The Election Inspectors shall also ensure that the configuration of the voting area provides for voter privacy.
6. Each optical scan voting machine shall remain locked against voting, and the paper ballots cast through the optical scan voting machine shall be secured and retained, for the period of thirty days following the meeting, election or vote at which same has been used and as much longer as may be necessary or advisable because of existing or threatened contest over the result of the meeting, election or vote, except as otherwise provided by the Education Law of the State of New York.

BE IT RESOLVED, by the Board of Education (the "Board") of the Sweet Home Central School District, Erie County, New York (the "District"), as follows:

Section 1. On May 16, 2017, at the District's annual meeting and vote, the qualified voters of the District approved a proposition establishing the District's Capital Improvements Reserve Fund, 2017 (the "Fund") for the purpose of financing, in whole or in part, the acquisition, construction, reconstruction, expansion, renovation, alteration and improvement of buildings, facilities, sites and real property by the District, or the District's share of the cost of any capital improvements project undertaken by a Board of Cooperative Educational Services ("BOCES") of which the District is or may be a component district, including, in all cases, the acquisition of necessary furnishings, equipment, machinery and apparatus.

Section 2. The Board now proposes that the purpose of the Fund be amended to specifically allow for the District's use of monies therein to finance, in whole or in part, the District's acquisition of various vehicles, machinery and pieces of equipment for use in the construction and maintenance programs of the District (with the understanding that this is to be in addition to, and not in replacement of, the Fund's original purpose); and

WHEREAS, the estimated maximum cost of the Project (inclusive of all preliminary and incidental costs) has been determined by YWA to be \$100,000; and

WHEREAS, the Project is to be financed by the application of \$100,000 of funds earmarked for such purpose as a “Transfer to Capital Fund” in the District’s approved (2021-2022) budget, with the work on the Project being expected to be completed during the 2023-2024 fiscal year of the District; and
