Parent Newsletter

9 DAYS REMAINING!!!!

Lets go out with a BANG!! Although summer break is almost here we are still making sure our scholars are in school, on-time and in FULL uniform. Lets continue to instill cultural norms and finish like we started. We are still accepting donations for field day. Please contact Ms. Williams at 313-833-1100 ext 1150 or they can be left at the main office (chips, juice, cookies, water, etc)

Parents please be mindful that students ARE NOT allowed to wear sandals or flip flops of any kind. Even on free dress days!

Students who are chronically absent, up for retention or transitioning to the 3rd grade are all REQUIRED to go to summer school. Please make sure your scholar is signed up. Summer School begins June 26, 2024

We need your help to make our school even more amazing! We're excited to invite you to participate in our school survey - your chance to have a say in shaping the future of our academic learning environment. We want to hear about your experiences, ideas, and what you think could make our school even better. Your feedback will guide us in creating positive changes that benefit everyone. Please complete the survey by Friday, June 14, 2024 using the following link: <https://eprovesurveys.advanc-ed.org/surveys/#/action/256759/p58143>. By completing the survey your child will be able to enter a raffle for a prize. You will need to provide a pic of the page once you have completed the survey.

Attendance

Please be advised that Attendance is VERY IMPORTANT!! Once your scholar has reached 18 absences, they are considered chronically absent. Please help us with lowering the absenteeism rate by making sure your scholars are here EVEN if they will be TARDY. Students will be considered for retention or be dropped after a certain number of absences. If there is any support that may be needed from us please let us know.

100 % Attendance is the GOAL!

Figure Skating in Detroit Opportunity:

As figure Skating in Detroit is growing and opportunities for girls are increasing, we want to always include the New Paradigm girls as much as possible. Any girls ages 14 -24 who are interested in working our GDYT FSD Summer Program and are a Detroit resident, should visit the site. We are recruiting now. Spaces are limited. For more information visit

Lunch

Parents, If you are sending a lunch from home. Please DO NOT provide just chips and snacks. Students are able to get free lunch but sometimes they will not eat it. They will eat the chips and snacks and then say they are having stomach aches or still hungry.

NO-GO'S!!!!!!

NO PEANUT BUTTER

NO NUTS

NO CITRUS

NO HOT CHIPS

Monday: This week our school-wide cooperative challenge is to Use "I" Messages. Remember "I" Messages begin with saying, "I feel" and then naming the emotion you're feeling. Try using an "I" Message on the playground today!

Tuesday: This week our school-wide cooperative challenge is to Use "I" Messages. After you tell how you're feeling in an "I" Message you then tell what made you feel this way. Try using an "I" Message in the lunchroom today!

Wednesday: This week our school-wide cooperative challenge is to Use "I" Messages. There are many emotions we can name when we give an "I" Message, think about all of the emotions you labeled your class's feelings tree with at the beginning of the school year.... Excited, frustrated, lonely, annoyed, surprised, these are just a few examples. Try using an "I" Message in SFA class today!

Thursday: This week our school-wide cooperative challenge is to Use "I" Messages. Remember if someone gives you an "I" Message you should repeat what they said back to them and then give them an apology. Try repeating a friend's "I" Message today!

Friday: This week our school-wide cooperative challenge is to Use "I" Messages. "I" Messages can be used in and out of school. Try using "I" Messages at home with your siblings or other family members this weekend. You can teach them how to share their feelings with you and those in your family!

Homework is a non-negotiable at DEPSA and should be DONE at home.

Remember, greatness starts at home. The last couple of weeks, our homework data has continued to **DECREASE**.

DEPSA states that students are **REQUIRED** and **EXPECTED** to return homework weekly. Read & Response and C3 is sent home every Monday and should be turned in every Friday! We have placed great incentives in for our scholars who are successfully turning in homework. Homework is 20% of the students grade and if it is not turned in students will receive a ZERO.

Remember HW does count as apart of their reading grade. Please keep the momentum as we close out the year!
