March 2022 Policy - Second Reading Packet

Policy Number	Policy Title	Explanation	Adopted BOCES Update	Revised by SH	Keep Current Policy	Deleted	Date of Vote	Not voted upon
6120	Equal Employment Opportunity	Suggested revision(s): Required policy. Revised language throughout the policy in light of changes to non-discrimination and anti-harassment laws and regulations including, specifically, revisions to the implementing regulations for Title IX of the Education Amendments Act of 1972. In revising the policy, we sought to create consistency between it and other non-discrimination and anti-harassment policies and to emphasize the connection that exists between and among them. As part of these revisions, an "Overview" section was added which indicates that the policy is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment. This section also states that the District is an equal opportunity employer that does not discriminate against any employee or applicant for employment in its programs and activities on the basis of any legally protected class or category. A "Reporting Allegations of Employment Discrimination" section was added so that individuals know how to report complaints without having to reference another policy. Where appropriate, references to other potentially relevant policies and documents were also added. **Policy Committee recommends as is.**						
6121	Sexual Harassment in the Workplace	Suggested revision(s): Required policy. Revised in light of changes to non-discrimination and anti-harassment laws and regulations including, specifically, revisions to the implementing regulations for Title IX of the Education Amendments Act of 1972. In revising the policy, we sought to create consistency between it and other non-discrimination and anti-harassment policies and to emphasize the connection that exists between and among them. As part of these revisions, the language at the beginning of the policy was modified and, where appropriate, references to other potentially relevant policies and documents were added. **Policy Committee recommends as is.**						
6150	Alcohol, Tobacco, Drugs & Other Substances	Suggested revision(s): Revised in light of senate bill S854A which legalized recreational cannabis (marijuana) use for anyone age 21 and older. Public Health Law prohibits smoking and vaping on school grounds. As part of senate bill S854A, the definition of smoking in Public Health Law was revised to include a reference to cannabis. The senate bill also added Section 222.10 to the Penal Law. This new Section prohibits smoking, vaping, or ingesting cannabis or concentrated cannabis in or upon the grounds of a school or in or on a school bus. However, this prohibition does not apply to acts that are in compliance with Article three of the Cannabis Law which relates to medical cannabis use. Other revisions were made for clarity and consistency purposes. **Policy Committee recommends as is.**						
6160	Professional Growth/Staff Development	Suggested revision(s): Revised to more closely align with current practices associated with professional growth and staff development, as well as to conform with the current terminology used in the Commissioner's regulations. Further, content covered in other policies was removed from the policy as duplicative. **Policy Committee recommends as is.**						
6219	Registration & Professional Development	Suggested revision(s): Now titled "Registration and Professional Learning." Revised to reflect a shift in terminology from "professional development" to "professional learning" in the Commissioner's regulations. This shift is consistent with changes to standards adopted by the Professional Standards and Practices Board for Teaching (PSPB). Specifically, the phrase "professional development plan" was changed to "professional learning plan" in 8 NYCRR Section 100.2(dd). According to the Board of Regents, this shift was more than just a change in language. Using the phrase "professional learning" emphasizes the importance of educators taking an active role in their continuous development. Rather than being passive recipients of information, educators should be active partners in determining the content of their learning, how their learning occurs, and how they evaluate its effectiveness. Other revisions were made for clarity and consistency purposes. **Policy Committee recommends as is.**						
6461	Use of Email in the School District	Suggested revision(s): Customization required. Now titled "Use of Email in the District." Revised language throughout the policy to reflect current issues with the use of email in districts. In addition to addressing issues such as sending emails with personal, private, and sensitive information, the revised policy now addresses receiving suspicious emails and accessing District email services on personal devices. **Policy Committee recommends further review of this proposed update.**						
6571	Professional Service Providers	Suggest District delete: Suggest deleting policy as the content of this policy is covered in other policies such as policy 6570, Determination of Employment Status: Employee or Independent Contractor, and policy 5411, Procurement of Goods and Services. **Policy Committee recommends deleting this policy.**						
6580	Remote Working	Note: This policy was previously suggested in the 20-21 Policy Audit. The District did not act on this policy at that time. In the 20-21 Policy Audit, the policy was "Not rec." Per the District's request, this policy is being included in the 21-22 Policy Audit. Suggested revision(s): Customization required. New suggested policy titled "Remote Working." It discusses in what circumstances a district may allow or require employees to work remotely. It also includes a discussion of general expectations for employees that work remotely. **Policy Committee does not recommend adopting this policy.**						

