Community Schools

The Institute for Educational Leadership (IEL) hosted the 2024 National Community Schools and Family Engagement Conference in Atlanta! This national conference brings together people from across the country who believe all children deserve a safe place to live and opportunities to learn and thrive.

Fifteen Hacienda La Puente Unified School District leaders, staff, and union representatives assisted this insightful and transformative conference.

Baldwin Academy

In honor of **CITIZENSHIP** month, Baldwin Academy came together to make their school, city and world a better place. Baldwin Academy's Student Council put goals into action and challenged students to bring in recyclables for the purpose of supporting Priceless Pets, a non-profit community organization that helps save animals. Collectively, Baldwin Academy raised over \$200 in recyclables along with food, treats and toys. To celebrate this accomplishment, Baldwin was joined by City of Industry's Assistant City Manager, Mr. Sam Pedroza on May 3rd to help present Priceless Pets with a check and donated items. Mr. Pedroza recognized the amazing Citizenship throughout the Baldwin community.
