Hello all,

Thank you again for your support. I am very much looking forward to this experience with our 8th graders and to partner with SHEF.

In terms of the information needed for board approval, the contact at King Arthur Flour said they cannot provide a dollar amount but could summarize what was being sent.

This is:

200 printed recipe books

200 rubber scrapers

72 packets of Red Star Yeast (9 packets retail for \$9.90)

31 bags of King Arthur White Whole Wheat Flour (2 lb bags) (5 lb bag retails for \$5.99)

31 bags of King Arthur All Purpose Flour (2 lb bags) (2 lb bag retails for \$3.48)

Bread bags & twist ties

Please let me know if this information is acceptable.

Thanks again,

Ashlee Lipka

Ashlee -

Thank you so much for considering SHEF in your donation. Currently we have 38 families!

Attached are our delivery dates for the Weekend Backpack Food Program!

I am including Bri VanHarrison in this email since she and I co-facilitate the Program.

On a side note - King Arthur is THE best company. I am not sure if you have dealt with them before, but their products and cookware are top notch. It is the only place I shop online!

Keep me posted on your project and again, your generosity is greatly appreciated.

Lisa

Hello Ashlee. This sounds awesome. Congratulations on being accepted for the program. I would welcome the chance to help in anyway possible. One thing we will have to do is let the Board of Ed know and ask them to accept the donation. Is there any way we can get totals in terms of dollars for Board approval? Let me know.