5681	School Safety Plans	Suggested revision(s): Education Law Section 2801-a was revised to require that district-wide school safety plans include protocols for responding to a declared state disaster emergency (rather than a public health emergency) involving a communicable disease that are substantially consistent with the provisions in Labor Law Section 27-c. Detailed language related to these protocols removed as unnecessary. Was sent to Safety Committee for review. **Policy Committee recommends as is.**						
5230	Acceptance of Gifts	Proposed changes authored by District Office to ensure policy and practices align, and to streamline procedures for fundraising and acceptance of gifts. **Policy Committee recommends this District Office update.**						

SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY

The District is an equal opportunity employer that does not discriminate against any employee or applicant for employment in its programs and activities on the basis of race, color, creed, national origin, religion, sex (including gender identity or the status of being transgender), sexual orientation, disability, age, military status, predisposing genetic characteristics, marital status, domestic-violence-victim status, criminal arrest or conviction record, or any other basis prohibited by state or federal non-discrimination laws.

Investigation of Complaints and Grievances

The School District will act to promptly, thoroughly, and equitably investigate all complaints, whether verbal or written, of discrimination, and will promptly take appropriate action to protect individuals from further discrimination. All such complaints will be handled in a manner consistent with the District's policies, procedures, and/or regulations regarding the investigation of discrimination and harassment complaints.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of discrimination. Complaints of retaliation may be directed to the Civil Rights Compliance Officer. In the event the Civil Rights Compliance Officer is the alleged offender, the report will be directed to another Civil Rights Compliance Officer, if the District has designated another individual to serve in such a capacity, or to the Superintendent.

Where appropriate, follow-up inquiries will be made to ensure that discrimination has not resumed and that all those involved in the investigation of the discrimination have not suffered retaliation.

SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY

Overview

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses employment discrimination. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Consistent with this commitment and in accordance with law and regulation, the District is an equal opportunity employer that does not discriminate against any employee or applicant for employment in its programs and activities on the basis of any legally protected class or category including, but not limited to: age; race; creed; religion; color; national origin; sexual orientation; gender identity or expression; military status; sex; disability; predisposing genetic characteristics; familial status; marital status; status as a victim of domestic violence; and criminal arrest or conviction record.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of employment discrimination. The District will promptly respond to reports of employment discrimination, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)).

Reporting Allegations of Employment Discrimination

Any person may report employment discrimination regardless of whether they are the alleged victim or not. Reports of employment discrimination may be made orally or in writing to the District's CRCO or any other District employee including, but not limited to, a supervisor or building principal.

All District employees who witness or receive an oral or written report of employment discrimination must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Additionally, District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District.

Grievance Process for Complaints of Employment Discrimination

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of employment discrimination and will promptly take appropriate action to protect individuals from further discrimination.

Various District policies and documents address employment discrimination. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District. All complaints will be handled in accordance with the applicable District policies and/or documents.

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff to determine which District policies and/or documents are applicable to the specific facts of the complaint.

If an investigation reveals that employment discrimination has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of employment discrimination.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Where appropriate, follow-up inquiries will be made to ensure that the discrimination has not resumed and that those involved in the investigation have not suffered retaliation.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE

The District is committed to maintaining a discrimination-free work environment. Sexual harassment is one form of workplace discrimination. This policy addresses sexual harassment in the workplace and is one component of the District's commitment to a discrimination-free work environment.

Sexual harassment is a form of employee misconduct, a violation of District policy, and unlawful. Employees of every level who engage in sexual harassment, including supervisory personnel who engage in sexual harassment, who knowingly allow such behavior to continue, or fail to report suspected sexual harassment will be subject to remedial and/or disciplinary action by the District. Sexual harassment may also subject the District to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability.

This policy applies to all instances of sexual harassment perpetrated against a "covered person," regardless of immigration status, by anyone in the workplace, including a co-worker, supervisor, or third-party such as a non-employee, paid or unpaid intern, vendor, building security, visitor, volunteer, parent, or student. For purposes of this policy, a "covered person" includes:

a) Employees;

b) Applicants for employment;

c) Paid or unpaid interns; and

d) Non-employees, which include anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace.

Sexual harassment in the workplace can occur between any individuals, regardless of their sex or gender. Unlawful sexual harassment is not limited to the physical workplace itself. Sexual harassment can occur on school grounds, school buses or District vehicles, and at school-sponsored events, programs, or activities, including those that take place at locations off school premises. It can also occur while employees are traveling for District business. Calls, texts, emails, and social media usage can constitute unlawful workplace harassment, even if they occur away from school grounds, on personal devices, or during non-work hours.

