

Quick Guide for Suggestions or Concerns

Classroom

Contact your child's **Teacher** to express thoughts or concerns about the classroom or to ask questions about how your child is progressing academically, socially or emotionally.

If your child is experiencing problems academically, socially or emotionally, or if you would like to share special circumstances which may interfere with your child's learning, contact the **School Counselor**.

School

If you have ideas, suggestions, concerns, or questions about a school's programs or if you were unable to resolve matters with the teacher or counselor, contact the **Building Principal**.

District

If you have ideas, suggestions, concerns, or questions about district-wide programs, contact the **District Department**.

If you are not certain whom to contact, call 513-206-7000 or email the **Director of Communications** at info@wyomingcityschools.org.

If a matter has not been resolved by a building principal or department head, contact the **Superintendent**.

School Board

If you have ideas, suggestions, or concerns about district policies or if you were unable to resolve matters with the superintendent contact the members of the **Wyoming City Schools Board of Education**.

Our shared goal is successful and happy Wyoming students. All are encouraged to share concerns as soon as possible. Contact information for Wyoming City Schools staff members can be found on the Contact tab at wyomingcityschools.org.
