# **Community Meeting #2**

Pleasanton USD Transitional Kindergarten Classroom Buildings WALNUT GROVE ELEMENTARY SCHOOL June 11, 2024

### Introduction

### Pleasanton Unified School District

- John Chwastyk, Executive Director of Facilities and Construction
- Aaron Kael, Assistant Director of Facilities and Construction

### <u>Van Pelt Construction Services (Bond Program Managers)</u>

- Eric Van Pelt, Program Manager
- Jenny Choi, Project Manager

### HED - Architect

• Rob Filary, Principal in Charge

### **Meeting Expectations & Goals**

### • <u>Goals</u>

- Provide the community with information on the New TK Grade Level & new classroom buildings
- Discuss why new TK Classrooms are needed
- Receive comments from the community

### <u>Meeting Goals and Norms</u>

- Please hold all questions until the end of the presentation.
- Tonight's meeting is in person and on Zoom. Please raise your hand if you have comments and we will pass the microphone to you. This will ensure Zoom attendees are able to hear.
- Staff will stay as late as needed to ensure that all attendees have an opportunity to ask questions and share concerns.
- Staff will address any unanswered questions at a later date.

### Background

- District Wide Transitional Kindergarten (TK) Expansion Projects were part of Measure <u>I-1 and Bond Measure I Bonds</u>
  - Fairlands ES and Donlon ES are the first two sites scheduled to be completed in the TK Expansion Project
  - Completed over 15 Meetings with Site Committee and Administration
  - Demographic Survey to support enrollment rate

### • What is TK?

• The Universal Transitional Kindergarten (TK) program is a newly implemented State program that provides early childhood education to all 4-year-olds. This will add an additional grade level to all elementary schools.

### <u>Why New TK Buildings</u>

• Larger classrooms with restrooms and specialty playground equipment

### • How Will This Impact the Site

- 1 Current TK classroom with 24 students
- 3 total new classrooms (2 classrooms net add)
- By 2026, anticipated school enrollment with TK will be less than 2022/23 school year