What Constitutes Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

Under New York State Human Rights Law, sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment need not be severe or pervasive to be unlawful, and can be any harassing conduct that consists of more than petty slights or trivial inconveniences.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

a) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;

b) Such conduct is made either explicitly or implicitly a term or condition of employment; or

c) Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any covered person who feels harassed should report the conduct so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment

The following describes some actions that may constitute unlawful sexual harassment and that are strictly prohibited:

a) Physical acts of a sexual nature, such as:

1. Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body or poking another person's body; and

2. Rape, sexual battery, molestation or attempts to commit these assaults.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

b) Unwanted sexual advances or propositions, such as:

1. Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments; and

2. Subtle or obvious pressure for unwelcome sexual activities.

c) Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.

d) Sex stereotyping, which occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.

e) Sexual or discriminatory displays or publications anywhere in the workplace, such as pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.

f) Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, and the status of being transgender, such as:

1. Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;

2. Sabotaging an individual's work; and

3. Bullying, yelling, or name-calling.

Prohibition of Retaliatory Behavior (Whistle-Blower Protection)

Unlawful retaliation can be any action that could discourage a covered person from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

The District prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of a complaint of sexual harassment. Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in "protected activity." Protected activity occurs when a person has:

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

a) Made a complaint of sexual harassment, either internally or with any anti-discrimination agency;

b) Testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;

c) Opposed sexual harassment by making a verbal or informal complaint of harassment to a supervisor, building principal, other administrator, or the Civil Rights Compliance Officer (CRCO);

d) Reported that another employee has been sexually harassed; or

e) Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment

Preventing sexual harassment is everyone's responsibility. The District cannot prevent or remedy sexual harassment unless it knows about it. Any covered person who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, building principal, other administrator, or the CRCO. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is posted on the District website, and all covered persons are encouraged to use this complaint form. Persons who are reporting sexual harassment on behalf of another person should use the complaint form and note that it is being submitted on another person's behalf.

Any person who believes they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

All supervisors, building principals, and other administrators who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the CRCO. In the event the CRCO is the alleged harasser, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity, or to the Superintendent.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors, building principals, and other administrators will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors, building principals, and other administrators will also be subject to discipline for engaging in any retaliation.

Investigating Complaints

All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. Disclosure may, however, be necessary to complete a thorough investigation of the charges and/or notify law enforcement officials. All persons involved, including complainants, witnesses, and alleged harassers will be accorded due process, as outlined below, and in accordance with any applicable collective bargaining agreements to protect their rights to a fair and impartial investigation.

The District will not tolerate retaliation against anyone who files complaints, supports another's complaint, or participates in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

a) Upon receipt of a complaint, the CRCO will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate. In the event that the CRCO is the alleged harasser, the complaint will be directed to another CRCO or District designee for investigation.

b) If a complaint is verbal, encourage the individual to complete the complaint form, which is available on the District website, in writing. If he or she refuses, prepare a complaint form based on the verbal reporting.

c) If documents, emails, or phone records are relevant to the investigation, take steps to obtain and preserve them.

d) Request and review all relevant documents, including all electronic communications.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

e) Interview all parties involved, including any relevant witnesses. If a student is involved, the District will follow all applicable District policies and procedures regarding questioning students.

f) Create written documentation of the investigation (such as a letter, memo or email), which contains the following:

1. A list of all documents reviewed, along with a detailed summary of relevant documents;
2. A list of names of those interviewed, along with a detailed summary of their statements;
3. A timeline of events;
4. A summary of prior relevant incidents, reported or unreported; and
5. The basis for the decision and final resolution of the complaint, together with any corrective action(s).

g) Keep the written documentation and associated documents in a secure and confidential location.

h) Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.

i) Inform the individual who reported of the right to file a complaint or charge externally as outlined in the next section.

If an investigation reveals that discrimination or harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable laws and regulations, as well as any and all relevant codes of conduct, District policies and administrative regulations, collective bargaining agreements, and/or third-party contracts.

Annual Training

The District will provide a sexual harassment prevention training program to all employees on an annual basis. The training will be interactive and will include:

a) An explanation of sexual harassment consistent with guidance issued by the Department of Labor in consultation with the Division of Human Rights;

b) Examples of conduct that would constitute unlawful sexual harassment;

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

c) Information concerning the federal and state statutory provisions concerning sexual harassment and remedies available to victims of sexual harassment;

d) Information concerning employees' rights of redress and all available forums for adjudicating complaints; and

e) Information addressing conduct by supervisors and any additional responsibilities for such supervisors.

Notice

The District will provide this policy to all employees in writing. The District will post this policy prominently throughout the District to the extent practicable.

At the time of hiring and at every annual sexual harassment prevention training program, the District will provide each employee a notice containing this policy and the information presented at the District's sexual harassment prevention training program.

This notice will be provided in English and in the language identified by the employee as his or her primary language, provided that the New York State Department of Labor Commissioner has published a template of the model materials in that language.

