

MM Friday Highlights

Teresa Johnson • 18 days ago • Friday, May 24 at 3:33 PM • Mountain Meadows

Hello Mountain Meadows!

I hope that you enjoy this Memorial Day weekend with your loved ones.

It's hard to believe there are only three more weeks of school! There are still many exciting learning activities happening at MM.

Great job to our 3rd-5th graders for finishing State Testing. Some of our students celebrated with **GLOW DAY!**

The STEAM Lab continues to be a favorite learning space on campus. Last week some of **our 4th graders (Leaders!)** helped to teach/coach a 1st grade class coding with Dash Bots, Little Bits Engineering, and STEM Bins. Way to go, Mustangs!

Our students continue to shine and are celebrated at our Student of the Month and Terrific Kids assemblies, which wrapped up for this school year on May 3 for TK-2nd grade and May 10 for 3rd-5th grade. Friday, May 17 was the last Terrific Kids assembly, which is brought to all MUSD elementary schools by the Moorpark Kiwanis Club for 3rd-5th

graders. **Congratulations to all of our students for doing their best to grow in character and academic excellence!**

Thank you, Parents/Guardians, for your partnership in teaching our students, and for joining us for these Friday assemblies. Your presence and support is very impactful.

Kindergarten students enjoyed exploring a Ventura County fire truck, operating the hose, and learning about the very important role of our firefighters. Thank you to the Toller family who, in partnership with our Kindergarten teachers, made it all happen. Thank you to our firefighters for your service, helping to keep us all safe!

Crazy Hair Day was this past Thursday and our Mustangs showed their school spirit!

“Gratitude is a powerful catalyst for happiness.
It’s the spark that lights a fire of joy in your soul.”
– Amy Collette

Help kids develop **gratitude** by
encouraging them to **notice and**
think about who or what they're
thankful for and why.

We are in the home stretch of a wonderful school year! Thank you to our Mountain Meadows community!

Let's finish strong with gratitude and joy.

Ms. Johnson
