Professional Learning Plan

OUR MISSION: EVERY STUDENT, ONE COMMUNITY,
READY FOR THE FUTURE.

The purpose of the Professional Learning Plan (PLP) is to improve the quality of teaching and learning by ensuring that educators participate in substantial professional development in order to remain current with their profession and meet the learning needs of students. The plan is a “living document” that will be monitored and modified, at least annually, in order to reflect the dynamic needs of students and educators.

The Teaching & Learning Committee developed the [Sweet Home Central School District Strategic Plan](#) for school years 2023-2026. The Strategic Plan which was Board approved in July 2023, was used to align the PLP to the district’s top priorities. The PLP team will continue to ensure that there is alignment between the Strategic Plan and the PLP.
