

TITLE I PROGRAM OVERVIEW

Creating Opportunities and Shaping Success for All Students

Liberty School District – 29818 S. North Pine Creek Rd., Spangle WA 99031 – (509) 245-3211

What Is Title I?

The Title 1, Part A Program allows LEAs and schools to offer services and interventions that support struggling learners.

What Is The Purpose Of Title I Schools?

Title I funds remedial education programs for students who are at risk of not meeting the states challenging performance standard.

- It provides extra help for struggling students
- Students living in a Title I school are eligible for extra assistance regardless of family income.

How Is Title Funding Determined?

Funding for this program is determined by poverty rate, the free and reduced lunch count. Liberty elementary is a Targeted Assistance School which serves selected students who are most at-risk academically.

What Does Title I Pay For?

Title I funds provide interventions to supplement core instruction. Title I funds do not replace (supplant) core instruction.

- Funding is used for “proven” teaching methods with small group interventions.
- Programs, supplementary materials, computer assisted interventions, parent involvement activities, or staff training.

What Is A Title I School And What Does It Have To Do With “Every Student Succeeds Act”?

A Title I school is a school that has received federal Title I money through a statewide grant allocation process.

- Title I schools began with the Elementary and Secondary Education Act (ESEA) of 1965, part of the War on Poverty.
- Title I has been reauthorized twice: first as the Improving America’s Schools Act of 1994 and then again as the No Child Left Behind Act of 2001 (NCLB).
- The every Student Succeeds Act (ESSA) was signed into law December 10, 2015, and reauthorizes the Elementary and Secondary Education Act of 1965 (ESEA). ESSA builds upon the work states, Local Educational Agencies (LEAs), school districts, charter schools, tribal schools, and schools implemented over the last few years.
- The commitment has always been the same: to provide districts with resources to help students at risk.
- Parents have every right to know the progress of their child, their school, staff qualifications, and their district.
