SUBJECT: DIVERSITY, EQUITY, AND INCLUSION IN THE DISTRICT

Overview

Research shows that all students benefit when schools implement strong diversity, equity, and inclusion (DEI) policies and practices. These benefits include academic, cognitive, civic, social-emotional, and economic. This is true regardless of a school's geographic location or the demographic composition of its students and staff.

This policy provides a framework as to how the District will foster DEI in its schools. This policy considers the entirety of the educational process by addressing the following essential elements: governance; teaching and learning; family and community engagement; workforce diversity; diverse schools and learning opportunities; and student supports, discipline, and wellness. It is just one component of the District's overall commitment to maintaining a diverse, equitable, and inclusive educational and work environment.

The District may develop a DEI plan to manage and coordinate the execution of this policy.

Inquiries about this policy may be directed to the District's DEI Coordinator.

Defining Diversity, Equity, and Inclusion

For purposes of this policy:

a) "Diversity" includes, but is not limited to: race; color; ethnicity; nationality; religion; socioeconomic status; veteran status; education; marital status; language; age; gender; gender expression; gender identity; sexual orientation; mental or physical ability; genetic information; and learning style.

b) "Equity" includes, but is not limited to, seeking the fair treatment, access, opportunity, and advancement for all while striving to identify and eliminate barriers that have prevented the full participation of all groups.

c) "Inclusion" includes, but is not limited to, authentically bringing traditionally excluded individuals and/or groups into processes, activities, and decision/policy making in a way that shares power and ensures equal access to opportunities and resources.

These descriptions are not intended to be exhaustive. Rather, they are meant to be foundational and provide clarity to the concepts of diversity, equity, and inclusion.
