WEST SENECA, NY

Learn about 3 unique topics all in one night that will provide you with knowledge that you need to make educated decisions in your role as a school board member. Spend an informative 30 minutes with each of the professionals and teams of experts in their field.

- **VSP GRAPHIC GROUP** “Look Bigger, Look Better” :
Many districts have Capital Projects taking place. See how a local company can provide a dynamic look to your buildings and facilities and help to brand your organization.
- **TECHNOLOGY PREPAREDNESS:** - *The West Seneca CSD was one of the districts locally that had to pivot to on line learning. Learn what decisions were crucial to the plan, the planning that took place, challenges that were faced, and how the district’s technology department was successful during COVID. The West Seneca CSD Technology Director will share insights into technology “after COVID”, including modifications they’ve made to their security posture in response to new and emerging cyberthreat concerns.*
- **CAPITAL PROJECTS:** *Learn from Lake Shore Superintendent Daniel Pacos, who has been part of creating and implementing several Capital Projects in several different school districts throughout the Western New York area. Learn how funding is handled and learn what questions you may want ask before tackling a capital project in your district.*

***There is no cost to attend this event.
Speed Boarding is a Free ECASB Event.***
