RE: Proposed Development of Modified Cheerleading

I would like to propose the creation of Modified Cheerleading for students in 7th & 8th grade. I would like to propose stipends for Cheerleading, Modified at the following: Index I: .055, Index II: .065, Index III: .07. There are currently 28 seventh and eighth graders signed up for spirit squad at the Middle School and an additional 30 sixth grade students registered. This demonstrates the strength in numbers for future seasons.

Thank you for considering this proposal.
