# Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to GISD's Human Resources Department.

All GISD employees are expected to read, understand, and comply with these rules and procedures, and are subject to all applicable state laws and regulations.

Some departments and campuses have created their own handbook to orient new employees to their department or campus. In the event of any conflicting statements between the department's handbook and this handbook, the GISD Handbook will supersede.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of non-contract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed online at <https://pol.tasb.org/home/index/1240>.

The Handbook continues to be revised each year. To help you easily view the changes, use the following guide:

## District Information

### Description of the District

Located in Georgetown, Texas, GISD serves a diverse population of Williamson County students from pre-kindergarten to twelfth grade. The District serves 13,200+ students at ten elementary schools, four middle schools, three high schools, and two alternative campuses. The school district also offers a behavior alternative campus and is the fiscal agent for a county Juvenile Justice Alternative Education Program (“JJAEP”).

The District is administered by a superintendent and administrative staff located in the central administration offices. Policy decisions and administrative suggestions are made by the Board of Trustees, who is elected by the community.

The District is fully accredited by the Texas Education Agency.

## **Strategic Direction**

During the fall of 2022, Georgetown ISD embarked on a discovery process to review the existing strategic plan, identify areas where the district was both performing well and needed improvement, review the system's capacity for change and establish a strategic direction for the future. This work took place over a period of six months and included feedback from more than 1,000 community members, parents, GISD staff members and students.

From this process, four strategic priority areas were identified:

- Student Learning, Growth and Progress
- Student and Staff Well-Being
- Staff Recruitment and Retention
- Community and Connectivity

Each priority area is supported by a picture of success and includes objectives that will guide the work on the district moving forward and will be evidenced in district and campus improvement plans. The new Strategic Direction was adopted by the board in March 2023 and provides a framework for campuses and departments that prioritizes district-wide objectives and provides for more frequent and transparent evaluation of progress.

## **Board of Trustees**

Policies [BA](#), [BB](#) series, [BD](#) series, and [BE](#) series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the

superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members serve without compensation, must be qualified voters, and must reside in the district.

Board members shall be elected at-large by place for three-year terms with elections conducted annually, as follows: The election for places 6 and 7 shall be held in 2024, 2027 and 2030 and in three-year intervals thereafter. The election for places 1, 2, and 3 shall be held in 2025, 2028, 2031 and in three-year intervals thereafter. The election for places 4 and 5 shall be held in 2026, 2029, 2032 and in three-year intervals thereafter.

Current board members include:

- **JAMES SCHERER**
- **ELIZABETH MCFARLAND**
- **CODY HIRT**
- **STEPHANIE BLANCK**
- **ANTHONY BLANKENSHIP**
- **JENNIFER MAULDIN**
- **DR. STEPHEN BENOLD**

The board usually meets on the third Monday of every month, unless it conflicts with an academic holiday at the Hammerlun Center for Leadership & Learning located at 507 E. University Ave, Georgetown, TX 78626. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the District website and at [www.georgetownisd.org](http://www.georgetownisd.org) at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

# Employment

## Equal Employment Opportunity

*Policies [DAA](#), [DIA](#)*

Georgetown ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

All employees must complete the new hire documents associated with the hiring process prior to beginning work. This includes providing the human resources department with copies of all relevant certificates, forms, etc, as well as choosing or declining benefits.

In accordance with Title IX, the district does not discriminate on the basis of sex and is **prohibited from discriminating** on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Stacie Seveska, Director of Campus Operations and Title IX, 507 E. University Avenue, Georgetown, TX 78626, [seveskas@georgetownisd.org](mailto:seveskas@georgetownisd.org), (512) 943-5000. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Tiffani Carson-Walker, Executive Director of Federal & Special Programs, 507 E. University Avenue, Georgetown, TX 78626, [walkert@georgetownisd.org](mailto:walkert@georgetownisd.org), (512) 943-5000.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

## Job Vacancy Announcements

*[Policy DC](#)*

Announcements of job vacancies by position and location are posted on a regular basis to the district's website. Vacancies may also be advertised by other appropriate means consistent with

the law. Current GISD employees are eligible to apply for any vacancy by submitting a completed online application.

## **Employment after Retirement**

### [Policy DC](#)

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law.

