- Fresno Unified is recognizing and celebrating National Hispanic Heritage Month from September 15 through October 15, 2022. National Hispanic Heritage Month is an opportunity for all to recognize the contributions made by Hispanic and Latinx Americans and to celebrate their heritage and culture. You'll see schools and classrooms celebrating and learning across our district, and we're also excited to see several of our district departments partnering to bring some exciting special guests directly to our students this month! Julissa Arce, best-selling author of *My Underground American Dream*, is paying a visit to Roosevelt! Julissa was named one of People en Espanol's 25 Most Powerful Women of 2017 and 2019 Woman of the Year by the City of Los Angeles. Also visiting Birney and Calwa Elementaries is celebrated local artist and entrepreneur, Chalome Gonzalez, illustrator of *The Elote Man Goes to College* – a book created with her sister Maia Gonzalez. We recognize that when our young students get exposed to young, positive, successful role models that look like and speak like them, the impact is profound!
- As a district, we also recognize September as National Suicide Prevention Awareness Month. Suicide Prevention is promoted through student education in grades K-12, professional learning to all staff, and resources available for families. In 2022 the National Suicide Prevention Hotline was established as its own 3-digit number. By dialing 988, you can be connected to resources for yourself or a friend who is experiencing a mental health crisis or needing immediate support due to suicidal ideation or behavior. Please join us in spreading the word about this great resource! For more information regarding resources and support, visit the Social Emotional Wellness and Supports webpage under the Parent or Student tabs on fresnounified.org.
- Friday, September 30, our teams are participating in Orange Shirt Day. This day was designed to commemorate the experiences of Native Americans who were forced to attend schools known as "residential schools". Residential schools were established in the United States from the mid-1600s to the early 1900s with the objective of "civilizing" or assimilating Native American children and youth into European-American culture. In the process, these schools degraded Native American culture and made children give up their languages and religion. On this day we honor the healing journey of the survivors and their families and commit to the ongoing process of reconciliation. We acknowledge and stand with the experiences of the Native and Indigenous peoples on which our school district stands.

Another round of Pandemic EBT cards is coming soon so get that information updated ASAP! Parents, you can update your information online through the ATLAS Parent Portal or contact your school directly.

To the fullest extent allowed by law, the Contractor shall defend, indemnify and hold District, its agents, employees, Board of Trustees, members of the Board of Trustees, officials, officers, volunteers, and representatives ("Indemnities") free and harmless from any and all claims, demands, negligence (including the active or passive negligence of Indemnities, regardless of whether sole or otherwise, as allowed by law), causes of action, costs, expenses, liabilities, losses, damages or injuries, fines, penalties in law or equity, regardless of whether the allegations are false, fraudulent, or groundless, to property or persons, including wrongful death, (collectively "Loss") to the extent arising out of or incident to: 1) the performance or breach of any of the terms and conditions of the contract (including but not limited to) the Contractor's use of the site; or 2) any acts, omissions, negligence, in connection with the performance of Services or otherwise arising from this Contract ("Indemnification"); or 3) the willful misconduct of the Contractor or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees. b. The Contractor shall pay and satisfy any judgment, award or decree that may be rendered against any of the Indemnities, in any such suit, action or other legal proceeding. The Contractor shall reimburse Indemnities, and each of them, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

c. Acceptance of insurance certificates and endorsements required under the contract does not relieve the Contractor from liability under this indemnification and hold harmless clause. The requirements of this Section (Indemnification and Hold Harmless) shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

16. Insurance. Without limiting "Contractor" indemnification, it is agreed that "Contractor" shall secure and maintain in force during the term of this Agreement a **Commercial General Liability** policy (Contractual liability included) utilizing an occurrence policy form, with limits of not less than two million (\$2,000,000) dollars per occurrence, four million (\$4,000,000) annual aggregate limit. **Business automobile Liability** Insurance shall be maintained for owned, scheduled, non-owned or hired automobiles with a combined single limit not less than two million (\$2,000,000) dollars per occurrence. The limits of coverage for the **abuse and molestation policy** shall be not less than \$2,000,000 per claim and \$4,000,000 aggregate. If any of the required policies provide coverage on a claims-made basis then the following shall apply; 1) The retroactive date must be shown, and must be before the date of the contractor the beginning of contract work; 2) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work; (3) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work. Self-insured retentions must be declared to and approved by District. The District may require "Contractor" to provide proof of ability to pay losses and related investigations, claims administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the District.

