ACADEMICS

ADD/DROP CLASSES

1. Students have the first 10 days of the semester to request to add and/or drop band and/or choir (6th-8th) for the current semester. All other exploratory classes are not optional. The administration reserves the right to look at individual cases. Parents/guardians will be notified of the student's request to add/drop a class from the school counselor.
2. Classes for high school credit will follow the high school handbook under "electives".

GRADING SCALE

All BVMS staff members will use a uniform percent system. Percent's will be converted to letter grades. Percent averages with a decimal value of .5 and above that are to be converted to letter grades will be rounded up to the next whole number. Conversions to a GPA are as follows:

Buckeye Valley Middle School District-wide Grade Scale

98 - 100 = A+ = 4.00
92 - 97 = A = 4.00
90 - 91 = A- = 3.67
88 - 89 = B+ = 3.33

82 - 87 = B = 3.00
80 - 81 = B- = 2.67
78 - 79 = C+ = 2.33
72 - 77 = C = 2.00

70 - 71 = C- = 1.67
68 - 69 = D+ = 1.33
62 - 67 = D = 1.00
60 - 61 = D- = 0.67
50 - 59 = F = 0

Grade Point Average (GPA) is determined by figuring the quarter grade on the 4.0 scale. Ex:

ELA: A (4.00)
Math: A- (3.67)
Social Studies: B- (2.67)

Science: A+ (4.00)
Health: A+ (4.00)
Art: A+ (4.00)

$(4 + 3.67 + 2.67 + 4 + 4 + 4)/6 =$
3.72 GPA

- ★ BVMS makes an effort to educate students on GPA and how that system can impact their futures in high school and beyond.

ACADEMIC RECOGNITION

BVMS celebrates students by recognizing those students that achieve and excel within the classroom. Students that achieve GPAs exceeding 3.0, 3.5, and 4.0 will be recognized.

ICU-INTENSIVE CARE UNIT

BVMS staff believes in providing high-quality instruction and assignment to students. ICU is a communication tool used between the school and families to track learning progress and completion of assignments based on the state standards. Levels of support are in place during the school day.

MAKE-UP WORK WHEN ABSENT

It is the student's responsibility to plan ahead and check with the teacher(s) prior to any pre-planned absences. In the case of missed days, a student may be given one day per excused day of absence to complete assignments, tests, homework, etc. Students with pre-arranged absences (field trips, fair day(s), college visits, vacations, etc.) are to obtain assignments prior to their absence and submit them to teachers upon return. Tests or assignments announced prior to the student's absence are to be taken/turned in upon the student's return unless the teacher waives that expectation. The building principal will have final ruling. With the goal of ensuring that all students learn and benefit from instruction, teachers may enter "placeholder" zeros to encourage students to take advantage of the many academic supports available.

STUDENT CLUBS & ACTIVITIES

Ambassadors:

BV Ambassadors are utilized to welcome new students to BVMS. This can be accomplished through building tours, being a lunch buddy, answering questions, inviting to a sporting event, etc.

Builders Club:

You are the “leaders” so you will ultimately get to decide what we do. However, the goal is to help others in our school, community, and nation. For Example: Planning and Hosting a Valentine's party for Senior Citizens, food and clothing drives to help organizations like Salvation Army or Free Store: basically helping others.

Destination Imagination: Destination Imagination (DI) is an international program that allows young people of all ages--kindergarten through university level--to be involved in creative problem-solving in the STEM fields (science, technology, engineering, and mathematics), fine arts, and service learning.

Drug Free BV:

Drug Free BV is open to any MS Student. This group is student led and supports students making the choice to live a drug free life. Meetings will be before school once a month from 7:00am-7:30am and occasionally after school in October to prepare for Red Ribbon Week.

Green Team:

Everything recycling! Live, love, recycling. This club is about taking care of our school and learning how to recycle everything from charging cables to plastic bottles to batteries. Some activities we do include: Collecting recycling from classrooms and sorting electronic materials out of bins. Join the Green Team!

French Club:

French Club is open to students presently or previously enrolled in a French course.

Literary Magazine:

Literary Magazine- is a student publication staffed by 8th grade students. The magazine provides an outlet for BVMS students to showcase their writing and art and is published periodically throughout the year.

Math Counts:

Math Club is an opportunity for students who love math and logic to do more math and logical thinking activities. Word problems, puzzles, equations- and more- await!

Show Choir (Grades 6-8):

Show Choir is a singing and dancing group that performs songs at concerts as well as community events. This group works with a choreographer to create shows that will be performed throughout the year. Crew members are also part of the team and help with back-stage needs. There is an audition required to be a singer and dancer as well as an interview for those interested in being part of backstage crew. You DO NOT need to currently be in Choir or Band to participate, but it is highly encouraged!

Ski Club (Grades 6-8):

Ski Club introduces students to the sport of downhill skiing. A membership fee covers ski rental, lessons and lift ticket expenses for six evenings of skiing beginning in January. Even if you are a veteran skier and/or have your own equipment, you can still join for a lesser cost. Bussing is available for an additional fee.

Spanish Club:

Spanish Club is open to students presently or previously enrolled in a Spanish course.

Student Council:

Student Council promotes leadership and understanding between the student body and the administration and faculty. Membership in the organization is voluntary. Officers are elected by the group.

Yearbook:

Yearbook club is a way to be involved and leave a permanent mark on your years at BVMS. Club members will advertise the art contest and yearbook sale, use technology to organize photos taken at BVMS events and activities, edit/proof the yearbook before publishing, all while working with students from grades 6-8.

ATHLETIC ELIGIBILITY

All members of our athletic teams and cheerleading squads must maintain the academic standards set by the Ohio High School Athletic Association (OHSAA) in order to be eligible to participate. A student enrolling in the seventh grade for the first time will be eligible for the first grading period regardless of the previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must be currently enrolled in school the immediately preceding grading period and received passing grades during that grading period in a minimum of five of those subjects in which the student received grades. Summer school and other educational options may not be used to substitute for failure to meet the academic standards specified in OHSAA bylaws during the last grading period of the school year. The eligibility or ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from the immediately preceding grading period become effective.

EXCEPTION: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season. BVMS offers girl's volleyball, basketball, track, cross-country, girls' tennis, bowling and cheerleading. Boys sports are football, basketball, wrestling, cross country and track. In compliance with OHSAA, sixth grade students are not permitted to practice with or participate on BVMS interscholastic teams. A physical is required before a student may try out for and practice with an athletic team. All student athletes are expected to be in school by 11 a.m. in order to practice or participate in games or activities for that day.