The number of hours you work for any public school district could affect your annuity status and in some cases jeopardize your annuity. Please contact TRS regarding your hourly limits and the impact of your employment on your annuity and benefits. You are solely responsible for keeping track and maintaining your hours. If you believe you may fall into this category, please notify the District.

Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website at [www.trs.texas.gov](http://www.trs.texas.gov).

TRS retirees that are rehired must agree not to sue or otherwise bring a claim against GISD, its Board of Trustees, Superintendent, or any other employee or agent of GISD for any loss or reduction in the value of the retirement benefits. All TRS retirees who are rehired or change positions after June 2012 will not be eligible for Board approved salary increases.

## **Contract and Noncontract Employment**

### [Policy DC](#) series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and registered nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

**Probationary Contracts.** Registered nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in

public education for at least five of the eight years preceding employment with the district may not exceed one full school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and registered nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive an electronic notification of their contract with the option to print. Employment policies can be accessed online or copies will be provided upon request.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are not typically employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

**Paraprofessional and Auxiliary Employees.** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

## **Certification and Licenses**

*Policies [DBA](#), [DE](#)*

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to GISD's Human Resources Department in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify GISD's Human Resources Department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Tracey Jennings in Human Resources at (512) 943-5013 or [TEA](#) if you have any questions regarding certification or licensure requirements.

All newly certified professional staff or currently certified professionals who acquire additional certification are required by [TEA](#) to renew their certificates every five (5) years. This requires

150 clock hours of training. State law stipulates that professional employees are responsible for keeping records of all training that meets this requirement.

It is essential that professional employees who fall under these requirements maintain complete and accurate documentation of all hours earned, and if requested submit the documentation to the proper TEA office in time for re-certification. Failing to do so could result in the loss of professional certification and GISD employment contract.

## **Recertification of Employment Authorization**

### [Policy DC](#)

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact GISD's Human Resources Department if you have any questions regarding re-verification of employment authorization. Failure to verify employment authorization may result in termination.

## **Searches and Alcohol and Drug Testing**

### [Policy CQ](#), [DHE](#)

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. **Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.**

**Employees Required to Have a Commercial Driver's License.** Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than

driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Director of Transportation, David Gray, at (512) 943-7282.

## **Health Safety Training**

*Policies [DBA](#), [DMA](#)*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to GISD's Athletic Director, Jason Dean, or Director of Fine Arts, Carol Watson, by the start of the school year.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

## **Reassignments and Transfers**

*Policy [DK](#)*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a

dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. Teachers are offered an opportunity annually to complete an online transfer request to express their interest in transferring to other campuses into like positions. Principals, supervisors, and HR staff will take these requests into account when determining placement. Consideration may be given to transfer requests from employees on campuses identified as requiring a reduction in staff. Transfers are typically limited in availability. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a suitable replacement has been found. All transfer requests will be coordinated by Human Resources.

## **Workload and Work Schedules**

*Policies [DEAB](#), [DK](#), [DL](#)*

**Professional Employees.** Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules, including start and end dates, and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Teachers assume reasonable duties other than their regular teaching responsibilities. Activities and services that make minor demands on a teacher's time shall be part of the teacher's basic assignment. These duties may be scheduled before and after, as well as during, certain parts of the school day and at co-curricular activities. Administrators will strive to equalize such duties among teachers and to keep such duties to a minimum.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

**Work Hours.** While start and end *dates* are already set by new annual work calendars, all campus and department staff work *hours* are determined by campus principals or department supervisors. Start and end "times" are typically decided per each campus or department based

on whether an employee is expected to work 7.5 or 8 hours per day. Campuses and departments should stagger support staff positions for coverage as needed.

**Work From Home.** Any work from home arrangements must be explicitly approved by a supervisor and Human Resources. Paraprofessional and auxiliary employees must be compensated for all time worked, whether from home or at a district work site. If work from home occurs without a supervisor's and Human Resource pre-approval, then the employee will be compensated and the supervisor may take disciplinary action to address the failure to obtain prior approval.

## **Breaks for Expression of Breast Milk**

*Policies [DEAB](#), [DG](#)*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact GISD Human Resources at [hr@georgetownisd.org](mailto:hr@georgetownisd.org) or Amanda Johnson, Director of Human Resources, at 512-943-5000 x6091.

## **Pregnant Workers Fairness Act**

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-5000 x6092 to begin the interactive process.

