MINUTES - BOARD OF EDUCATION SPECIAL MEETING

Fresno, California

August 03, 2021

Fresno Unified School District, Education Center, 2309 Tulare Street, Fresno, CA 93721.

At a Special Meeting of the Board of Education of Fresno Unified School District, held on August 03, 2021, there were present Board Members Cazares, Islas, Jonasson Rosas, Major Slatic, Thomas, and Board President Davis. Superintendent Dr. Nelson was also present. Trustee Area 5 is vacant.

Board President Davis CONVENED the Special Board Meeting at 5:05 p.m.

DISCUSS Options and DESIGNATE the Method for Filling the Board of Education's Trustee Area 5 Vacancy

As a result of Carol Mills' death on July 21, 2021, a vacancy exists on the Board of Education for Trustee Area 5. In addition to discussing the options specified in Ed. Code § 5091 and Board Bylaw 9223 of either a provisional appointment or an election order to fill the Trustee Area 5 vacancy, the Board will designate whether to fill the vacancy using the provisional appointment method or that of ordering an election.

Opportunity for Public Comment

For the record, the Board received three submissions of public comment for this agenda. The names of the individuals with a summary of topic are as follows:

Andrew Fabela: Requested an election be held to fill Trustee Area 5 vacancy.

Eric Rollins: Requested an election be held to fill Trustee Area 5 vacancy.

Michele Asadoorian: Requested an election be held to fill Trustee Area 5 vacancy.

For the record, Legal Counsel Mary Beth de Goede provided a process overview of filling a vacant seat on the Board of Education. Ms. De Goede walked the Board through Education Code and Board Bylaw requirements pertaining to making a provisional appointment or in lieu of a provisional appointment, calling for an election.

For the record, Board Members had questions/comments. A summary is as follows: Requested clarity as to Fresno County statutory requirements. Requested clarity as to next steps if appointment process is completed and no appointment is made. Requested clarity as to age requirement, citizenship, and what constitutes a disqualification of an applicant. Requested clarity as to election code provisions pertaining to authenticity of

signatures. Requested clarity as to cost difference between a provisional appointment and a special election. Requested clarity as to how many petition signatures would be needed to challenge an appointment. Requested clarity as to the interview process for a provisional appointment. Requested clarity as to if the quorum has changed since there is a vacant seat. Requested clarity as to when the 30 days will begin in order to petition for a special election. Shared concern if provisional appointment is not made and seat is left vacant, trustee area 5 will be left with no board member until an election is held. HEAR Report from Superintendent

- Shared tomorrow is officially our first day back to school and just like every year, I know so many of us are feeling those first-day jitters! Especially after the past year and a half of uncertainty and with all the politicization of returning to school in-person, I know it's easy to feel overwhelmed. Here's my advice to all of us here tonight and to the entirety of our Fresno Unified Family – let's focus on our kids coming back to school safely, responsibly, and happily. Let's leave the controversy and politicization out and keep focused on our mission – to cultivate and nurture the interests, intellect, and leadership of our students by providing an excellent, equitable education in a culturally proficient environment. If we focus there, we will be successful in moving forward together and achieving our greatest potential.
- Shared that many of you heard the Governor announce today the requirement that all staff need to provide proof of vaccination or be tested for COVID-19 on at least a once weekly basis. Our teams are already working on how to implement this mandate successfully before the required deadline of October 15, 2021. As with all mandates that have come our way, like indoor mask-wearing, we will work to successfully implement as required, but we will not be distracted from our core mission in serving our students.
- Shared we are excited to welcome our students back tomorrow and kick this school year off with enthusiasm, support, and love. Safety guidelines are in place to protect our students and staff, social emotional supports have been increased for our students, and activities, sports and clubs are back. Our teachers are ready and supported to meet our students where they are, build those crucial relationships, and help each student to progress in their academic journey. School sites and our Parent University stand at the ready to support parents and answer your questions. Tomorrow, as busses get rolling and parents start their normal drop-off routines again, we ask that everyone be extra vigilant while driving around our schools to keep our students and families safe. If you're looking for our current safety guidelines, bus routes, and bell schedules please head to our website and to your school's website for more information.
- Dedicated the rest of his remarks to remembering and honoring our dear colleague and friend, Trustee Carol Mills. I first met Carol back in 2001, when I served as her son's vice principal at Powers-Ginsburg Elementary. While serving as a parent, she advocated for not only what was best for her son, but also for all the young people in her circle. She was relentless in her pursuit of trying to make the district the best that it could possibly be, Carol served as a tireless advocate for our city's kids, having spent her last 17 years as a Trustee of the district. First elected in 2004, Carol was the champion of any initiative that directly benefited students, including supporting every child with the opportunity to participate with programs such as the International Baccalaureate program or Career Technical Education, as well as expanding our students' access to arts, athletics, and engagement activities. She advocated tirelessly for having after-school opportunities available to every child and family -- a dream that will be realized in 2021. For the last several

