Dear Ms. McNamara:

I have been proudly serving on the Erie 1 BOCES Board of Education for close to 6 years and I am seeking your support in re-election for a 3rd term. I have devoted my life to public education, and I would consider it an honor to continue to serve with the educators that oversee our 19 component districts.

In addition to serving as a trustee on the Erie 1 BOCES Board of Education, I have been a member of the Cheektowaga Central School District for 16 years and have been President for the last 6.

As an active participant in numerous committees, I have had the opportunity to provide assistance in specific roles. For example, I have served as President of the Erie County Association of School Boards (ECASB). I have also served on the Legislative, Delegate Assembly and the Budget and Finance committees for ECASB and I continue to serve as a Legislative Team Representative.

I have seen firsthand the impact that Career and Technical Education has through the experiences of my own daughter and myself as students of these programs. I will continue to advocate for BOCES and support the work of Instructional Services Programming and the Western New York Regional Information Center.

I respectfully request your nomination to continue as a representative on the Erie 1 BOCES Board of Education.

Sincerely,
