Cleveland School District Dress Code

Dress Code Regulations Students who attend schools with uniform dress code must adhere to that school's uniform requirements and rules, as well as adhering to district dress code regulations. Students are expected to dress appropriately for school. Any extreme form of dress which is distracting to the teaching-learning process is prohibited.

Administrators will determine the appropriateness and inappropriateness of dress. Students will not be allowed to wear any type of jewelry during their PE class that may result in injury to the student. The CSD will not be responsible for items that may be lost or stolen while students are involved in any activities. The principal shall have the final decision about the appropriateness of the clothing for school.

The dress code will be enforced by all Bell Academy personnel. A notice will be issued by the teacher or office personnel if guidelines are not met. Serious infractions may require a change in dress. Multiple infractions (3 or more) will result in a detention. Detention is held each Thursday from 3:00-4:00.
The CSD Student Handbook may be accessed on the Cleveland School District or Bell Academy websites.