months, Carol fought a valiant battle against Lou Gehrig's disease. True to her nature, she continued to serve as an advocate and role model, this time in the role of ableism. She advocated for her own rights, as well as the rights of others with exceptionality until her last breath. Her digitized graduation speech at the 2020 commencement for Fresno High was the very epitome of the concept of "finishing well." Our community has been made better through her commitment to serving others. We stand in her debt, and she will be missed.

Subject: Variable Term Waiver for Career Technical Education Credential

Hi,

In response to individuals on the audit who hold Preliminary CTE Credentials:

CTC has stated that Preliminary Career Technical Education (CTE) Credential holders should be issued a Variable Term Waiver for the English Learner Authorization until the CTE program is completed. The English Learner classes are embedded in the CTE program. Individuals will not have the English Learner authorization stated on their credential document until the CTE program is completed and the clear credential is issued.

It was also stated by CTC that Emergency CLAD Permits should not be issued for individuals with Preliminary CTE Credentials. These individuals will not be enrolling in a CTEL program to complete course work or taking the CTEL exam. Most individuals with CTE Credentials do not hold a Bachelor's Degree and/or CBEST which are the requirements to qualify for the Emergency CLAD Permit.

AGENDA SECTION: A

(A – Consent, B – Discussion, C – Receive, Recognize/Present)

ACTION REQUESTED: Approve

(Adopt, Approve, Discuss, Receive, etc.)

TITLE AND SUBJECT: Approve Representatives to the State Center Adult Education Consortium Executive Board

ITEM DESCRIPTION: Included in the Board binders is an approval document that names Gary Schlueter, Vice Principal, and Keda Buttles, Vice Principal, as Fresno Unified School District representatives to the State Center Adult Education Consortium (SCAEC) Executive Board.

On June 24, 2015, Governor Jerry Brown signed Assembly Bill 104 into law. As a condition of receiving California Adult Education Program (CAEP) funding through the California Community College Chancellor's Office and the California Department of Education, funds are provided to consortia for the purpose of implementing regional plans for adult education. The intent of CAEP is to expand and improve the provision of adult education via the consortia.

The accompanying trailer Bill, AB 104, includes language that identifies the program areas of adult education that can be funded through this allocation and the necessary decision-making structure. Section 84905(c) states that a member of the consortium shall be represented only by an official designated by the governing board of the member; and section 84905(d)(1) describes the decision making procedures including a requirement that all members of the consortium shall participate in any decision made by the consortium, Section 84905(d)(1)(A).

An official member representative and alternate are necessary to ensure that Fresno Unified has a full voice in the decision-making process in the SCAEC, including the disbursement of consortium funds to provide adult education courses and student support services authorized by AB104, Section 84913. As per CAEP, members are to have the authority to make decisions and cannot hold up Board business by having to take things back to their district for others to make the decision.

To: Board of Trustees

Date: **August 25, 2021**

Subject: Approval of **Gary Schlueter** to serve as the official **Fresno Unified School District Representative** on the State Center Adult Education Consortium Executive Board.

Approval of **Keda Buttles** to serve as the official **Fresno Unified School District Alternate** on the State Center Adult Education Consortium Executive Board.