The notice will be delivered in writing, either in print or digitally. The notice will either link to or include, as an attachment or printed copy, the policy and training materials.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by the District but is also prohibited by state, federal, and, where applicable, local law.

Aside from the District's internal process, individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may seek the legal advice of an attorney.

In addition to those outlined below, individuals may have additional legal protections.

State Human Rights Law (HRL)

The Human Rights Law (HRL), codified as N.Y. Executive Law, art. 15, Section 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects covered persons, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

Complaints with DHR may be filed any time within one year (three years beginning August 12, 2020) of the harassment. If an individual did not file with DHR, they can sue directly in state court under the HRL, within three years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the District does not extend your time to file with DHR or in court. The one year or three years is counted from the date of the most recent incident of harassment.

Individuals do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate your complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring your employer to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 USC Section 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

An individual alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Title IX

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in any federally funded education program or activity. The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title IX of the Education Amendments of 1972.

For more information about how to file a complaint, contact OCR at 800-421-3481 (TDD 800-877-8339) or visit: https://www2.ed.gov/about/offices/list/ocr/docs/howto.html. The website contains information about filing the complaint online, by mail, or by email.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE

Overview

The District is committed to creating and maintaining an environment which is free from discrimination ~~free work environment~~ and harassment. Sexual harassment is one form of workplace discrimination. This policy addresses sexual harassment in the workplace. ~~and~~ It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Sexual harassment is a form of employee misconduct, a violation of District policy, and unlawful. Employees of every level who engage in sexual harassment, including supervisory personnel who engage in sexual harassment, who knowingly allow such behavior to continue, or fail to report suspected sexual harassment will be subject to remedial and/or disciplinary action by the District. Sexual harassment may also subject the District to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sexual harassment in the workplace. The District will promptly respond to reports of sexual harassment in the workplace, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Title IX Coordinator(s).

Scope and Application

This policy applies to all instances of sexual harassment perpetrated against a "covered person," regardless of immigration status, by anyone in the workplace, including a co-worker, supervisor, or third-party such as a non-employee, paid or unpaid intern, vendor, building security, visitor, volunteer, parent, or student. For purposes of this policy, a "covered person" includes:

a) Employees;

b) Applicants for employment;

c) Paid or unpaid interns; and

d) Non-employees, which include anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

Sexual harassment in the workplace can occur between any individuals, regardless of their sex or gender. Unlawful sexual harassment is not limited to the physical workplace itself. Sexual harassment can occur on ~~school grounds, school buses or District vehicles, and at school-sponsored events, programs, or activities, including those that take place at locations off school premises.~~school property and at school functions which, for purposes of this policy, means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state. It can also occur while employees are traveling for District business. Calls, texts, emails, and social media usage can constitute unlawful workplace harassment, even if they occur away from school ~~grounds~~property, on personal devices, or during non-work hours. Accordingly, conduct or incidents of sexual harassment that create or foreseeably create a disruption within the District may be subject to this policy in certain circumstances.

Other District policies and documents such as regulations, procedures, collective bargaining agreements, and the District's *Code of Conduct* may address misconduct related to sexual harassment and may provide for additional, different, or more specific grievance procedures depending on a number of factors including, but not limited to, who is involved and where the alleged sexual harassment occurred. These documents must be read in conjunction with this policy. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Sex Discrimination and Sexual Harassment Prohibited by Title IX of the Education Amendments of 1972.

The dismissal of a complaint under one policy or document does not preclude action under another related District policy or document.

What Constitutes Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

Under New York State Human Rights Law, sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment need not be severe or pervasive to be unlawful, and can be any harassing conduct that consists of more than petty slights or trivial inconveniences.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

a) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;

b) Such conduct is made either explicitly or implicitly a term or condition of employment; or

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

c) Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called "quid pro quo" harassment.

Any covered person who feels harassed should report the conduct so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment

The following describes some actions that may constitute unlawful sexual harassment and that are strictly prohibited:

a) Physical acts of a sexual nature, such as:

1. Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body or poking another person's body; and

2. Rape, sexual battery, molestation or attempts to commit these assaults.

b) Unwanted sexual advances or propositions, such as:

1. Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments; and

2. Subtle or obvious pressure for unwelcome sexual activities.

c) Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

d) Sex stereotyping, which occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.

e) Sexual or discriminatory displays or publications anywhere in the workplace, such as pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.

f) Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, and the status of being transgender, such as:

1. Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;

2. Sabotaging an individual's work; and

3. Bullying, yelling, or name-calling.

Prohibition of Retaliatory Behavior (Whistle-Blower Protection)

Unlawful retaliation can be any action that could discourage a covered person from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

The District prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of a complaint of sexual harassment. Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in "protected activity." Protected activity occurs when a person has:

a) Made a complaint of sexual harassment, either internally or with any anti-discrimination agency;

b) Testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;

c) Opposed sexual harassment by making an ~~verbal~~ oral or informal complaint of harassment to a supervisor, building principal, other administrator, or the ~~Civil Rights Compliance Officer (~~CRCO~~)~~;

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

d) Reported that another employee has been sexually harassed; or

e) Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Allegations of Sexual Harassment

Preventing sexual harassment is everyone's responsibility. The District cannot prevent or remedy sexual harassment unless it knows about it. Any covered person who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, building principal, other administrator, or the CRCO. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior.