## **Notification to Parents Regarding Qualifications**

*Policies [DK](#), [DBA](#)*

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents

be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Tracey Jennings in Human Resources at (512) 943-5013 or [TEA](#).

## **Outside Employment and Tutoring**

*Policy [DBD](#)*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Teachers shall not privately tutor their assigned students for pay during the school year. However, if the teacher does not have any instructional duties after the last day of school and until the first day of school, teachers may privately tutor GISD students. School resources should not be used for paid private tutoring.

## **Performance Evaluation**

*Policy [DN](#) series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees may review a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

## **Employee Involvement**

*Policies [BQA](#), [BQB](#)*

At both the campus and district levels, Georgetown ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Chief Strategist of Feedback and Assessments, Wes Vanicek, at (512) 943-5000 ext 6004.

## **Staff Development**

*Policy [DMA](#)*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

The GISD calendar allows for four staff development days for teachers during the year to be used as compensatory ("comp") days if the teacher attends district-identified required training hours during non-contract time. If a teacher does not attend the designated hours of training during the non-contract time (summer), then she/he will be required to attend training on the scheduled contract day(s). If a teacher does not attend the hours during non-contract time and does not attend on the contract day, even if the absence is due to illness or emergency, then he/she will lose a day's pay.

Teachers that attend out-of-district training and are offered additional compensation to attend the training must take a personal day for this time.

Auxiliary staff may be required to attend staff development sessions throughout the year. The department director or designee organizes these activities. Employees are also encouraged to participate in additional appropriate staff development opportunities that are available from other sources.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

## Salaries, Wages, and Stipends

*Policies* [DEA](#), [DEAA](#), [DEAB](#)

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

All employees have access to their assignment and pay through SKYWARD (See HR/Finance tabs: Employee Access, Employee Information, Personal Information, Personnel, & Assignment). The Assignment tab lists the employee's assignment, term, salary, & payroll information. Classroom teachers, full-time librarians, full-time registered nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Each year the GISD Board of Trustees may recommend an increase for GISD employees. Therefore, the current year hiring scales are not an indicator of what an employee's salary will be the following year. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

**Booster Club/PTA Payment to Employee.** Booster/PTA organizations may not contribute funds in an effort to increase the personnel allocations and/or stipends for any program or campus. A booster/PTA organization will not give cash to any school employee to use at her or his discretion.

**Extra-Duty Pay.** GISD grants extra duty pay for some work beyond an employee's regular job responsibilities. Employees cannot earn extra-duty pay for time worked during their working hours and calendar even if employee leave is taken.

Employees should contact Julie Cornish in Human Resources at (512) 943-6057 for more information about the district's pay schedules or their own pay.

## Paychecks

*Policy* [DEA](#)

Payroll is handled by the Business Office. To access payroll information, time entry deadlines, pay periods, W-2 forms, and direct deposit forms, please visit the [Business Office Payroll Webpage](#).

All professional and salaried employees are paid monthly. Auxiliary employees are paid every two weeks. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

**Pay for Emergency Closures of Schools and Facilities.** Should it be necessary to evacuate a GISD building for construction or maintenance repair, supervisors should contact HR for guidance on compensation of staff prior to sending staff home during work hours.

## Automatic Payroll Deposit

Paychecks are electronically deposited into an employee-designated account (employees commonly elect to use bank accounts, but are also allowed to use pay cards instead). Employees can update their direct deposit account information by logging into Skyward HR/Finance from the Staff tab on the GISD website. If you have questions, contact payroll@georgetownisd.org.

## Payroll Deductions

*Policy [CFEA](#)*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance (if applicable), or other court-ordered garnishment of wages
- Delinquent federal education loan payments (if applicable)

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations, in-district child care, and certain charitable contributions approved by the Board. Salary deductions are automatically made for unauthorized or unpaid leave.

