NAME: Janet MacGregor Plarr

DISTRICT: Frontier Central School District

1.) My background and qualifications:

I have served on the Erie 1 BOCES Board of Education for the past twenty-four years and formerly served on the Frontier Central Board of Education for twenty-five years. Throughout my tenure as a Board Member I have been an active participant advocating for public education.

I reside in the Town of Hamburg with my husband Spencer and have been the Village Administrator Clerk Treasurer for the Village of Blasdell for over twenty-eight years.

In addition to my Board of Education and employment responsibilities I proudly serve my community through other volunteer service.

2.) Why I am interested in becoming a member of Erie 1 BOCES Board:

BOCES is such a unique organization that provides districts the opportunity to utilize services to benefit their students, staff and community members. BOCES is a true "Regional" model as proven by its name BOARD OF COOPERATIVE EDUCATIONAL SERVICES.

Through my legislative efforts, I have lobbied for continued aid to public schools and to BOCES and will continued my efforts in the future. I believe I possess the leadership qualities needed to represent BOCES and its' component districts locally and on the State level.

As a member of the Board of Education I have a vision that education will give **all our children** the tools to function as successful, contributing members of society, BOCES allows that opportunity. BOCES ability to offer so many varied programs and services at a lower cost to taxpayers is an exciting challenge that I hope to continue to be a part of.
