SUBJECT: PUBLIC PARTICIPATION AT SCHOOL BOARD MEETINGS

The Board of Education recognizes the importance of maintaining an open dialogue with community members by assigning two consistent agenda items to public comment at each regular business meeting. In so doing, community members choosing to speak at a Board of Education meeting are bound by the terms outlined in this policy and must conduct themselves in a manner commensurate with this policy, the District *Code of Conduct* and all laws and regulations that govern the operation of a Board of Education.

Guidelines for Participation

- a) The Board of Education will provide two opportunities during each meeting for public participation:
 - 1. An opportunity after the review or approval of the agenda for participants to comment upon the agenda.
 - 2. An opportunity at the end of the meeting for participants to address the Board on topics appropriate for open session.
- b) The Board welcomes attendance and participation by District residents, persons having business within the boundaries of the School District and persons who do business with the Board of Education.
- c) A maximum of 30 minutes will be reserved for comments from community members. Board members may also request a 30 minute extension of this time, subject to Board approval.
- d) Those wishing to speak must be at least 16 years of age.
- e) All participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation, if appropriate.
- f) Each speaker will be limited to three minutes to offer comments pursuant to the guidelines offered below, unless the Board votes to waive rules to allow it. The participant will not be allowed to transfer all or part of their allotted time to another participant.
- g) All statements must be directed at the presiding officer; no visitor to a Board meeting may address or question Board members individually.
- h) Participants may register their request to speak with the District Clerk or the Deputy District Clerk in advance of the meeting. Those that register in advance of the meeting will speak in order of their sign-up. Community members who do not sign-up prior to the start of the meeting will speak after those who signed up in advance.

SUBJECT: PUBLIC PARTICIPATION AT SCHOOL BOARD MEETINGS (Cont'd.)

- i) Participants may not discuss specific individuals or issues that fall under executive session.

Role of the Board President

In order to facilitate an appropriate and productive discourse, the Board President also has the right to exercise one of the following options:

- a) Interrupt or terminate a participant's comments when the comment is too lengthy, personally directed, abusive or irrelevant;
- b) Request any individual to leave the meeting when the person does not observe reasonable decorum;
- c) Call for a recess or an adjournment to another time when the lack of decorum so interferes with the orderly progress of the meeting;
- d) Direct comments and questions from participants to the Superintendent, administrator, or appropriate department for action or response within a reasonable time frame after the meeting.

Absentee ballots will be used for the election of Board members and District public library trustees, the adoption of the annual budget, and District public library budget and referenda.

A District voter must request in advance an application for an absentee ballot. The signed letter must be received by the District Clerk or Board designee not earlier than the thirtieth day before the election/vote and at least seven days before the election/vote. Enclosed with the absentee ballot will be an application form for the absentee ballot. The absentee ballot will not be counted unless a valid application form is enclosed with the ballot.