**Overpayments.** Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

## Overtime Compensation

Policies [DEC](#) & [DEAB](#)

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. Non-exempt employees are not authorized to work beyond their normal work schedule, including taking or placing work-related phone calls, sending or checking text messages and emails, or performing any other work-related tasks without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval may be subject to disciplinary action **up to and including termination.**

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Monday and ends at 11:59 p.m. Sunday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off ("comp time") or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to **100** hours of comp time.
- Use of comp time is at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee must use comp time before using available paid leave (e.g., sick, personal, vacation).
- Paid leave or holidays taken during a workweek are not counted as hours worked in determining FLSA overtime hours.
- Employees will be paid for any unused FLSA overtime at the time of separation from GISD employment.
- **The District will monitor comp time and will pay out bi-annually any hours accumulated above 100 as per Board Policy [DEC](#).**
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Nonexempt employees that are paid on a salary basis are paid for the hours set by the normal work schedule. Hours worked beyond the normal schedule up to 40 hours will be compensated at a regular rate of pay (either by accrual of "comp" time, or actual additional pay, per the supervisor's discretion).

## **Travel Expense Reimbursement**

*Policy* [DEE](#)

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

Employees receiving a Travel Stipend will not be reimbursed for mileage for travel within the Region 13 Education Service Center boundaries. For more information, please see Section 5.02 of the [Business Services Procedure Manual](#).

## **Health, Dental, and Life Insurance**

*Policy* [CRD](#)

Group health insurance coverage is provided by Allegiance / Universal Benefits Consortium (UBC). The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Changes must be made within thirty (30) days of the qualifying life event. Documentation of the event is required. [Detailed descriptions](#) of insurance coverage, employee cost, and eligibility requirements are available for review by all employees on the Human Resources homepage and in [FFenroll](#) online. Employees should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-5000 x6092 for more information.

## **Supplemental Insurance Benefits**

*Policy* [CRD](#)

At their own expense, employees may enroll in [supplemental insurance programs](#) (e.g. dental, vision, cancer, accident, life, disability, etc). Premiums for these programs can be paid by payroll deduction. Employees should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-5000 x6092 for more information.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

## **Workers' Compensation Insurance**

*Policy* [CRE](#)

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from [TASB Risk Management](#), effective upon hiring.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See below for information on use of paid leave for such absences.

## **Unemployment Compensation Insurance**

*Policy* [CRF](#)

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Tracey Jennings in Human Resources at (512) 943-5013.

## **Teacher Retirement**

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in

TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify their supervisor as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. [TRS information](#) is also available on-line, including information on restrictions of employment of retirees in Texas public schools.

## **Other Benefit Programs**

**Employee Assistance Program (“EAP”):** All GISD employees and their qualifying family members may access the District’s “EAP” for immediate confidential assistance with work, health, and other life concerns. Additional helpful information can be found online under [Employee Assistance Program \(EAP\)](#) on our [Human Resources webpage](#).

**Employee Perks:** A wide array of employee discounts and special offers can be found at our [Employee Perks Directory](#) on the Human Resources webpage. Many of these perks are provided by the Georgetown business community and coordinated by the District’s Community Engagement and Communications Department ([communityrelations@georgetownisd.org](mailto:communityrelations@georgetownisd.org)). These perks have specified expiration dates and change often.

# Leaves and Absences

Policies [DEC](#), [DECA](#), [DECB](#)

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five (5) days, or intermittently more than an average of one day per month, should call Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-6092 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in full or half-day increments with the exception of hourly employees. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order in accordance with the qualifying circumstances for the absences:

- Local Sick Leave
- Old State Sick Leave
- State Personal Leave:

Employees must follow district and department/campus procedures to report or request any leave of absence, complete the appropriate application(s), provide medical certification if applicable, and record absences using district absence management software as directed. All employees must enter all absences in Skyward regardless of the need for a substitute. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

**Immediate Family.** For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee

- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy [DECA \(LEGAL\)](#).

**Medical Certification.** Any employee, who is absent more than five (5) days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under benefit rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

## Personal Leave

State law entitles all employees to five (5) days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time.

State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave (*see below*).

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave, and includes leave taken to perform extra-duty work for the District. Discretionary leave must be approved by the employee's principal or supervisor. An employee wishing to take discretionary personal leave must submit a request to his/her principal or supervisor at least forty-eight (48) hours in advance of the anticipated absence.

Discretionary use of state personal leave shall not exceed 3 consecutive work days or 10 work days per school year.

Due to the negative impact on students and to the operation of the district, the following discretionary leave for staff is strongly discouraged:

- Days stipulated on the school calendar/work calendar as professional development, staff development, or work days.
- Days scheduled for open house and other special events or initiatives.
- The first and last five (5) student days of the school year.
- The day immediately preceding or following a school holiday.
- Days scheduled for end-of-course or end-of-semester exams, and
- Days scheduled for state testing.

