Charging Infrastructure

- Met with Young and Wright, Campus Construction, and electrical contractor to proactively plan for infrastructure before new concrete and asphalt is installed at the transportation center.
- Plan is to run conduit from Sweet Home Road to where buses will be parked for the eventual installation of charging stations.
- Meeting with National Grid tomorrow to establish partnership.

We Are Sweet Home

2022-2023 Planning and COVID

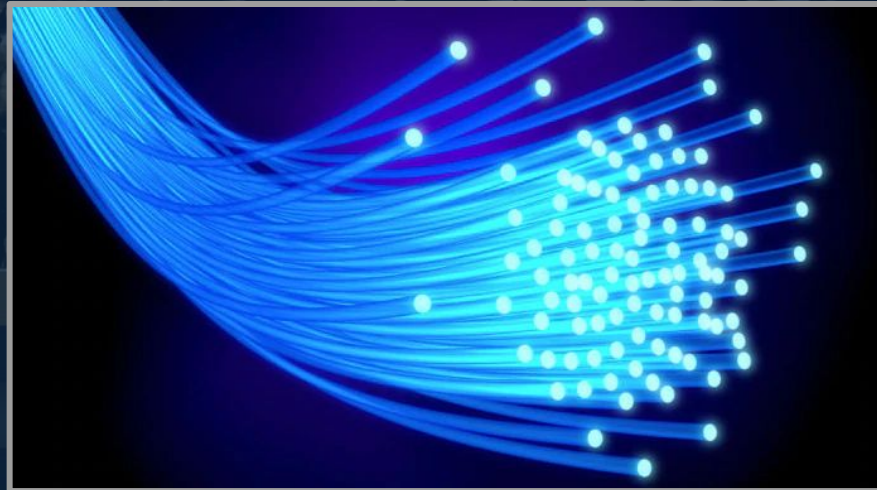

- Clearly moving into the next phase of pandemic.
- Cabinet meeting tomorrow to discuss building needs and what the 2022-2023 school year will look like from a health/safety perspective.
- Plan to work with stakeholder groups, including parents, to address spacing issues and next phases of building use.
- Determine the shift in focus from restrictions to enrollment.

We Are Sweet Home

Fibre Optic Cabling

- Proactively addressing fibre optic cabling before current cabling reaches end of life in the next 3 - 5 years.
- Partnering with BOCES to develop this project. Meet 21st century learning needs.
- Addressing the High School, Heritage Heights and Willow Ridge this summer due to other construction taking place there.
- Funding through the Capital Project, and ERate project.