Action: Request for Approval

BACKGROUND

On June 24, 2015 Governor Jerry Brown signed AB104 into law. The 2015-2016 State Budget appropriated \$500 million to the California Community College Chancellor's Office (CCCCO) and the California Department of Education to allocate funding for adult education. The funds are provided to consortia for the purpose of implementing regional plans for adult education. The intent of the California Adult Education Program (CAEP) is to expand and improve the provision of adult education via the consortia. Each consortium is defined by the boundaries of a community college district.

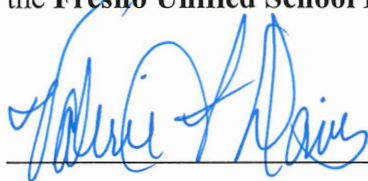

The accompanying trailer bill, AB 104, includes language that identifies the program areas of adult education that can be funded through this allocation and the necessary decision making structure. Specifically, AB104, Article 9, Section 84905(a) authorizes a community college district, school district, county office of education, or any joint powers authority to join the local adult education consortium as a member; Section 84905(c) states that a member of the consortium shall be represented only by an official designated by the governing board of the member; and Section 84905(d)(1) describes the decision making procedures including a requirement that all members of the consortium shall participate in any decision made by the consortium, Section 84905(d)(1)(A).

ANALYSIS

An official member representative and alternate are necessary to ensure that the **District** has a full voice in the decision making process in the State Center Adult Education Consortium, including the disbursement of consortium funds to provide adult education courses and student support services authorized by AB104, Section 84913. As per CAEP, members are to have the authority to make decisions and cannot hold up Board business by having to take thing back to their district for others to make the decision. If that member does not have decision-making authority, then that governing agent needs to appoint someone to the SCAEC Board that does have that authority.

b. The Contractor shall pay and satisfy any judgment, award or decree that may be rendered against any of the Indemnitees, in any such suit, action or other legal proceeding. The Contractor shall reimburse Indemnitees, and each of them, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided.

c. Acceptance of insurance certificates and endorsements required under the contract does not relieve the Contractor from liability under this indemnification and hold harmless clause. The requirements of this Section (Indemnification and Hold Harmless) shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

16. Insurance. The limits of coverage for the abuse and molestation policy shall be not less than \$1,000,000 per claim and \$3,000,000 aggregate. If any of the required policies provide coverage on a claims-made basis then the following shall apply; 1) The retroactive date must be shown, and must be before the date of the contract or the beginning of contract work; 2) Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract work; (3) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work. Self-insured retentions must be declared to and approved by District. The District may require "Contractor" to provide proof of ability to pay losses and related investigations, claims administration and defense expenses within the retention. The policy shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the District.

The District shall be named as an additional insured on the policies by separate endorsement. A Certificate of Insurance and endorsements shall be attached to the Agreement as proof of insurance. The "Contractor" policy shall provide that it is primary such that insurance maintained by the District, if any, shall be excess and not co-primary. "Contractor" shall produce the policy for District, upon request.

17. Independent Contractor Status. While engaged in carrying out the terms and conditions of the contract, the Contractor is an independent contractor, and not an officer, employee, agent, partner, or joint venture of the District.

Consortium Member Allocation
Memorandum of Understanding with State Center Community College District and
Fresno Unified School District
for Distribution of Funds and Required Information for State Reporting

This Memorandum of Understanding is entered into between State Center Community College District, hereinafter referred to as "State Center" or "Fiscal Agent", and Fresno Unified School District, hereinafter referred to as "Member District". This agreement will commence on July 1, 2021 and conclude on June 30, 2022. The purpose of this agreement is to establish the responsibilities of both parties in serving the Consortium.

Basis & Terms: Member District will receive their approved allocation in the sum of no more than \$5,606,096.00. The Adult Education Program (CAEP) funding will be released by State Center over the 12 months during the 2021-2022 fiscal year. The Member District must adhere to the timeline and spending targets outlined in the CAEP Quarterly Reporting Deadlines and Rules listed below. Following the State's disbursement schedule, State Center will release a proportionate amount to the Member District each month, within 45 days following State Center's receipt of funds from the State.