Reports of sexual harassment may be made ~~verbally~~orally or in writing. A form for submission of a written complaint is posted on the District website, and all covered persons are encouraged to use this complaint form. Persons who are reporting sexual harassment on behalf of another person should use the complaint form and note that it is being submitted on another person's behalf.

District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Sex Discrimination and Sexual Harassment Prohibited by Title IX of the Education Amendments of 1972.

Any person who believes they have been a target of sexual harassment may also seek assistance in other available forums, as explained ~~below in the section on Legal Protections~~in this policy.

Supervisory Responsibilities

All supervisors, building principals, and other administrators who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the CRCO. ~~In the event the CRCO is the alleged harasser, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity, or to the Superintendent.~~ If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors, building principals, and other administrators will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors, building principals, and other administrators will also be subject to discipline for engaging in any retaliation.

Investigating Complaints of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in ~~verbal~~oral or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. Disclosure may, however, be necessary to complete a thorough investigation of the charges and/or notify law enforcement officials. All persons involved, including complainants, witnesses, and alleged harassers will be accorded due process, as outlined below, and in accordance with any applicable collective bargaining agreements to protect their rights to a fair and impartial investigation.

The District will not tolerate retaliation against anyone who files complaints, supports another's complaint, or participates in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

a) Upon receipt of a complaint, the CRCO will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate. ~~In the event that the CRCO is the alleged harasser, the complaint will be directed to another CRCO or District designee for investigation.~~

   If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

b) ~~If a complaint is verbal, encourage the individual to complete the complaint form, which is available on the District website, in writing. If he or she refuses, prepare a complaint form based on the verbal reporting.~~ All complaints of sexual harassment will be investigated regardless of the form in which those complaints are made. For oral complaints, the individual will be encouraged to complete the complaint form, which is available on the

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

District website, in writing. If he or she refuses, a complaint form based on the oral report will be prepared. The complainant will be provided a copy of the completed complaint form.

c) If documents, emails, or phone records are relevant to the investigation, take steps to obtain and preserve them.

d) Request and review all relevant documents, including all electronic communications.

e) Interview all parties involved, including any relevant witnesses. If a student is involved, the District will follow all applicable District policies and procedures regarding questioning students.

f) Create written documentation of the investigation (such as a letter, memo, or email), which contains the following:

1. A list of all documents reviewed, along with a detailed summary of relevant documents;

2. A list of names of those interviewed, along with a detailed summary of their statements;

3. A timeline of events;

4. A summary of prior relevant incidents, reported or unreported; and

5. The basis for the decision and final resolution of the complaint, together with any corrective action(s).

g) Keep the written documentation and associated documents in a secure and confidential location.

h) Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.

i) Inform the individual who reported of the right to file a complaint or charge externally as outlined in ~~the next section~~this policy.

Additionally, other District policies and documents address sexual harassment. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Sex Discrimination and Sexual Harassment Prohibited by Title IX of the Education Amendments of 1972. All complaints will be handled in accordance with the applicable District policies and/or documents.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff such as the District's Title IX Coordinator(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

If an investigation reveals that ~~discrimination or harassment~~sexual harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law~~s~~ and regulation~~s~~, as well as any ~~and all relevant codes of conduct, District policies and administrative regulations, collective bargaining agreements, and/or third-party contracts.~~ applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Annual Training

The District will provide a sexual harassment prevention training program to all employees on an annual basis. The training will be interactive and will include:

a) An explanation of sexual harassment consistent with guidance issued by the Department of Labor in consultation with the Division of Human Rights;

b) Examples of conduct that would constitute unlawful sexual harassment;

c) Information concerning the federal and state statutory provisions concerning sexual harassment and remedies available to victims of sexual harassment;

d) Information concerning employees' rights of redress and all available forums for adjudicating complaints; and

e) Information addressing conduct by supervisors and any additional responsibilities for such supervisors.

~~Notice~~Notification

The District will provide this policy to all employees in writing. The District will post this policy prominently throughout the District to the extent practicable.

At the time of hiring and at every annual sexual harassment prevention training program, the District will provide each employee a notice containing this policy and the information presented at the District's sexual harassment prevention training program.

