Hello Mountain Meadows,

Here we are in the last week of school! Enjoy some highlights from last week along with a few reminders.

What is a 3D printer and how does it work?

Applying 3D printer projects into your lessons

- Students can work as a group to create a model or prototype
- Community building
- STEAM Lab Lesson plans

(Meredith, 2022)

Ms. Stein, who teaches second grade and is also the STEAM Committee lead teacher, provided a **training for our teachers. The focus was 3D printing.** Thank you, Ms. Stein, for the very helpful and informative professional development!

There were two field trips last week. Third graders went to the **Chumash Museum** on Tuesday ,and they rode in one of MUSD's new electric buses. TK students enjoyed a **walking field trip to the Fire Station** on Thursday for a fun learning experience with our first responders.

On Wednesday third graders presented their individual animal projects in the **Animal Project Museum Day**. Families,

students and staff were invited to visit while the students presented their project to all who attended. **Well done third graders!**

We teach, encourage and celebrate **nutrition, health and fitness at MM**. For the last week of PE, students enjoyed **"Water Day"** and celebrated those who participated in **Run Club**.

It is **Harvest at MM**! Students are enjoying the fruits of their gardening effort... even adding the delicious additions from the MM Garden to the cafeteria lunch!

The end of school year **Staff Luncheon** was on **"Aloha Day"** this past Thursday, complete with students playing the ukuleles and placing leis, symbols of affection, love, respect and honor, on all staff members. **Thank you MM Staff for a fantastic school year- the impact you make in our students' lives and the future is immeasurable!**

As you are planning for summer, please check out these opportunities offered by our Moorpark City Library:

[Folder of Informational Fliers](#)

- **Library Card Applications**
 - Guardians can fill out the printed hardcopy in Spanish or English or use the online application here. Either way, they will **have to come to the library to show a valid ID** to complete their application <https://inland.librarycatalog.info/polaris/patronaccount/selfregister.aspx?ctx=89.1033.0.0.16>
- **MESStival Flyer**
 - This is our Summer Reading Program Kickoff this year. It's going to be a fun and messy day full of mud pies, finger painting, tie dye, and SLIME!!
- **Summer Reading Trackers – in Spanish and English**
 - These will be the kiddos tickets to getting some fun prizes this summer. They can start tracking on Saturday, June 15, 2024. Each sheet has a front page that explains the program. The back has the pictures for them to color and track their reading each day.
- **June calendar**
 - This shows the first month of our offerings this summer – go to our website here <https://www.moorparkca.gov/calendar.aspx?CID=24> to find our events all the way through the end of August

Enjoy our last week of the 23/24 school year!