Member District Responsibilities: Funds allocated pursuant to this agreement shall be used by the Member District exclusively for costs associated with the State Center Adult Education Consortium regional and annual plan, as prescribed by AB104 CAEP budget language, CAEP allowable uses document: AEBG Fiscal Management Guide "Allowable Uses of Adult Education Block Grant Program Funds", 2019-20 AB104 Program Guidance, and AB104 (CAEP) legislation. Member District will also comply with the monitoring and reporting requirements described in the section below. All referenced documents are available for review on the CAEP website: <https://caladulthood.org/>

Monitoring & Reporting Requirements:

Member District shall be responsible for monitoring their own activities and providing the Consortium with all information the Consortium shall require in order to fulfill the responsibilities of State reporting. This includes any necessary student participation data, expenditure documentation, and any AB104 information necessary for the successful completion of AB104 mandated reports, performance measures, and program outcomes.

Member District will designate a member and an alternate with proper authority to make all decisions and certify all information submitted to the Consortium and in NOVA. Member District acknowledges and accepts all responsibility for program related expenditures and certifies that expenditures are in compliance with the approved objectives, rules and regulations that govern the CAEP program. Furthermore, Member District accepts all liability for any disallowed costs, should they arise.

Member District is required to report year-to-date expenditures by 1000-7000 object code, and indirect costs (which shall be your district's CDE approved indirect rate or 5%, whichever is less) through NOVA located at <https://nova.cccco.edu/>. Member District will provide the Consortium/State Center a copy of the general ledger reports which categorize the budget and expenditures by object code for the specific reporting period. These documents will be submitted on a quarterly basis according to the timeline listed in the CAEP Quarterly Reporting Deadlines and Rules chart below and AB104 regulations.

Target Spending (refer to CAEP Fiscal Management Guide):

Targets are based on the current active funding for the 12-month period (July 1st to June 30th), which includes all active carry-over funds and any new funds. The member fiscal year or 12-month budget in NOVA reflects all active funding. Failure to meet targets will result in a corrective action plan. The State CAEP Office will review all corrective action plans and schedule targeted technical assistance as necessary via CAEP Technical Assistance Project (TAP).

Timeline:

Members must adhere to the CAEP Quarterly Reporting Deadlines and Rules listed below. Additional/other reporting dates may be required by State and this information will be communicated to Member District. (Dates subject to change):

TITLE AND SUBJECT: Ratify Third Amendment to the Manchester Center Lease for Fresno Adult School

ITEM DESCRIPTION: Included in the Board binders is the third amendment to the Manchester Center lease for the Fresno Adult School (FAS). At Manchester Center, FAS has historically offered a variety of programs and courses to meet the diverse needs of adult learners in the Fresno community. These programs are primarily funded through program fees. Due to the pandemic, FAS had to reduce its program and the budget was heavily impacted.

The FAS negotiated a ten percent rent reduction and an early termination of the existing lease (March 31, 2022 instead of June 30, 2024). The third amendment represents a net reduction in rental payments that would otherwise be paid. This will reduce the operational cost of the programs offered by FAS.

Rent reduction in the amount of \$1,399.74 per month equating to \$12,597.66 savings over the remaining lease period.

A copy of the lease and amendments one and two are available for review in the Board Office.

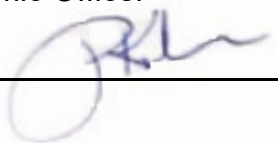

FINANCIAL SUMMARY: Sufficient funds of \$113,379 are available in the Adult Education Budget.

THIRD AMENDMENT TO LEASE

This THIRD AMENDMENT TO LEASE (this "Amendment") is entered into and effective as of this 6th day of July, 2021 by and between OMNINET PROPERTIES MANCHESTER CENTER, LLC, a Delaware limited liability company ("Landlord") and FRESNO UNIFIED SCHOOL DISTRICT EDUCATIONAL FACILITIES CORPORATION, a California non-profit corporation ("Tenant").

RECITALS

A. Landlord and Tenant are parties to a Lease dated as of August 30, 2013 (the "Initial Lease"), as amended by that certain First Amendment to Lease dated as of September 16, 2014 (the "First Amendment") and that certain Second Amendment to Lease dated as of October 8, 2018 (the "Second Amendment"). Collectively, the Initial Lease, First Amendment and Second Amendment are hereinafter referred to as the "Original Lease."

