

AP Human Geography: 2024 Summer Reading Assignment

Due August 23, 2024

1. **Purchase the latest edition of the following book (Student Edition Softcover) - Advanced Placement Human Geography, 2nd Edition** from AMSCO Publications (Perfection Learning).
This book is essential for passing the course and the national exam!
2. **Read & annotate** the first two chapters of the text:
Chapter 1 – Maps and Geographic Data
Chapter 2 – Spatial Concepts and Geographic Analysis

3. **Written assignment**

Write a 500 word essay responding to the essential questions below. The assignment needs to be double spaced, twelve-point font, Times New Roman. There is no need to print your essay as I will have a folder for submission in Schoology.

How does the way geographers look at the world differ from that of other scientists?

What tools and techniques do geographers use to analyze the world? In your opinion what is the single greatest tool geographers have?

If you have questions feel free to email me at matthewh1@wcs.edu. I look forward to meeting you all in August!

Thanks!
Mr. Hoek
