To Whom It May Concern,

Before I begin, I want to explain to all that this is a great experience for the kids. It is something they will enjoy, and talk about for years to come. I do not want to come back from this trip and have it tainted by discussions of amount of playing time, or how unhappy anyone was because of playing time. I am going to let you know today that this is not travel baseball, and we do not pay to play here at the Varsity Level. Yes, everyone will play and be a part of this experience, but playing time will not be equal. This will be the most amount of generous playing time that is given to everyone. Once we get back, League games begin. If you are unhappy with that, please let me know and we can refund you today. Kids are going for the experience, and the team experience. At this level there are many roles, players need to play well to keep roles, and players are always able to take roles.

Accompanying this letter is the itinerary for the Sweet Home Baseball Program trip to Myrtle Beach for Spring Training. One week prior to leaving, we will have a mandatory meeting with all parents and players. This meeting will address the following:

~ Sweet Home Athletics Overnight Trip Rules and Regulations and must be signed by parent and student/athlete.

~Behavior expectations for players, player etiquette (ex. No swearing, no throwing equipment, no talking back to umpires, etc....). Must be signed by parents and players

~Safety procedures while on trip (buddy system), and rules for lights out and in assigned rooms. Must be signed by parents and players.

In the event the trip is cancelled for any reason, all money that is paid by parent/players will be fully refunded.

Sincerely,

Jon J. Campolo