B. Pursuant to the Original Lease, Landlord leases to Tenant, and Tenant leases from Landlord, certain space consisting of approximately 8,535 rentable square feet (the "Premises") commonly known as Suite D240 in the shopping center located at 1901 E. Shields Avenue, Fresno, California 93726 (the "Center"), which Original Premises and Center are more particularly described in the Original Lease.

C. Landlord and Tenant desire to amend the Original Lease upon the terms and conditions set forth below.

D. All capitalized terms used herein but not specifically defined in this Amendment shall have the meanings ascribed to such terms in the Original Lease. The term "Lease" where used in the Original Lease and this Amendment shall hereafter refer to the Original Lease, as amended by this Amendment.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. **Exercise of Termination Option.** The parties acknowledge that the Original Lease is scheduled to expire on June 30, 2024. Landlord hereby agrees that Tenant has exercised the Termination Option set forth in Section 11 of the Second Amendment and that the Termination Effective Date shall be March 31, 2022. It is a condition to the effectiveness of such termination of the Lease that all Basic Rental including, without limitation, the Negotiated Overdue Rent (defined below) and Additional Rent shall be paid through and apportioned as of the Termination Effective Date (i.e., March 31, 2022). From and after the Termination Effective Date, neither Landlord nor Tenant shall have any further rights or obligations under the Lease, with the exception of such rights and obligations which expressly survive the expiration or earlier termination of the Lease.

2. **Payment of Overdue Rent.** Tenant hereby acknowledges and agrees that it has not paid monthly Basic Rental or Additional Rent to Landlord for the period commencing as of February 1, 2021 and ending as of June 30, 2021 in the total amount of \$62,988.77 ("**Overdue Rent**"). As a condition precedent to the effectiveness of Tenant's exercise of the Termination Option set forth in Section 11 of the Second Amendment and Tenant's timely payment of all monthly Basic Rental and Additional Rent during the Remaining Term (defined below), Tenant shall pay to Landlord the Negotiated Overdue Rent (defined below) concurrently with Tenant's execution and delivery of this Amendment to Landlord. As used herein, "**Negotiated Overdue Rent**" shall mean **\$57,401.22**. Landlord hereby agrees that Tenant shall not be required to pay the difference between the Overdue Rent and the Negotiated Overdue Rent in the amount of \$5,587.55 so long as Tenant timely pays all installments of monthly Basic Rental and Additional Rent during the Remaining Term; provided, however, if Tenant fails to timely pay any installment of monthly Basic Rental or Additional Rent at any time during the Remaining Term, then the difference between the Overdue Rent and the Negotiated Overdue Rent in the amount of \$5,587.55 shall be immediately due and payable as of the date of such default.

3. **Basic Rental.**

- a. Notwithstanding any contrary provision contained in the Original Lease, during the period commencing as of July 1, 2021 and ending as of March 31, 2022 ("**Remaining Term**"), Tenant shall pay to Landlord monthly installments of Basic Rental in advance, without demand or set-off, and otherwise in accordance with the terms and conditions of the Original Lease and the following payment schedule:

<u>Period of Remaining Term</u>	<u>Monthly Installment of Basic Rental</u>
July 1, 2021 – March 31, 2022	\$13,997.40

In addition to paying to Landlord the Negotiated Overdue Rent in the amount of \$57,401.22 as required by Section 2 above, the Monthly Basic Rental due and payable for the month of July, 2021 in the discounted amount of \$12,597.66 (i.e., taking into account the Basic Rental Credit for the month of July, 2021 as provide in subsection (b) below) shall be paid by Tenant to Landlord concurrently with Tenant's execution and delivery of this Amendment to Landlord.