The effect of the employee's absence(s) on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor when approving or denying discretionary leave. Failure to receive approval prior to taking leave for discretionary absences may result in denial of request and subsequent loss of pay.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

## State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

## Local Leave

Employees earn five (5) local sick days per school year. These days are earned on a basis of  $\frac{1}{2}$  day per eighteen (18) days worked, up to a maximum of five (5) days.

Local sick leave may be taken for the illness of the employee or an immediate family member.

Local sick leave shall be used under the terms and conditions applicable to state sick leave accumulated prior to the 1995-1996 school year, except as otherwise provided by this policy.

Local sick leave may also be used for first-year care following the birth or adoption of an employee's son or daughter, or the placement of a child with the employee for foster care. Leave used shall be recorded in increments of whole and half days for professional employees and hourly for all other employees. Employees shall be charged leave as used even if a substitute is not employed.

Local sick leave may be accumulated up to a maximum of thirty (30) days. Employees who separate from the District surrender all accumulated local Georgetown ISD employee sick leave, even if later rehired by the District, unless they meet the qualifications described in the above paragraph on State Sick Leave.

## Catastrophic Leave

Policy [DEC Local](#)

Catastrophic illness or injury is a severe, prolonged, or life-threatening condition, or combination of conditions, affecting the mental or physical health of the employee or a member of the employee's immediate family (spouse, child, or parent) that requires the

services of a licensed practitioner for a prolonged period of time, and that forces the employee to exhaust all paid leave time and any applicable compensatory time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph. Bereavement shall not be covered.

The District has established a Catastrophic Leave Bank (also known as the Sick Leave Bank) that employees may join through a one-time contribution of two (2) days of their local leave balance. Membership in the Georgetown ISD Catastrophic Leave Bank is available only to full and part-time regular employees. Participating employees are eligible to apply for Catastrophic Leave. Should the Catastrophic Leave Bank be depleted, the District reserves the right to require employees to donate additional days to remain eligible to apply for catastrophic leave. Employees who resign from the District and later are rehired will be required to contribute two (2) days of their local sick leave if they choose to join the Catastrophic Leave Bank upon rehire.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request up to sixty (60) days of leave from the bank if the employee, or a member of the employee's immediate family (spouse, child or parent) experiences a catastrophic illness or injury and the employee has exhausted all paid leave. Employees will remain a member of the Catastrophic Leave Bank until they have exhausted all 60 days of Catastrophic Leave. This could happen over several incidents and years. Once the 60-days have been exhausted, the employee will no longer be a member of the Bank. However, the employee will have the opportunity to rejoin during the next open enrollment. If contributions fall below usage of the Catastrophic Leave Bank, the district has the right to reduce the number of days for which an employee can apply.

If the employee is unable to request leave from the Catastrophic Leave Bank, a member of the employee's family, or the employee's supervisor, may submit the request.

A committee made up of GISD employees shall confidentially consider applications in accordance with District policy and established Catastrophic Leave Bank procedures. The Human Resources Department will remove names from applications before review by the Committee to allow anonymous leave requests. HR will appoint Committee members on an annual basis. The Committee shall be representative of multiple departments and include employees who have relevant expertise and/or experience. All decisions regarding the Catastrophic Leave Bank may be appealed in accordance with [DGBA\(LOCAL\)](#), beginning with the Superintendent or designee.

Participating employees can visit the [Catastrophic Leave](#) page under the Human Resources Department to find the forms needed to request Catastrophic Leave.

## Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

### Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered service member's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

The definition of "spouses" for FMLA purposes includes same-sex married couples and common-law married couples. A common law marriage must have been validly entered into in a state that permits the formation of common law marriages. A valid common law marriage in Texas requires the couple to agree to be married, live together in Texas as husband and wife, and tell other people that they are married. All employees who request FMLA to care for a spouse will be required to provide reasonable documentation of their marriage. It is the employee's choice of what documentation to provide. Employees may provide a marriage license, court order, or a simple statement regarding the marriage.

Other family definitions include:

- **Child** – "Son or daughter" (for purposes of FMLA) means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and "incapable of self-care because of a mental or physical disability" at the time that FMLA leave is to commence.

- **Parent** – Means a biological, adoptive, step or foster mother or father, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter. The term does not include “parent-in-law”.