The District shall be named as an additional insured on the policies by separate endorsement. A Certificate of Insurance and endorsements shall be attached to this Agreement as proof of insurance. The "Contractor" policy shall provide that it is primary such that insurance maintained by the District, if any, shall be excess and not co-primary.

17. Independent Contractor Status. While engaged in carrying out the terms and conditions of the contract, the Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of the District.

Contractor will not begin work on the Project site until obtaining a DOJ cleared status through the DISTRICT. Board Meeting Date: October 12, 2022

AGENDA ITEM A-10

AGENDA SECTION: A

(A – Consent, B – Discussion, C – Receive, Recognize/Present)

ACTION REQUESTED: Approve

(Adopt, Approve, Discuss, Receive, etc.)

TITLE AND SUBJECT: Approve Appointment of Fresno Unified School District Representatives to the State Center Adult Education Consortium Executive Board

ITEM DESCRIPTION: Included in the Board binders is an approval document that names Rodney Branch, Principal IV, and Teresa Zamora, Vice Principal, as Fresno Unified School District representatives to the State Center Adult Education Consortium (SCAEC) Executive Board.

On June 24, 2015, Governor Jerry Brown signed Assembly Bill 104 into law. As a condition of receiving California Adult Education Program (CAEP) funding through the California Community College Chancellor's Office and the California Department of Education, funds are provided to consortia for the purpose of implementing regional plans for adult education. The intent of CAEP is to expand and improve the provision of adult education via the consortia.

The accompanying trailer bill, AB 104, includes language that identifies the program areas of adult education that can be funded through this allocation and the necessary decision-making structure. Section 84905(c) states that a member of the consortium shall be represented only by an official designated by the governing board of the member; and section 84905(d)(1) describes the decision-making procedures including a requirement that all members of the consortium shall participate in any decision made by the consortium, Section 84905(d)(1)(A).

An official member representative and alternate are necessary to ensure that Fresno Unified has a full voice in the decision-making process in the SCAEC, including the disbursement of consortium funds to provide adult education courses and student support services authorized by AB104, Section 84913. As per CAEP, members are to have the authority to make decisions and cannot hold up Board business by having to report back to their district for others to make the decision.

FINANCIAL SUMMARY: Sufficient funds in the estimated amount of \$5,973,542 are available in the 2022/23 Fresno Adult School CAEP allocation.

Fresno Adult School

To: Board of Trustees	Date: October 12, 2022
Subject: Approval of Rodney Branch to serve as the official Fresno Unified School District <u>Representative</u> on the State Center Adult Education Consortium Executive Board.	
Approval of Teresa Zamora to serve as the official Fresno Unified School District <u>Alternate</u> on the State Center Adult Education Consortium Executive Board.	
Action: Request for Approval	

BACKGROUND

On June 24, 2015, Governor Jerry Brown signed AB104 into law. The 2015-2016 State Budget appropriated \$500 million to the California Community College Chancellor's Office (CCCCO) and the California Department of Education to allocate funding for adult education. The funds are provided to consortia for the purpose of implementing regional plans for adult education. The intent of the California Adult Education Program (CAEP) is to expand and improve the provision of adult education via the consortia. Each consortium is defined by the boundaries of a community college district.

The accompanying trailer bill, AB 104, includes language that identifies the program areas of adult education that can be funded through this allocation and the necessary decision-making structure. Specifically, AB104, Article 9, Section 84905(a) authorizes a community college district, school district, county office of education, or any joint powers authority to join the local adult education consortium as a member; Section 84905(c) states that a member of the consortium shall be represented only by an official designated by the governing board of the member; and Section 84905(d)(1) describes the decision making procedures including a requirement that all members of the consortium shall participate in any decision made by the consortium, Section 84905(d)(1)(A).

ANALYSIS

An official member representative and alternate are necessary to ensure that the **district** has a full voice in the decision-making process in the State Center Adult Education Consortium (SCAEC), including the disbursement of consortium funds to provide adult education courses and student support services authorized by AB104, Section 84913. As per CAEP, members are to have the authority to make decisions and cannot hold up Board business by having to take thing back to their district for others to make the decision. If that member does not have decision-making authority, then that governing agent needs to appoint someone to the SCAEC Board that does have that authority.