b. It is hereby expressly understood and agreed by Tenant that the monthly Basic Rental due and payable for the Remaining Term as set forth in the Original Lease is \$13,997.40, per month, and that the monthly Basic Rental set forth in the payment schedule above shall be discounted to \$12,597.66, per month, so long as Tenant timely pays all monthly Basic Rental and Additional Rent during the Remaining Term. The total credit of monthly Basic Rental to be received by Tenant for the Remaining Term is equal to \$12,597.66 ("**Basic Rental Credit**"). Such Basic Rental Credit shall be applied in monthly installments in the amount of \$1,399.74, per month. Tenant understands and agrees that the foregoing Basic Rental Credit is conditioned upon Tenant not being in monetary or material non-monetary default under the Lease beyond any applicable notice and cure periods. Therefore, upon the occurrence of any uncured monetary or material non-monetary default under the Lease at any time during the Remaining Term, Tenant

shall no longer be entitled to the Basic Rental Credit set forth above and Tenant shall pay monthly Basic Rental for the balance of the period that the Basic Rental Credit otherwise would have applied as and when the same would have become due and payable in the absence of such Basic Rental Credit (i.e., \$1,399.74 , per month). In addition, in the event that the Lease is terminated by reason of an uncured default by Tenant, the Basic Rental that would have been payable in the absence of the Basic Rental Credit (including, without limitation, any previously granted Basic Rental Credit including, without limitation, the difference between the Overdue Rent and the Negotiated Overdue Rent) shall immediately become due and payable.

4. **Additional Rent.** During the Remaining Term, Tenant shall continue to pay to Landlord Tenant's Proportionate Share of Direct Costs for the Premises in accordance with the terms and conditions of the Original Lease. In addition, during the Remaining Term, Tenant shall continue to pay for all water, power, gas, sewer, trash, electric current and all other utilities used by Tenant at the Premises in accordance with the terms and conditions of the Original Lease, as amended hereby.

5. **No Renewal Option.** Notwithstanding anything to the contrary contained in the Lease as modified by this Amendment, as of the date hereof Tenant acknowledges and agrees that it has no rights to extend or renew the Term whether pursuant to the Original Lease or otherwise.

6. **Security Deposit.** Tenant hereby acknowledges that it did not deliver to Landlord the Security Deposit which was required to be delivered to Landlord pursuant to Section 5 of the Second Amendment in the amount of \$11,272.32 and, therefore, Landlord shall have no obligation to refund such amount to Tenant upon the expiration or earlier termination of the Lease.

7. **No Option, Right Of First Offer, Right of First Refusal or Expansion Option.** Notwithstanding anything to the contrary contained in the Original Lease as modified by this Amendment, as of the date hereof Tenant acknowledges and agrees that it has no option to extend the Term of the Lease nor any rights of first offer, expansion rights, rights of first refusal nor any other rights to lease additional space in the Center whether pursuant to the Original Lease or otherwise.

8. **"As Is"; CASP**

a. **As Is.** During the Remaining Term, Tenant shall continue to lease the Premises "as is", "with all faults", and "without any representations or warranties," subject to Landlord's obligations under the Original Lease. Tenant acknowledges that, except as expressly set forth in the Original Lease, neither Landlord nor any agent or employee of Landlord has made any representations or warranty with respect to the Premises or with respect to its suitability for the conduct of Tenant's business and Tenant expressly warrants and represents that Tenant has relied solely on its own investigation and inspection of the Premises and the Center in its decision to enter into this Amendment and to continue to let the Premises in its "as-is" condition, subject to Landlord's obligations to Tenant as provided in the Original Lease.

b. **CASP.** Pursuant to California Civil Code § 1938, Landlord hereby states that the Premises have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52(a)(3)). Pursuant to Section 1938 of the California Civil Code,

Landlord hereby provides the following notification to Tenant: "A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction related accessibility standards within the premises." If Tenant requests to perform a CASp inspection of the Premises, Tenant shall, at its cost, retain a CASp approved by Landlord (provided that Landlord may designate the CASp, at Landlord's option) to perform the inspection of the Premises at a time agreed upon by the parties. Tenant shall provide Landlord with a copy of any report or certificate issued by the CASp (the "**CASP Report**") and Tenant shall, at its cost, promptly complete any modifications necessary to correct violations of construction related accessibility standards identified in the CASp Report, which modifications will be completed as an Alteration, notwithstanding anything to the contrary in the Lease. Tenant agrees to keep the information in the CASp Report confidential except as necessary for the Tenant to complete such modifications.