This notice will be provided in English and in the language identified by the employee as his or her primary language, provided that the New York State Department of Labor Commissioner has published a template of the model materials in that language.

The notice will be delivered in writing, either in print or digitally. The notice will either link to or include, as an attachment or printed copy, the policy and training materials.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by the District but is also prohibited by state, federal, and, where applicable, local law.

Aside from the District's internal process, individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may seek the legal advice of an attorney.

In addition to those outlined below, individuals may have additional legal protections.

State Human Rights Law (HRL)

The ~~Human Rights Law (~~HRL~~)~~, codified as N.Y. Executive Law, art. 15, Section 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects covered persons, regardless of immigration status. A complaint alleging violation of the ~~Human Rights Law~~HRL may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time within one year (three years beginning August 12, 2020) of the harassment. If an individual did not file with DHR, they can sue directly in state court under the HRL, within three years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the District does not extend ~~your~~the time to file with DHR or in court. The one year or three years is counted from the date of the most recent incident of harassment.

Individuals do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate ~~your~~the complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring ~~your employer~~the District to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees, and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed

to DHR. The website also contains contact information for DHR's regional offices across New York State.

Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 USC Section 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An individual alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov, or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Title IX

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex in any federally funded education program or activity. The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title IX of the Education Amendments Act of 1972.

For more information about how to file a complaint, contact OCR at 800-421-3481 (TDD 800-877-8339) or visit: https://www2.ed.gov/about/offices/list/ocr/docs/howto.html. The website contains information about filing the complaint online, by mail, or by email.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city, or town in which they live to find out if such a law exists.

Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement, or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

SUBJECT: PROFESSIONAL GROWTH/STAFF DEVELOPMENT

It is the policy of the District that attention be given to in-service, pre-service, and other staff development programs which are believed to be of benefit to the School District and its students. The Superintendent, in consultation with the appropriate administrative staff and/or teacher committees, is directed to arrange in-service programs and other staff development opportunities which will provide for the selection of subjects pertinent to the curriculum in the schools, to build from these subjects those topics or courses for in-service or staff development which will help employees acquire new methods of performing their job responsibilities or help staff improve on those techniques which are already being used in the schools, with the objective of improving professional competencies.

It is recommended that administration develop meaningful in-service and/or staff development programs which will achieve the following:

a) Contribute to the instructional program of the schools;

b) Contribute to improved education for students;

c) Achieve state mandates;

d) Enhance the professional competencies and/or instructional abilities of staff members.

The Board of Education, therefore, encourages all employees to improve their competencies beyond that which they may obtain through the regular performance of their assigned duties. Opportunities should be provided for:

a) Planned in-service programs, courses, seminars, and workshops offered both within the School System and outside the District.

b) Visits to other classrooms and schools, as well as attendance at professional meetings, for the purpose of improving instruction and/or educational services.

c) Orientation/re-orientation of staff members to program and/or organizational changes as well as District expectations.

Attendance at such professional development programs must be directly linked to the duties and responsibilities comprising the job description of the employee. Consequently, employees are encouraged to participate in the planning of staff development programs designed to meet their specific needs.

Members of the staff are also encouraged to continue their formal education as well as to attend their respective work-related workshops, conferences and meetings.

(Continued)

SUBJECT: PROFESSIONAL GROWTH/STAFF DEVELOPMENT (Cont'd.)

Funds for participating at such conferences, conventions, and other similar professional development programs will be budgeted for by the Board of Education on an annual basis. Reimbursement to District staff for all actual and necessary registration fees, expenses of travel, meals and lodging, and all necessary tuition fees incurred in connection with attendance at conferences and the like will be in accordance with established regulations for conference attendance and expense reimbursement.

The Superintendent of Schools or his/her designee has authority to approve release time and expenses for staff members' attendance at professional training conferences, study councils, in-service courses, workshops, summer study grants, school visitations, professional organizations and the like within budgetary constraints.

A conference request form/course approval form must be submitted by the employee and approved by the designated administrator prior to the employee's attendance at such conference or other professional development program.

Mentoring Programs for First Year Teachers

Effective February 2, 2004, initial certificated teachers must participate in a mentoring program as a component of the School District's Professional Development Plan. The purpose of the mentoring program is to increase the retention of new teachers and improve their ability to assist students in attaining State learning standards. The mentor's role is to provide guidance and support to a new teacher. However, additional mentor responsibilities may be negotiated and reflected in a collective bargaining agreement.

a) Planned in-service programs, courses, seminars, and workshops offered both within and outside the District.

b) Videoconferences, prerecorded videos, and/or online discussion boards.

c) Visits to other classrooms and schools, as well as attendance at professional meetings, for the purpose of improving instruction and/or educational services.

d) Orientation or re-orientation of staff members to program and/or organizational changes, as well as District expectations.

