

BRUSHSTROKES & Storylines

Summer 2024

EVERY TUESDAY AT 4:30 PM

Every Tuesday this summer, join us for a FREE special series featuring local authors and illustrators who have brought captivating children's and teen books to life. Delve into the creative process behind writing and illustrating these stories, and revisit beloved classics or discover new favorites.

Books by the featured authors and illustrators will be available for purchase in the gift shop before and after each event. After the presentation, enjoy a Q&A session where you can engage directly with the creators.

Don't miss this unique opportunity to celebrate the magic of storytelling and illustration!