9. **Attorneys' Fees.** In the event either party shall commence an action to enforce any provision of this Amendment, the prevailing party in such action shall be entitled to receive from the other party, in addition to damages, equitable or other relief, and all costs and expenses incurred, including reasonable attorneys' fees and court costs and the fees and costs of expert witnesses, and fees incurred to enforce any judgment obtained. This provision with respect to attorneys' fees incurred to enforce a judgment shall be severable from all other provisions of this Amendment, shall survive any judgment, and shall not be deemed merged into the judgment.

10. **Broker.** Landlord and Tenant each represents and warrants to the other party that it has not dealt with any broker with respect to this Amendment. If Landlord or Tenant has dealt with any other broker or person with respect to this Amendment, such party shall be solely responsible for the payment of any fees due said person or firm and shall indemnify and hold harmless the other party from any liability in respect thereto.

11. **Estoppel.** Tenant warrants, represents and certifies to Landlord that as of the date of this Amendment, (a) Landlord is not in default under the Lease or otherwise, (b) Tenant does not have any defenses or offsets to payment of rent and performance of its obligations under the Lease as and when the same become due, (c) there are no amounts (including amounts pursuant to the annual reconciliation of Direct Costs), costs, expenses, or allowances which are owing by Landlord to Tenant, under the Lease or otherwise, including, without limitation, any allowance for improvements to the Premises, and (d) Landlord has no obligations to make any improvements to the Premises. Notwithstanding anything to the contrary contained in the Lease, Tenant acknowledges and agrees that as of the date hereof Tenant has no unilateral right to terminate the Lease prior to March 31, 2022.

12. **Authority.** Tenant has full power and authority to enter into this Amendment and the person signing on behalf of Tenant has been fully authorized to do so by all necessary corporate

or partnership action on the part of Tenant.

13. **Original Lease in Full Force.** Except for those provisions which are inconsistent with this Amendment and those terms, covenants and conditions for which performance has heretofore been completed, all other terms, covenants and conditions of the Original Lease shall remain unmodified and in full force and effect. Landlord and Tenant ratify the Original Lease, as amended hereby.

14. **Counterparts; Electronic Signatures.** This Amendment may be executed in counterparts, each of which shall be deemed an original part and all of which together shall constitute a single agreement. Each party hereto shall be authorized to rely upon the signatures of all of the parties hereto on this Amendment which are delivered electronically (either by email or by facsimile) as constituting a duly authorized, irrevocable, actual, current delivery of this Amendment with original ink signatures of each person and entity.

15. **Severability.** Any provision of this Amendment which shall prove to be invalid, void, or illegal shall in no way affect, impair or invalidate any other provision hereof and such other provisions shall remain in full force and effect.

of the California School Employees Association (CSEA) and its Fresno Chapter #143
and the Fresno Unified School District (District)
for the 2021-2024 Successor Contract Negotiations

June 25, 2021

ARTICLE 1: AGREEMENT

This is an Agreement made and entered into this 1st day of July, ~~2018~~ **2021** between the FRESNO UNIFIED SCHOOL DISTRICT (hereinafter referred to as FUSD) and the CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION and its Fresno Chapter #143 or its successors (hereinafter referred to as "CSEA").

ARTICLE 3: COMPLETION OF MEET AND NEGOTIATIONS

3. Reopeners: For the ~~2019-2020 and 2020-2021~~ **2022-2023 and 2023-2024** school years, either party may reopen negotiations on Salary (Article 23), Fringe Benefits (Article 9) and one (1) other noneconomic article. The requesting party shall send written notice to the other of the request to reopen on or before May 1 proceeding the school year in which any changes may become effective.

ARTICLE 8: EMPLOYEE RIGHTS

3. Probationary Period:

The probationary period for new FUSD employees shall be ~~one (1) calendar year~~ **six (6) months**.

ARTICLE 12: HOURS AND OVERTIME

3. Scheduling:

C. Adjustment of Assigned Time: Any employee in the bargaining unit who is required to work an average of thirty (30) minutes or more per day in excess of his/her regular part time assignment for a period of twenty (20) consecutive working days or more or for a period of fifty percent (50%) or more of the school year shall have their regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

For the 2021-2022 school year only, for all less than 8.0 hour positions, increase the hours or work by up to 1 additional hour up to a maximum of 8.0 hours. This up to 1 hour adjustment to assigned time through this section does not expand part time employee's rights to health and welfare benefits, and only to fringe benefits as required in Education Code sections 45136 and 45137. The Parties agree that the up to 1 hour of additional time provided through this section shall automatically be eliminated at the end of the student calendar for the 2021-2022 school year without requiring the District to initiate and proceed through statutory layoff procedures.