**Intermittent and Continuous Use of Leave.** An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule. However, employees may NOT take intermittent leave to bond with a child within the first year of the birth or placement; i.e. this type of FMLA leave must be taken in one continuous block of time (see also below under Intermittent Leave).

GISD requires the use of accrued paid leave while taking FMLA leave, and the employee must comply with the district’s normal paid leave policies.

### **Benefits and Protections**

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

### **Eligibility Requirements**

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee’s worksite.

### **Requesting Leave**

Generally, employees must give 30-days’ advance notice of the need for FMLA leave. If it is not possible to give 30-days’ notice, an employee must notify the employer as soon as possible and, generally, follow the employer’s usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

### **Employer Responsibilities**

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

### **Enforcement**

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

## **Local Procedures for Implementing Family and Medical Leave Provisions**

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an individual employee's first FML begins, which is often described as the "rolling" method of calculation.

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or

injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child.

In addition, the expectant mother is entitled to FMLA leave for incapacity due to pregnancy, for prenatal care, or for her own serious health condition following the birth of the child. The expectant mother is entitled to leave for incapacity due to pregnancy even though she does not receive treatment from a health-care provider during the absence and even if the absence does not last for more than three consecutive calendar days. A spouse is entitled to FMLA leave if needed to care for a pregnant spouse who is incapacitated, during her prenatal care, or following the birth of a child if the spouse has a serious health condition.

Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**Fitness for Duty.** An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

**Reinstatement.** An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see [DECA \(LEGAL\)](#)).

**Failure to Return.** If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a

continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

**District Contact.** Employees that require FML or have questions should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-6092 for details on eligibility, requirements, and limitations.

## **Temporary Disability Leave**

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule and runs concurrently with any other applicable leave. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, Benefits and Leaves Coordinator, Brooke Irwin, should be notified at least 30 days in advance by calling her at (512) 943-6092. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

## **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

An absence due to a work related injury or illness shall be designated as FML leave, temporary disability leave and/or assault leave as applicable.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury, and should be immediately reported to Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-6092.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person not responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries she or he sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation, the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Bereavement Leave**

*Policy [DEC](#)*

An employee shall be granted up to three days of bereavement leave upon the death of a member of the employee's immediate family, as defined in DEC(Local). Such leave shall be taken with no loss of pay or other paid leave and shall be noncumulative.

Bereavement leave is separate from and in addition to other forms of paid leave. Because of the necessary approval process, employees need to initially enter their own leave time (or unpaid “dock”, if you have no available paid leave). Once approved by Human Resources, up to three days of paid bereavement leave will be issued and the employee’s leave balance will be adjusted accordingly. For more information or to obtain a Bereavement Leave request form, please visit the [Benefits webpage](#) under the Human Resources Department.

## **Jury Duty**

*Policies [DEC](#), [DG](#)*

The district provides paid leave to employees who are summoned to jury duty, including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee’s attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual’s position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

## **Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid work-related subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Employees will also be paid while on leave to comply with a valid subpoena in relation to their former employment, but only for matters that require appearances in criminal proceedings.

Absences for court appearances related to an employee’s personal business shall be deducted from the employee’s local leave. When local leave is exhausted, these absences shall be deducted from the employee’s state leave or shall be taken by the employee as leave without pay.

## Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

## Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

## Military Leave

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional 7 days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-6092. In most cases, the length of federal military service cannot exceed five years.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Benefits and Leaves Coordinator, Brooke Irwin, at (512) 943-6092 for details on eligibility, requirements, and limitations.

# Employee Relations and Communications

## Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include an annual Recognition Ceremony to honor retirees, years of service, Teachers of the Year, and Employees of the Year.

## District Communications

Throughout the school year, the Community Engagement & Communications Department, campuses, and various other departments publish newsletters, brochures, fliers, calendars, news releases, and other communication materials, including electronic publications. These publications offer employees and the community information pertaining to school activities and achievements.

## Complaints and Grievances

[Policy DGBA](#)

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, District policy [DGBA \(LOCAL\)](#) describes the process of bringing concerns and complaints.

# Employee Conduct and Welfare

## Standards of Conduct

### [Policy DH](#)

All employees are expected to work together in a cooperative spirit to serve the best interests of the district and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Maintain confidentiality in all matters relating to students and coworkers.
- Report to work according to the assigned schedule.

