J. SEQRA – Capital Outlay Project

WHEREAS, the Sweet Home Central School District, Erie County, New York (the “District”), after consultation by District officials with the District’s retained architectural firm of Young + Wright Architectural (“YWA”), has resolved that the District should undertake a capital outlay project involving modest upgrades and improvements to the District’s High School building, such work being anticipated to include, but not necessarily to be limited to, the removal and disposal of existing deteriorating interior and exterior doors and the installation of new, code-compliant doors with new access hardware (thereby improving accessibility and safety), as well as all associated work (the “Project”); and

WHEREAS, the Board wishes to rescind its previous resolution adopted and dated May 11, 2021 relating to the Project and replace it with this resolution; and

WHEREAS, the estimated maximum cost of the Project (inclusive of all preliminary and incidental costs) has been determined by YWA to be \$100,000; and

WHEREAS, the Project is to be financed by the application of \$100,000 of funds earmarked for such purpose as a “Transfer to Capital Fund” in the District’s approved budget for the 2020-2021 fiscal year, with the work on the Project being expected to be completed (due to bidding and contractor delays) during the 2022-2023 fiscal year of the District; and

WHEREAS, the District wishes to reserve the right to expand, contract or modify the scope of the Project in light of the level of future construction bids received, with the understanding that the estimated maximum cost of the Project will not exceed \$100,000; and

WHEREAS, in accordance with State Education Department guidance and policy, the District/Board of Education is the appropriate agency to be the lead agency to undertake Project review under the State Environmental Quality Review Act (“SEQRA”); and

WHEREAS, Section 617.5 of the SEQRA regulations (6 NYCRR Part 617) provides that certain activities are Type II actions which are not subject to review under SEQRA and that such activities include “maintenance or repair involving no substantial changes in an existing structure or facility” and “replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site...;” and

WHEREAS, the Project constitutes such maintenance, repair, or in-kind, same-site replacement, rehabilitation, or reconstruction activities; and

WHEREAS, under the terms of the 2017 Memorandum of Understanding (a/k/a the “Letter of Resolution” or the “MOU”) between the State Office of Parks, Recreation and Historic Preservation (“OPRHP”) (a/k/a State Historic Preservation Office or “SHPO”) and SED, and the terms of the MOU’s exemption form, a project is exempt from SHPO review if, among other possible reasons, a building is 50 years old or older but has previously been evaluated by SHPO and found not to meet the criteria for inclusion in the State and National Register (“Registers”); and

NEW BUSINESS-continued...**J. SEQRA – Capital Outlay Project**

WHEREAS, SHPO has determined that the High School building is “not eligible” for listing on the Registers because it does not meet the criteria for inclusion in the Registers; and

WHEREAS, because the High School building is “not eligible” for listing on the Registers, YWA has determined that the proposed work is exempt from review by SHPO (given that it has no anticipated impacts on historic and archeological resources under the terms of the MOU), although YWA may nonetheless submit information on the proposed work to SHPO for confirmation;

NOW, THEREFORE, BE IT RESOLVED that it is the final determination of the District’s Board of Education that the Project is a Type II action, which is not subject to review under SEQRA, and that the Project will not result in a significant adverse impact on the environment; and be it further

RESOLVED, that funding for the Project has been included as a “Transfer to Capital Fund” line item (not exceeding \$100,000 in amount) in the District’s approved budget for the 2020-2021 fiscal year (with appropriate additional notification to District voters regarding the anticipated details of the work having been given in connection with the District’s regular budget approval process), so that the Project may be initiated and eventually completed (due to bidding and contractor delays) during the 2022-2023 fiscal year; and be it further

RESOLVED, that this resolution will take effect immediately.

INFORMATIONAL ITEMS

R. Haen: The Winter Dance festival is still being planned, it will be less formal and it’s being planned for before break. The plans for the new garden area missed a filing deadline for a grant. The Student Government and Willow Ridge are working together to help move this forward. The members will want to address the Board soon about it. He has been asked about the Senior lounge area and the plans for it once the construction starts this summer. Don Feldmann gave a quick summary of the plans.

P. Bellanti: Congratulated the students at GL for a successful Can drive of over 2600 cans for SHEF in January. The PTA surprised the students with Pizza snacks 2/7 as a thank you. Glendale is also working on the Spring Chocolate and Flowers fundraisers. There is an ECASB delegate meeting coming up 2/26

S. Johnson: On February 2, he attended a virtual conference and gave updates from the Commissioners which stressed the importance of the DEI committee, broadband maintenance, foundation formula, zero emission bus fleets etc. Attended the Rick Tim’s meeting 2/3 about budget and tax cap rates. Attended a NYSSMA meeting 2/7 with the Governor’s office about masking, Vaccinations and timelines. Focus on schools being open Full time and that the decisions should be made by health officials not educators. There is a Legislative meeting 2/9 addressing this as well. Attended the HS PTSA meeting which was virtual, planning 3 \$1200 scholarships. Fundraising hasn’t been great – overlapped with NHS fundraising. Requesting baskets for the spring craft show raffles. Brick walkway fundraiser is underway. Attended zoom calls with legislators on Feb 9 regarding Foundation Aid and updating the census data used (from 22 years ago). There is an assembly bill (9138) being introduced to help schools offset CVA case costs. Spoke to several state assemblymen, legislators, aids and senators about budget related topics.

INFORMATIONAL ITEMS-continued...

K. McDonald: Also attending the Legislative Committee meeting 2/9, and attended the DEI meeting which was enlightening and beneficial. Spoke briefly about alerts you can receive that track bills being introduced that effect education.

J. Feldmann: Attended MM PTA meeting. Starting to see COVID fatigue in the buildings and fundraisers are low and underwhelming. The Maplemere Experience turnout was low and the Multi-Cultural Night has been postponed. Along with Mrs. Jasen requested the State Audit findings to be forwarded to the BOE after receipt.

B. Laible: Attended the new Service Center soft-opening 1/28 and noted that it was just beautiful and spoke to several workers that were very appreciative. Also attended the Audit Committee and Policy Committee meetings. Thanked Don Feldmann for his work on both the service center project and the Audits. National Honor Society ceremony was also 2/2. Willow Ridge PTO met 2/3 and also noted COVID fatigue with Principal Bob Polino. Distancing is more difficult than masks in some situations. They are doing a 100-Day in-School event and an event for Valentine's Day. Noted the Girls' Basketball article in the paper and congratulated the team on their performances. WR held their virtual dance party.

A. Battaglia: Also commented on the Girls Basketball games, very exciting and congratulated the ladies. Middle School PTSA met 2/7 and they will have some Board positions open next year. The Middle School is looking to add to the student experience with enhancements and activity night outside. Noted the students need something to look forward to and they were also experiencing COVID fatigue.

M. Jasen: Attended the Service Center opening and noted the drivers were happy not having stairs each morning. The National Honor Society ceremony was excellent too. The Sweet Home website does not show easily what musical we are performing, please work to correct this. Along with Mrs. Battaglia, thanked Mr. Johnson for all the time he spends communicating with legislators. HH had their Fun Run, virtual dance. Mrs. Jasen inquired if we are still providing meals to all students.

D. Feldmann: We are continuing to provide meals for all our students.

OPEN SESSION - Policy 1510

James - (no last name or address given - parent of Student): Masks are terrible, so are the mandates. If the school has the power to lift them, they should. Test to stay sounds terrible, viruses come and go and won't linger on to kill our species. Our kids are depressed and need to see smiles, smiles are important. Don't push vaccines that don't work.
