Thank you for supporting St. Matthew Catholic School!

Matching Gifts

Additional Information

Requesting a matching gift is typically a short process that the donor must initiate. You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process.

Many organizations use third parties to manage matching gifts, such as Benevity, Cybergrants (FrontDoor), or YourCause.

If your organization requires additional information about our school, please see below.