Attendance at professional learning programs must be directly related to the duties and responsibilities of the staff member. Consequently, staff members are encouraged to participate in the planning of staff development programs designed to meet their specific needs.

Staff members are also encouraged to continue their formal education, as well as to attend work-related workshops, conferences, and meetings.

Funds for participating in conferences, conventions, and other similar professional learning programs will be budgeted for by the Board on an annual basis. Reimbursement to staff members for all actual and necessary registration fees, expenses of travel, meals and lodging, as well as all necessary tuition fees incurred in connection with attendance at conferences, will be in accordance with District documents which address conference attendance and expense reimbursement.

Professional Learning Plans

By September 1 of each school year, the District will adopt or, in the case of multi-year plans, readopt a professional learning plan that meets the content requirements specified in the Commissioner's regulations. The professional learning plan will be structured in a format consistent with the Commissioner's guidelines and will include, among other things, a description of:

a) The professional learning activities provided to all professional staff and supplementary school personnel who work with students with exceptional learning needs, particularly students with disabilities, English language learners, students who are gifted and talented, and students with low literacy levels, to enable them to identify these students and provide instruction based on the needs of these students.

(Continued)

SUBJECT: PROFESSIONAL GROWTH/STAFF DEVELOPMENT (Cont'd.)

b) How professional learning related to educator practice and curriculum development are culturally responsive and reflect the needs of the community that the District serves.

c) Expected participation in continuing teacher and leader education (CTLE), as well as other professional learning opportunities provided by the District.

The professional learning plan will be developed through collaboration with a professional learning team. The Board will appoint the members of this team in accordance with the Commissioner's regulations.

Mentoring Program

The District's professional learning plan will include a provision for a mentoring program. The purpose of the mentoring program is to provide guidance and support for educators who hold an initial certificate in the classroom teaching service or as a school building leader to ease the transition from teacher and school building leader preparation to practice in order to increase retention of teachers and school building leaders. Additionally, the mentoring program is intended to increase the skills of new teachers and school building leaders in order to improve student achievement.

The mentoring program will be developed and implemented consistent with any collective bargaining agreement.

SUBJECT: REGISTRATION AND PROFESSIONAL DEVELOPMENT

Registration

All employees who are certificate holders must register with the State Education Department (SED) every five years through the TEACH system. An employee is a certificate holder if he or she holds a permanent or professional certificate in the classroom teaching service, a permanent or professional certificate in the educational leadership service (i.e., school building leader, school district leader, or school district business leader), or a Level III Teaching Assistant certificate. Only registered employees may teach or supervise in the District.

Employees who were certificate holders prior to July 1, 2016 had to apply for initial registration during the 2016-2017 school year and each subsequent five-year period thereafter.

Any individual who is issued a new certificate is automatically registered with SED. These certificate holders must renew their registration every five years during their birth month.

Any certificate holder who fails to register by the beginning of the appropriate registration period may be subject to late filing penalties.

Certificate holders must notify SED of any change of name or mailing address within 30 days of such change through the TEACH system. Any certificate holder who willfully fails to inform SED of changes to his or her name and/or address within 180 days of such change may be subject to moral character review.

Continuing Teacher and Leader Education (CTLE) Credit Hours

All continuing teacher and leader education certificate holders (CTLE certificate holders) must successfully complete a minimum of 100 hours of acceptable CTLE hours during each five-year registration period to maintain a valid certificate. An employee is a CTLE certificate holder if he or she holds a professional certificate in the classroom teaching service, a professional certificate in educational leadership service, or a Level III Teaching Assistant certificate. This requirement may be completed at any time over the course of a five-year period. Credit hours cannot carry over to subsequent registration periods.

SED sets high standards for courses, programs, and activities that qualify for CTLE credit, and it must approve all CTLE sponsors. Generally, acceptable CTLE will be in the content area of any certificate title held by an individual or in pedagogy. Further, the CTLE will be aligned with professional development standards created by the New York Professional Standards and Practices Board for Teaching.

(Continued)

SUBJECT: REGISTRATION AND PROFESSIONAL DEVELOPMENT (Cont'd.)

The District will describe opportunities for teachers and administrators to engage in CTLE in its Professional Development Plan. The District will annually certify, in a form and on a time table prescribed by the Commissioner of Education, that the requirements to have a professional development plan for the succeeding school year have been met and that it has complied with the professional development plan for the current school year. The District will provide CTLE opportunities that are designed to improve the teacher or leader's pedagogical and/or leadership skills and are targeted at improving student performance, among other things. A peer-review teacher or principal acting as an independent trained evaluator who conducts a classroom observation as part of a teacher evaluation under relevant sections of the Education Law may apply the observation time to fulfilling CTLE requirements. Time spent mentoring may also be counted toward required CTLE credit hours.

