Dear Sweet Home Board of Education/Business Office:

In memory of the former Heritage Heights Librarian, Karen Holmes, please accept this donation of \$1100 made by her friends. We have made this collection to give the current librarian the opportunity to purchase books for the current and future students of Heritage Heights Elementary School. We hope that this donation will help to further their growth and knowledge as our dear friend did during her tenure as an employee of Sweet Home Schools.

Our friend Karen Holmes was very proud to be a Sweet Home Panther and we believe that this donation in her name is a beautiful tribute to her legacy.

Sincerely,

A handwritten signature in black ink, appearing to read "Rebecca Mansell".
