Pequea Valley School District

Where Each Learner Counts

Curriculum & Instruction

June

Dates	PV First Ten Early Literacy
	Highlight of services: Stats/ Data from May 2024 o Summer kick off was held the first week in May, 25 families (64 total people) attended. Each family received a bucket with supplies for summer. o Second Kindergarten Transition Night was held on May 7th. 52 out of the 68 registered kindergarten learners attended at least one of the nights. o 100% of families who attended transition nights reported they felt their child will be more prepared for kindergarten after attending. o 68 out of the 71 registered kindergarten learners have been screened and have kindergarten readiness kits. Current Projects: o Kindergarten Ready Camp week #1 will begin on June 17th and there are a total of 29 learners registered for both weeks. o Finalize plans for PV Lunch and Learns starting in July. o Continue to connect, help register, and screen any incoming kindergarten learners. o Work with elementary buildings to help assign kindergarten class lists. o Continue to work with the district on gathering, and sharing information for new before and after school programs at elementary buildings. New Projects/Upcoming Initiatives: o Continue to plan and prepare for the Back to School Extravaganza event in August. o Review MAP data from 2023-2024 school year. o Make a plan for 2024-2025 Fall programming. o Start Read Under the Lights plan October 3rd 2024 o Work closely with CAP and their grant writing team to support data needed to obtain play and learn and STEM grants for next program year. o Work with Factory staff to explore additional program funding possibilities.

Dates	Elementary Curriculum Topics
	We completed the year end MAP ELA and math diagnostic assessment for each learner showing their growth from August. These were followed up with year end meetings with facilitators to discuss their goal setting and how much their learners grew in their learning environment.
	Conducted Mystery Science and Activate Learning PD and reviewed the newly aligned maps to start planning their first unit.
	During the last two weeks of June we will be running our K-3 academic connections camp, again that will be aligned to our core interventions.

Dates	Middle & High School Curriculum Topics
	Conducted Activate Learning PD and reviewed the newly aligned maps to start planning their first unit.
	Seventh and eighth grade administered the year end diagnostic assessment STAR for ELA and math. HS math utilized the state CDT's (Classroom Diagnostic Test), ELA STAR and Science Study Island.
	The Wellness department met to review the standards at elementary to audit the health curriculum.

Dates	School Data & State Assessments & National Tests
	All PSSA and Keystone assessments were administered. When the data comes in this summer we'll review prior to the PVAAS growth component being released in the fall.

Dates	General
	The 2024-25 Title I, II, and IV allocations were finally released last week. Britney and I will be working on both the fiscal and programmatic program components prior to July 1 to complete and submit.