RECOMMENDATION

It is recommended that the Board of Trustees approve **Rodney Branch** to continue to serve as the official **Fresno Unified School District Representative** and **Teresa Zamora** to continue to serve as the official **Fresno Unified School District Alternate** on the State Center Adult Education Consortium Executive Board until the **Fresno Unified School District** Board of Trustees chooses other persons to serve in their place.

Location: Wolters Elementary School

**NOTICE OF GOVERNMENT CODE CLAIM AGAINST FRESNO UNIFIED SCHOOL
DISTRICT (Code of Civil Procedure, section 910 et seq.)**

To Whom It May Concern:

YOU ARE HEREBY NOTIFIED that Claimant, *MINOR* ("Claimant"), by and through *MINOR* guardian ad litem, *MINOR* intends to commence a legal action/claim against you.

1. The Claimant's date of birth is *MINOR*.
2. Claimant's post office address is *MINOR*.
3. Notices concerning the claim should be sent to Claimant's attorneys of record, Mark A. Vogt, Esq., at FOWLER | HELSEL | VOGT located at 1705 L Street, Fresno, California 93721.

The date, time, and legal basis for the claim is that in or around September of 2019, Claimant was systematically and repeatedly sexually fondled and molested by *MINOR* first-grade teacher at Wolters Elementary School, William Duprey. Beginning almost immediately in the Fall 2019 school year, Mr. Duprey had engaged in conduct in which he isolated Claimant from *MINOR* peers at recess and lunch and instructed Claimant to remain in his classroom. During that time, Mr. Duprey placed his hands up Claimant's shirt and down *MINOR* pants, touching and stroking *MINOR* genitals. Mr. Duprey referred to these encounters as "rubbing *MINOR* lamp" so that a genie would be "pleased" and come out. During the sexual assaults, Mr. Duprey drew a picture of a genie coming out of a lamp which resembled a striking resemblance to the character in Disney's Aladdin movie. The conduct lasted well over a month before Claimant's inability to control *MINOR* bowels at school prompted *MINOR* mother to investigate and ask questions. The facts outlined above were set forth and a police report filed.

Claimant was thereafter forced to remain a student of Mr. Duprey's on independent study while "an investigation" was allegedly undertaken. Mr. Duprey was reinstated, and Claimant was then forced to transfer schools. Subsequently, Mr. Duprey was arrested for a second round of sexual molestation of one of his students while employed at Wolters Elementary School. Claimant's family was contacted after the arrest to further discuss their claims. Claimant has set forth the identical story told to Wolters Elementary Personnel and the Fresno Police Department in 2019.

The sexual assault incidents occurred while on campus at Wolters Elementary School located at 5174 N. First Street, Fresno, California 93710.

The sexual assaults caused Claimant to suffer severe emotional distress, mental suffering, humiliation, physical pain, and suffering as a result of the grooming and repeated sexual assaults from Mr. Duprey while employed at Wolters Elementary School. Fresno Unified knew or should have known about the conduct of Mr. Duprey and yet, remained steadfast in their support of Mr. Duprey by retaining him as a teacher which then allowed him to sexually assault another child. Claimant demonstrated erratic behavior and the loss of control of ^{his} bowels while continuously being assaulted in the classroom. Fresno Unified personnel did not take Claimant's allegations seriously and failed to discipline and/or remove Mr. Duprey from the classroom. Rather, Fresno Unified allowed Mr. Duprey to remain Claimant's teacher and placed ^{him} on independent study as a means of "dealing" with the situation and allegations.

Fresno Unified School District is negligent in the hiring, training, and supervision of Mr. Duprey and responsible for the sexual assaults by him on Claimant.

The extent of Claimant's damages is not fully known but will be in an amount according to proof and will exceed \$10,000.

Claimant does not know the address of the FUSD employees who may have witnessed the actions and/or were involved in the investigation or hiring decisions of Mr. Duprey. Claimant had previously sought therapy at Fresno County Behavior Health Center and is currently in therapy with a private practitioner.

This notice is based on the facts presently known. There may be other or additional injuries, damages, and expenses still to be ascertained, which will be included in the following complaint.

Very truly yours,

FOWLER | HELSEL | VOGT

TITLE AND SUBJECT: Ratify Agreement with Adventure Education Solutions Inc.

ITEM DESCRIPTION: Included in the Board binders is an agreement with Adventure Education Solutions Inc. (AES). AES provides outdoor experiences that bring students together in meaningful ways to build positive relationships, develop leadership skills, and promote teamwork.

