

Highline Public Schools Board Action Report

DATE: May 9, 2024

FROM: Dr. Ivan Duran, Superintendent

LEAD STAFF: Teshon Christie, Chief of Digital Transformation and Innovation and Sarah Chandler, Director of Research and Assessment

For Introduction: June 17, 2024 For Action: July 10, 2024

I. TITLE HPS Student Proficiency & Growth Assessment System

Select one: New Item Renewed Item Annual Item Revised Item

II. WHY BOARD ACTION IS NECESSARY

Board policy 6225 requires board approval for contracts for more than \$250,000, excluding sales tax and contingencies.

III. BACKGROUND INFORMATION

Earlier this year, district and school-based staff formed a team to review the Request for Proposal (RFP) submissions for a proficiency and growth measurement tool for reading and mathematics. This team was comprised of a variety of HPS individuals to provide diverse perspectives and included school leaders (both elementary and secondary), school psychologists, counselors, district administrators, HEA specialists, and members from the Research & Assessment and Language Learning teams. This group partnered in developing scoring criteria for the RFP submissions to ensure that each assessment tool would be evaluated with students' best interest in mind. The previous assessment tool, i-Ready by Curriculum Associates, was selected in Spring 2023 for the strategic plan goal around proficiency and growth. Based on qualitative after-action data from the previous year's RFP, this year's review team placed special emphasis on the growth measurement tools' ability to support our dual language schools and multilingualism in general.

Following the RFP submission deadline on March 21, 2024, the team conducted an extensive review of the two submissions: i-Ready by Curriculum Associates and Star by Renaissance. After careful consideration, the review team selected i-Ready by Curriculum Associates as the recommended tool for the 2024-25 and 2025-26 school years (a two-year contract), with the intent to conduct the next RFP process beginning in the 2024-25 school year for implementation in the 2026-27 school year.

This recommendation is based on the following considerations:

1) Growth data from the alternative vendor submission would require a complete overhaul in the way that we measure growth, which would cause significant changes in strategic plan monitoring and reporting. To successfully accommodate a change in growth assessment, the system requires significant additional professional learning and centralized support. With Star system's method for calculating growth data, sufficient time for planning and implementation is necessary to achieve successful results and that would not be possible with choice.

2) Conducting an RFP process in SY 2024-25 for implementation in SY 2026-27 provides additional time for the RFP process and review period (creating the potential for additional vendors to submit), as well as suitable

planning time for tool implementation (greater than 1 year versus 2-3 summer months) and alignment to school/district goals and progress monitoring efforts.

3) The i-Ready diagnostic for assessment in grades 9-12 will be included at no cost through the 2025-26 school year. This aligns with the recommended contract timeline and allows for aligned implementation. Furthermore, this creates the opportunity for a more successful implementation of growth assessment in grades 9-12 by using an assessment tool already familiar to staff and current students in HPS.

IV. RECOMMENDED MOTION

I move that the Highline School Board approve the contract with Curriculum Associates i-Ready for a two-year contract in the amount of \$880,552.87 (tax exempt).

V. FISCAL IMPACT/REVENUE SOURCE

Fiscal impact to this action will be \$880,552.87 (tax exempt) over two years from the following budget sources:

Year 1: SY 2024-25

Title 1 - budget 5136: \$32,250

Title 1 - budget 5137: \$32,250

LAP - budget 5506: \$225,000

Tech Levy - budget 01T2: \$146,968.50

Total: \$436,468.50

Year 2: SY 2025-26

Title 1 - budget 5136: \$32,250

Title 1 - budget 5137: \$32,250

LAP - budget 5506: \$225,000

Tech Levy - budget 01T2: \$154,584.37

Total: \$444,084.37

The revenue source for this motion is Federal and State Budgets.

Expenditure: One-time Annual

VI. APPLICABLE POLICY(S)

This action is in compliance with the following:

- Policy 6220 Bid or Proposal Requirements
- Policy 6225 Approval of Contracts
- Policy 2000 Student Learning Goals

VII. ALTERNATIVES

If the growth tool recommendation is not approved, we would not be able to measure student growth in math and reading throughout the school year for grades K-12. As mentioned in the March Work Session, growth assessment is an important piece of the student achievement picture along with our other student data measures (proficiency, attendance, behavior, grades, etc.). Without it, our ability to understand the whole student is diminished.

Curriculum Associates®

Information on Professional Learning Sessions and COVID-19

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. While it is our preference to deliver PL sessions in person, circumstances related to COVID-19 may require us to provide sessions virtually instead. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot reach a session site by car, if adequate safety measures cannot be put in place, or if Curriculum Associates determines that it would otherwise put its employees at risk to provide an in-person session.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice. Our PL Operations team will work with school or district personnel to hold sessions in a manner that protects the safety of educators and your school community as well as Curriculum Associates employees.

We are pleased to be able to serve you in these challenging times and look forward to providing productive learning sessions to your staff. Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

Unparalleled Service and Educator Support

The *i-Ready Partners* team was born from our core value: the quality of our services is as important as the quality of our products. Know that when you implement our programs, your local *i-Ready Partners* will be there to support your team every step of the way.

Service Components

Our *i-Ready Partners* team is tasked with helping you implement our programs to meet ambitious district goals. *i-Ready Partners* support includes:

- **An Account Manager You Know on a First-Name Basis:** Dedicated account managers are your point of connection to a powerful network of *i-Ready* experts focused on making your implementation successful.
- **Consultative Professional Development Planning:** Tailored professional development plans ensure that PD is tied to your implementation goals and that educators are equipped to optimize the use of our programs from day one.
- **Real-Time Achievement Data after Every Assessment:** Detailed student achievement analytics to empower data-driven practices in classrooms.
- **Educational Consultants to Help You Know What's Coming Next:** Educational consultants to keep you up to speed on our latest research, development, and best practices.
- **Technical Support and Health Checks:** Proactive support that anticipates and heads off issues before they start—and is there for you should they arise.

Curriculum Associates®

Information on Professional Learning Sessions and COVID-19

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. While it is our preference to deliver PL sessions in person, circumstances related to COVID-19 may require us to provide sessions virtually instead. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot reach a session site by car, if adequate safety measures cannot be put in place, or if Curriculum Associates determines that it would otherwise put its employees at risk to provide an in-person session.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice. Our PL Operations team will work with school or district personnel to hold sessions in a manner that protects the safety of educators and your school community as well as Curriculum Associates employees.

We are pleased to be able to serve you in these challenging times and look forward to providing productive learning sessions to your staff. Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

Unparalleled Service and Educator Support

The *i-Ready Partners* team was born from our core value: the quality of our services is as important as the quality of our products. Know that when you implement our programs, your local *i-Ready Partners* will be there to support your team every step of the way.

Service Components

Our *i-Ready Partners* team is tasked with helping you implement our programs to meet ambitious district goals. *i-Ready Partners* support includes:

- **An Account Manager You Know on a First-Name Basis:** Dedicated account managers are your point of connection to a powerful network of *i-Ready* experts focused on making your implementation successful.
- **Consultative Professional Development Planning:** Tailored professional development plans ensure that PD is tied to your implementation goals and that educators are equipped to optimize the use of our programs from day one.
- **Real-Time Achievement Data after Every Assessment:** Detailed student achievement analytics to empower data-driven practices in classrooms.
- **Educational Consultants to Help You Know What's Coming Next:** Educational consultants to keep you up to speed on our latest research, development, and best practices.
- **Technical Support and Health Checks:** Proactive support that anticipates and heads off issues before they start—and is there for you should they arise.
