYONE ATTENDING.

Ski Club

"This year's Snow Pioneer trips were a massive success! We had four great trips with plenty of sun, snow and smiles! All of our students that participated made huge improvements in their skiing/snowboarding skills and, above all, had a wonderful time with their friends. I look forward to next year's Snow Pioneers trips and more good times on the mountain!" -Cody King

Trap

A fun Club for all you get to shoot clay pigeons and even compete. This year our trap team went to Hermiston to compete. They practice on Sundays and have fun the whole time.

2024 Talent Show

*A great way to show off your talent
and have lots of fun. From singing
and dancing to comedy and poetry.
It's a fun experience for everyone.*

School Spirit

23-24 Pep Assemblies

The 23-24 pep assemblies were really fun especially the games so im gonna tell you about them .first everyone who signs up for the games would get to play a fun game that our yearbook staff makes or chooses

Playing the games is all about being mature and having good sportsmanship whilst playing the game you chose to be on

23-24 Pep Assemblies

If you or your team win a game all of you and. or just you would get a treat.

All of the games you will play are chosen by the yearbook staff and. or made up by the yearbook staff.

Fall

In the fall we have our fall sports like volleyball, football, and cross country.

Winter

Here is a picture of when we had pajama day! This picture is in the winter spot because it was so cold that day we could call it winter already.

Spring

In the spring is when we have our track season. Track is a super fun sport to keep you conditioned.

They are Stephanie Gomez, Charmanie Alamilla, and Ellie Crewse. they are matching with jeans and a black sweater/ jacket

BREAKING NEWS

Attendance rates go up by 4% New curriculums

From last year our attendance rates have gone up by 4%. To you, you may not care about that but it should be something you should care about. That means you hung out with your friends more and people tried to learn something and focus more on their education.

This year we have a new curriculum in math, instead of I-Ready we have EdGems. We are also proud to announce that we are going to have a new curriculum in science next year!

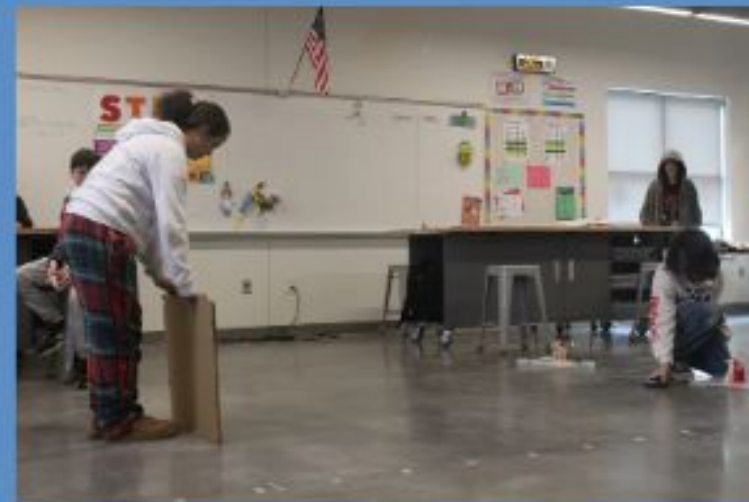

The new extra curricular building

If you are a 7th or 8th grader and had art or STEAM then you remember the classes were in the 6th grade hall, but now we have a new building and a new extra curricular for the 8th graders and that is Agriculture taught by Katie Adams. This building has brought us many opportunities and has brought us closer together as a school.

23-24 New Building

The new building has been here since the beginning of this year.

It holds STEAM class, that includes science, tech, engineering, art, and mathematics.

We do share this building with some of the high schoolers.

Our teachers in this building are Mrs. Chester, and Mrs. Burnham for middle school.

All of the STEAM classes are electives, which means you do NOT need to take them.

It is a very modern building and is close to McLoughlin High School.

A lot of the kids and students have enjoyed these classes.

Spirit week!!!

Spirit week/days are all about having fun! Some are about dressing up, some are to celebrate holidays.

We celebrate spirit week with holidays, events, or whenever!

Every spirit week is something to look forward too!

It's fun and exciting to dress up and see who's celebrating. Some even go all out!

23-24 Reward Days

Kids who get to have reward days worked hard to be here. There are many types of reward days some are for attendance and grades.

Here we have pictures of the western dance and the neon hearts dance.

Dances. etc

Alice and here little buddies and the helpers for the halloween dance.

Here you can see Lane, caleb, and conner my favorite color blue.

8th graders tips for the future

Tip by: Josaiah Baker

"Make sure to be the best student you can possibly be and to be kind to others."

"School isn't hard you just need to follow directions."

Tip by: Ahritzela Villagomez

"Don't try to act 'cool' be yourself for real."

Tip by: The 8th grade class president Braulye Castillo

"Don't let people put you down"