Every year students in the Men's and Women's Alliance and Peer Mentoring Programs engage in an outdoor teambuilding experience. Last year during the bundle contract window, Prevention and Intervention was informed the vendor they were utilizing increased their rate from \$50 to \$150 per student. After exploring alternative options, AES was selected as a more viable option as it fits within the budget parameters and includes a college campus tour and a show at the Downing Planetarium giving our students new experiences.

AES will provide 19 days of recreational programming for eight hours per day at California State University Fresno, for approximately 1,500 students (80 students each day). Students will participate in the high ropes course, a show at the Downing Planetarium, a campus tour, bowling, and other teambuilding activities. The vendor had limited availability and could only serve our students within a short window starting in September. To ensure students did not miss this opportunity, the contract requires the Board to ratify the agreement.

FINANCIAL SUMMARY: Sufficient funds in the amount of \$85,656 are available in the Department of Prevention and Intervention budget.

b. The Contractor shall pay and satisfy any judgment, award or decree that may be rendered against any of the Indemnities, in any such suit, action or other legal proceeding. The Contractor shall reimburse Indemnities, and each of them, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

c. Acceptance of insurance certificates and endorsements required under the contract does not relieve the Contractor from liability under this indemnification and hold harmless clause. The requirements of this Section (Indemnification and Hold Harmless) shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

16. **Insurance.** Without limiting "Contractor" indemnification, it is agreed that "Contractor" shall secure and maintain in force during the term of this Agreement a **Commercial General Liability** policy (Contractual liability included) utilizing an occurrence policy form, with limits of not less than two million (\$2,000,000) dollars per occurrence, four million (\$4,000,000) annual aggregate limit. **Business automobile Liability** Insurance shall be maintained for owned, scheduled, non-owned or hired automobiles with a combined single limit not less than two million (\$2,000,000) dollars per occurrence. In the event "Contractor" is working with students individually or providing professional services to students, "Contractor" shall maintain a policy providing coverage for sexual molestation and/or abuse claims. In the event that "Contractor's" Commercial General liability policy excludes coverage for sexual molestation and/or abuse claims shall be required to procure a separate or supplemental policy providing such coverage. The limits of coverage for the **abuse and molestation** policy shall be not less than \$2,000,000 per claim and \$4,000,000 aggregate. If any of the required policies provide coverage on a claims-made basis then the following shall apply; 1) The retroactive date must be shown, and must be before the date of the contract or the beginning of contract work; 2) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work; (3) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work. Self-insured retentions must be declared to and approved by District. The District may require "Contractor" to provide proof of ability to pay losses and related investigations, claims administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the District.

The District shall be named as an additional insured on the policies by separate endorsement. A Certificate of Insurance and endorsements shall be **attached to this Agreement as proof of insurance.** The "Contractor" policy shall provide that it is primary such that insurance maintained by the District, if any, shall be excess and not co-primary.

Contractor will not begin work on the Project site until obtaining a DOJ cleared status through the DISTRICT. Contractor further acknowledges that other fingerprinting requirements may apply, as set forth in Education Code Section 45125 et seq., and will comply with any such requirements, including having Consultant certify that none of these employees and/or affiliated constituent(s) will have been convicted of a felony as defined in Education Code section 45122.1. TITLE AND SUBJECT: PRESENT and DISCUSS FM3 Parent/Guardian Survey

ITEM DESCRIPTION: Staff will present to the Board of Education the results of a parent/guardian survey gathering district communications satisfaction, preferences, and more. This survey was conducted to be representative of our parent/guardian population and has a margin of error at $\pm 4.0\%$ at the 95% confidence level. Parent/guardians were randomly selected to complete the survey through a live telephone interview OR an online interview. Invitations were made via phone calls, email invitations, or text invitations. The survey was provided and completed in English, Spanish, and Hmong and the survey was secure to ensure only current parents could participate and each participant could only submit one response. The survey was conducted from June 15 – July 3, 2022, and 733 total interviews were completed.

The survey and analysis were conducted by FM3 Research, who has also conducted our bond measure research in the past. Staff will present key findings including areas of celebration, areas of opportunity, and important preferences in reaching our parent/guardian population. A few interesting findings that will be discussed include:

- Nearly two-thirds of parents/guardians give Fresno Unified a positive overall job rating, and more than 8 in 10 are satisfied with the communication they receive from Fresno Unified,
- Parents/guardians of English Learners tend to have even higher rates of positive responses regarding Fresno Unified and its communications,
- Over half of respondents feel they have opportunities to give their input and that it is valued, while nearly one-third do not,
- Regardless of demographics, text messages, emails and automated phone calls top the list of ways for Fresno Unified to best communicate with parents/guardians.