- Express concerns, complaints, or criticism through appropriate channels.
- Observe all safety rules and regulations and report injuries or unsafe conditions to a supervisor immediately.

## **Discrimination, Harassment, and Retaliation**

*Policies [DH](#), [DIA](#)*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action **up to and including termination**.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

District policy [DIA \(LOCAL\)](#) includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation.

## **Harassment of Students**

*Policies [DH](#), [DHB](#), [FFG](#), [FFH](#), [FFI](#)*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse* and *Bullying* below for additional information.

District policies [DHB \(LEGAL\)](#), [FFH \(LOCAL\)](#), [FFH \(LEGAL\)](#) include definitions and procedures for reporting and investigating harassment of students.

## **Reporting Suspected Child Abuse**

Policies [DG](#), [FFG](#), [GRA](#)

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx>, or through the Georgetown Police Department, the Williamson County Sheriff's Department, or the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed on [the district's webpage for Counseling Services](#). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect.

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

## Reporting Crime

*Policy* [DG](#)

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## Scope and Sequence

Policy [DG](#)

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

## Miscellaneous Instructional Policies Teaching About Controversial Topics

Policy [EMB](#)

The District shall address controversial topics in an impartial and objective manner. Teachers shall not use the classroom to transmit personal beliefs regarding political or sectarian issues. Students and educators shall ensure that, to the extent possible, discussions are conducted fairly and courteously.

Publications that could be considered controversial should receive prior approval by the campus administration before posting. Items posted without prior approval are subject to removal.

## Technology Resources

Policy [CQ](#)

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district;
- Does not unduly burden the district's technology resources; and
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use in compliance with all laws, policies, and administrative guidance and regulations.

Employees are required to abide by the provisions of the acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of

privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact GISD's Technology Department and reference the [Technology Responsible Use Policy for Employees](#).

## **Personal Use of Electronic Communications**

Policy [CQ](#) & [DH](#)

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communication as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant

that they have access to information and images that, if transmitted to the public, could violate privacy concerns.

- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records [See [Policy FL](#)];
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law [See [DH \(EXHIBIT\)](#)];
  - Confidentiality of district records, including educator evaluations and private email addresses [See [Policy GBA](#)];
  - Copyright law [See [Policy CY](#)]; and
  - Prohibition against harming others by knowingly making false statements about a colleague or the school system [See [DH \(EXHIBIT\)](#)].

See *Electronic Communications between Employees, Students, and Parents* below for regulations on employee communication with students through electronic media. See the Social Media Guidelines in Appendix A.

## **Integrity, Availability, and Security of all Technology Resources**

The following technology acceptable use guidelines apply to district employees:

- Use technology resources, including district-issued accounts such as email, for purposes primarily related to your job duties in a way that does not disrupt the teaching, learning, or work of others. For example, do not store personal music files, pictures, or software/games in your home folder.
- Limit personal use of technology resources to purposes that do not impose a tangible cost on the district, do not unduly burden the network, and have no adverse effect on job performance or student academic performance. For example, do not continuously listen to or watch (stream) music, radio, news, or video from the Internet unless it is related to a learning activity.
- Do not use district technology resources to promote, market, or sell products or services, or to lobby.

- Do not intentionally modify computers or other equipment by attempting to install software, hacking, spreading viruses or malware, or making physical changes to or damaging technology equipment.
- Do not attempt to bypass Internet filters by using proxy sites, hacking, or any other means. Request unblocking of educationally appropriate Internet resources using established district procedures.
- Employees have the option to take home certain mobile devices, such as laptops that are issued to individuals, for professional use. If you take home a mobile device, you must have a home network connection which allows the device to receive software updates. Georgetown ISD is not responsible for any costs or technical support associated with connecting the device at home. If you take home a mobile device, you must also have insurance, such as homeowner's or renter's insurance, to cover the device if it is lost or stolen. You may be held financially responsible for the device if proven negligent.
- You may connect one personal mobile device at a time to the district's guest wireless network. However, do not connect other personally-owned equipment to district computers, to other wireless networks, or to the wired network without prior approval from the Technology Department.
- Immediately report problems or security violations, such as broken equipment or inappropriate technology or password use, to a supervisor or administrator.