Language Acquisition CTLE and Exemption

Employees holding an English to speakers of other languages (all grades) certificate or a bilingual extension are required to complete a minimum of 50% of the required CTLE hours in language acquisition aligned with the core content area of instruction taught, including a focus on best practices for co-teaching strategies, and integrating language and content instruction for English Language Learner (ELL) students. All other certificate holders must complete a minimum of 15% of the required hours dedicated to language acquisition addressing the needs of ELLs, including a focus on best practices for co-teaching strategies and integrating language and content instruction for ELLs. A minimum of 15% of the required CTLE hours for employees holding a Level III Teaching Assistant certificate will be dedicated to language acquisition addressing the needs of ELLs and integrating language and content instruction for ELLs.

Employees holding school district business leader certificates are exempt from the language acquisition CTLE requirements for each year that they are employed in the District. Instead, they must complete a minimum of 15% of the required CTLE hours dedicated to the needs of ELLs and federal, state, and local mandates for ELLs.

Employees may be eligible for a waiver of language acquisition CTLE requirements. Each school year when there are fewer than 30 ELL students enrolled in the District or ELLs make up less than 5% of the total student population, the District may obtain an exemption. If the District obtains this exemption, employees would be exempt from the language acquisition CTLE requirement for each year that they are employed in the District.

CTLE Adjustments

The Commissioner may adjust an employee's number of CTLE hours and/or time to complete them due to poor health, as certified by a health-care provider; extended active duty in the Armed Forces; or other acceptable good cause.

(Continued)

SUBJECT: REGISTRATION AND PROFESSIONAL DEVELOPMENT (Cont'd.)

Any employee holding a certificate in the classroom teaching service who obtains certification from the National Board for Professional Teaching Standards will be considered CTLE-compliant for the registration period in which he or she obtains this certification. The employee must still meet any language acquisition requirements, however.

Recordkeeping and Reporting Requirements

Employees must maintain a record of completed CTLE hours for at least three years from the end of the applicable registration period. The record must include the title of the program, the total number of hours completed, the number of hours completed in language acquisition addressing the need of ELLs, the sponsor's name, any identifying number, attendance verification, and the date and location of the program.

The District will maintain a record of any professional development it conducts or provides for at least seven years from the date of completion. The District will submit to SED, in a form and timetable prescribed by SED, information concerning the completion of professional development for regularly employed certificate holders.

SUBJECT: ACCEPTANCE OF GIFTS, GRANTS AND BEQUESTS TO THE SCHOOL DISTRICT

The Board may accept gifts, donations, grants and/or bequests of money, real or personal property, as well as other merchandise which, in view of the Board, add to the overall welfare of the School District, provided that such acceptance is in accordance with existing laws and regulations. Donations to the school are fully tax deductible so long as the gift is used exclusively for public purposes in accordance with USC Section 170(c). However, the Board is not required to accept any gift, grant or bequest and does so at its discretion, basing its judgment on the best interests of the District. Furthermore, the Board will not accept any gift, grant or bequest which constitutes a conflict of interest and/or gives an appearance of impropriety. At the same time, the Board will safeguard the District, the staff and students from commercial exploitation, from special interest groups, and the like.

The Board will not accept any gifts or grants which will place encumbrances on future Boards, or result in unreasonable additional or hidden costs to the District. The Board may, if it deems it necessary, request that gifts of equipment, facilities or any item that requires upkeep and maintenance include funds to carry out such maintenance for the foreseeable life of the donation.

The Board of Education will not formally consider the acceptance of gifts or grants until and unless it receives the offer in writing from the donor/grantor or their attorney/financial advisor. Any such gifts or grants donated to the Board and accepted on behalf of the School District must be by official action and resolution passed by Board majority. The Board would prefer the gift or grant to be a general offer rather than a specific one. Consequently, the Board would suggest that the donor/ grantor work first with the school administrators in determining the nature of the gift or grant prior to formal consideration for acceptance by the Board. However, the Board, in its discretion, may direct the Superintendent of Schools to apply such gift or grant for the benefit of a specific school or school program.

The Board is prohibited, in accordance with the New York State Constitution, from making gifts/charitable contributions with School District funds.

Gifts and/or grants of money to the District shall be annually accounted for under the trust and agency account in the bank designated by the Board of Education.

All gifts, grants and/or bequests shall become School District property. A letter of appreciation, signed by the President of the Board and the Superintendent, will be sent to a donor/grantor in recognition of his/her contribution to the School District. Letters will be sent in a timely manner and will acknowledge the possible tax deduction available to donors whose gifts qualify under IRS regulations.