FINANCIAL SUMMARY: There is no fiscal impact to the district at this time.

Text messages, email, and automated calls, top the list of ways for Fresno USD to communicate—and with nearly every subgroup.

Please tell me if (each) would be an excellent, good, only fair, or poor way for the District to provide information to you.

Second tier preferences for providing information include the District's e-newsletter, Facebook page, and board meetings.

Other forms of social media are less preferred.

Texts, emails, and automated calls are top communication sources with nearly all subgroups

- Text messages; email; and automated phone calls, known as School Messenger are the top sources of communication with virtually all subgroups analyzed. These sources are generally followed by flyers, postcards, and letters mailed to your home; the Fresno Unified website; and a smartphone app. Below are the top overall sources by Latino respondents, English learners, and those who say they are dissatisfied with District communication or receive too little communication.

Familiarity with District Communication Sources

There is fairly high awareness of the District’s summer camps and early education/Kindergarten registration info, but more modest awareness of the Friday Messages, Community Roundtable discussions, and Faces of Fresno videos.

Those who believe they receive too little communication are less likely to have heard of each item.

(Yes)

The Faces of Fresno Unified videos	24%	17%	36%	26%

Information of Interest

Large proportions of respondents are interested in nearly all topics tested; supporting child learning and safety efforts top the list.

Less than half of parents are “very interested” in second-tier topics such as opportunities to give input in person, school construction, and diversity/equity/inclusion efforts.

Subgroup findings regarding topics of interest

- While there is some variation in the proportion saying they are “very interested” in each topic, the subgroups analyzed generally rank them the same.
- Latino parents are more likely to be very interested in nearly every topic—although, again, the topics are similarly ranked by white and Latino parents.
- English Learners are “very interested” in dual-language programs in higher numbers than other respondents (64% to 35%) and generally more interested in each program. However, they respond less to technology support.
- Across demographic factors, *Efforts to improve the safety of Fresno Unified schools; Ways to support your child’s learning; City, County, State education programs your child could qualify for; and Technology support for student devices, such as laptops* are generally the top four items tested based on the “very interested” proportion, reflecting their general and wide-ranging impact compared to some other items.

Conclusions

Conclusions

- Fresno Unified is generally well-regarded by parents and guardians—and especially so among those who only speak Spanish at home and parents of English learners.
- Eight in 10 parents/guardians are satisfied with Fresno Unified communications, including similar proportions of all subgroups analyzed.
- Most believe the amount of communication they receive is “about right.” Just 2 in 10 say they receive “too little” communication.
- Three-fourths or more respondents find communication understandable, trustworthy, timely, accurate, and open and transparent—again including high proportions of all subgroups.
- While over half believe they have sufficient opportunities to give their input and feel it is valued, about 3 in 10 do not feel this way, with the remainder uncertain. Notably, those who speak Spanish only at home and parents of English Learners are more positive than the other respondents in this regard.

Conclusions; Continued

- Local news and social media are where respondents turn most for information about their community.
- While nearly 2 in 3 tune in to ABC 30 “frequently” or “sometimes,” about half watch KMPH Fox 25 or KSEE 24. Univision and Telemundo are popular among Spanish-speaking households.
- Respondents tune into radio less often, but the highest numbers listen to Q 97.1, B 95, and Mega 97.9 at least “sometimes.” Nearly half of those who speak Spanish at home listen to La Buena.
- Automated calls, emails, texts, and other e-communications are the best ways to communicate with most Fresno Unified parents—with approximately 8 in 10 saying these are “excellent” or “good” ways to reach them. However, between 57% and 64% also give this response regarding flyers, postcards, or letters mailed to their homes; the Fresno Unified website; smartphone apps; and PeachJar.

Conclusions; Continued

- There is modest familiarity with the Superintendent's Friday Messages and even less so about the Roundtable discussions and Faces of Fresno Unified Videos.
- Respondents are most interested in information to support their child's learning and about efforts to improve the safety of schools. Overall, a wide range of communications topics is of interest to many parents, however the intensity of that interest varies significantly.