## **Electronic Communications between Employees, Students, and Parents**

### [Policy DH](#)

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;

- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic communications with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, which are not provided or approved by the district, as well as accessible by the district, unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
  - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message.

- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of 9:00 p.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:
  - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See [Policies CPC](#) and [FL](#)]
  - Copyright law [[Policy CY](#)]

#### **Reporting Procedures**

##### **Student Report**

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The

Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

### **Employee Report**

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

### **Report Format**

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

### **Notice of Report**

When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.

### **Prohibited Conduct**

The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

### **Investigation of Report**

The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

### **Concluding the Investigation**

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.

## **Notice to Parents**

If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

## **District Action**

### **Bullying**

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.

### **Discipline**

A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

### **Corrective Action**

Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

### **Transfers**

The principal or designee shall refer to FDB for transfer provisions.

### **Counseling**

The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

### **Improper Conduct**

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.

### **Confidentiality**

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

### **Appeal**

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

### **Records Retention**

Retention of records shall be in accordance with CPC(LOCAL).

### **Access to Policy and Procedures**

This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

## **Hazing**

### *Policy* [FNCC](#)

Students must have prior approval from the principal or designee for any type of “initiation rites” of a school club or organization. While most initiation rites are permissible, engaging in or permitting “hazing” is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

### **Social Media Guidelines**

#### **DOs:**

- Use GISD email address to create/manage classroom accounts. Classroom accounts created to communicate with students and their families should be completely separate from personal accounts.
- Follow law, regulations, GISD Acceptable Use Guidelines, Board policy, Educators' Code of Ethics, HIPPA, FERPA, COPPA or copyright and legal guidelines.
- Student Access accounts list permissions granted by parents during the annual enrollment verification process. The DISTRICT definition includes use of
- "district/school/classroom social media sites," which provides consent for use if the parent has said YES for that choice. However, in the rare instance where a student may be identified by name (an award, for example), it is recommended that the teachers ask the parent for email consent.
- For teachers who use social media regularly as part of classroom routine, it is recommended that an early-year email inform parents about what social media platforms likely will be used and how they will be used. Teachers can reference the fact that the "District" definition includes social media use, but offer parents the opportunity to contact teachers with any concern.
- Revise content regularly/frequently.
- Be aware at all times that content is available in a public domain and represents the campus and Georgetown ISD. For instance, news media can use comments or images that are posted.
- Understand that, while not the norm, negative feedback or comments could be posted on the site.
- While social media language tends to be informal by its nature, proper grammar should still be used.
- Proof/edit all content before posting.
- Before posting any content that could be considered sensitive or related to any topic that could be considered sensitive, consult with the principal.
- Refer any media requests or comments stemming from a post to the Communications Department, and contact the Executive Director of Communications to provide information.
- Control your privacy settings and keep up with changes that various platforms may make to settings.
- Show off the great things happening in GISD classrooms!
- Post content that shows good moral character.

#### **DON'Ts:**

- Don't share login information or access to accounts with parents or students.
- Don't use social media to tell stories that don't reflect well on you or your profession. This isn't the place to complain about students, administrators or long hours worked; complaints should be handled through formal channels.
- Don't say anything on your social media profile that you wouldn't say in class or in front of parents.
- Think twice before connecting with parents on social media. Georgetown is still a small community.
- Even if accounts are separate, be aware that anything posted to personal accounts reflects on you as a professional and indirectly on your school and the district. (Google yourself to see what turns up.)
- Be careful when engaging in comments on social media as a representative of the District (GISD employee.)
- Don't post student photos or names on any personal or professional profile postings without parental consent.
- Don't use district logos on personal social media profiles or imply that a personal account is related to the district.
- Don't accept student "friend" requests on your personal social media accounts.
- Don't engage in or post about inappropriate social, sexual, romantic, harassing, threatening or abusive content related to a student, or other persons including coworkers, Board members, vendors, contractors, volunteers and parents.
- Don't violate professional standards for public conduct including violations of state or federal law, District policy, or the Educators' Code of Ethics.
- Don't post content that may interfere with your ability to effectively perform your job duties, is disruptive, or impairs professional working relationships.
- Don't post content that is discriminatory or retaliatory toward a student, parent, employee or trustee.
- Don't misrepresent facts or make false statements or claims against Georgetown ISD or any campus, employee, parent, student or trustee.
- Don't post confidential student information or content that adversely affects student learning, mental health, or safety
