Dear First Name,

We are pleased to announce that Mobile Modular, a division of McGrath RentCorp, has recently completed the acquisition of Vesta Modular. As a leading provider of high-quality modular solutions, Mobile Modular is excited to combine our fleets and the modular building expertise of our teams to serve the valued customers of Vesta Modular.

WHAT DOES THIS MEAN FOR YOU?

Customer care and billing. At this time, there are no changes to ordering, fulfillment, contractual terms, or payment processes for Vesta Modular. You can rest assured that we are committed to providing the same high level of service and support you have come to expect. You will still be dealing with the same people and can rely on the same personal working relationships you have had in the past.

More solutions. For over 40 years, our mission has been to become the leading provider of modular building solutions. Our acquisition of Vesta Modular brings us closer to accomplishing this goal by expanding our footprint into additional states, providing you access to a larger fleet of modular buildings and portable storage units wherever your project is located.

For us, it will always be about the customer. We assure you that our pricing, product and support procedures will remain at the same high levels that you have experienced from Vesta Modular, and we intend to incorporate the best of both of our businesses as we move forward. For now, please accept our heartfelt thanks for the opportunity to serve you.

Questions? For more details on the acquisition, contact your local sales rep, or visit our website at mobilemodular.com. If you aren't sure who your sales rep is, please give us a call at 866-897-3553.

Welcome to the family!

Sincerely,

Phil Hawkins