For the 2021-2022 school year only, managers/CSS and senior assistants may volunteer by no later than July 26, 2021 to work a 261 day work year (August 2, 2021 through August 1, 2022) in order to support the pandemic year recovery winter and summer feeding program. The Parties agree that the additional days provided through this section shall automatically be eliminated on August 1, 2022 school year without requiring the District to initiate and proceed through statutory layoff procedures.

ARTICLE 14: LEAVE PROVISIONS

1. Bereavement Leave: The District may request verification from employees prior to using bereavement leave. In these cases, an employee will use other accrued leave and when verification is received, that leave will be coded as bereavement leave.

12. Sick Leave

- L.** When possible, employees should notify their Manager, CSS or Lead, before the start of their shift if they are going to be absent from work. Employees should notify their Manager, CSS or Lead no later than 1:30 PM the day before they return to work after being off work on a leave.

18. Short Term Child Rearing Leave with Differential Pay:

- a. As provided by Education Code section 45196.1, unit members shall be entitled to parental leave as set forth in this section.
 - i. For purposes of this section, "parental leave" means leave for the purpose of bonding with the unit member's newborn child, or with a newly placed child in the unit member's household for adoption or foster care. **RE: Request to Re-Name from the J.C. Forkner Elementary to the
H. Roger Tatarian Elementary School**

Dear President Davis,

I write to request the Fresno Unified Board of Trustees rename J.C. Forkner Elementary School to the H. Roger Tatarian Elementary School. And, that this request be fulfilled without review by committee, nor public debate.

In this wonderful Country that we are all so proud, I have found that from time to time a moment presents itself to the leadership of a community which will display that community's values. I believe that one of those times has in fact presented itself as it relates to the issue that has been raised by the request to rename the J.C. Forkner Elementary to the H. Roger Tatarian Elementary School. It is incumbent upon all of us to recognize when something is wrong and that a change is required to be made and made decisively when it is raised in the public square. There are so many wonderful elements that weave together the fabric of this community. One of those elements is the value that when we see something wrong, we make it right. The case has been laid before us with the naming of this school. To the greatest degree possible, I ask your Board of Trustees to make this change as soon as possible.

I am a product of this community of which I arrived in 1946 from Detroit and have never left. The opportunities that this community has given to me and my family are humbling. Still, recognition of our past and its difficulties is important to face. For example, on my wall hangs the deed restrictions which would have not allowed me to own my first home. This was not one of our community's finer moments. But I do believe we do not need to dwell on them. Moreover, I also believe we *should* emphasize the wonderful and great opportunities that this great Country has afforded all of us. And, that when we see wrong, we make it right. When we see hunger we respond to it. When we see discrimination, we correct it. Furthermore, we do have someone worthy of the honor of the name in Mr. Roger Tatarian. He is a wonderful representation not only of the Armenian community, but all of us in the Central Valley. He embodies the values of which we are all proud.

In closing, by making this swift and clear decision to rename this school, I believe it will create a ripple of hope for the more than 74,000 students that the district is educating. This is the same ripple of hope referenced by the late Robert F. Kennedy while speaking at the University of Capetown in 1966. Senator Kennedy stated,

“Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring those ripples build a current which can sweep down the mightiest walls of oppression and resistance.”

I ask that we stand together against discrimination and send a ripple of hope across this community and rename this school after Roger Tatarian. Your task of educating our children is certainly heavy. Nevertheless, I wanted to express my opinion. Thank you for your consideration.

Very truly yours,

Edward M. Kashian

After serving in WWII, he returned home becoming active in community service and eventually serving for nearly 20 years on the Fresno County Board of Supervisors. He was a torchbearer for agriculture and proud of his heritage, never hesitating to share historic Armenian Genocide facts. In recognition of his incredible leadership, a stadium, freeway and park bear his name. His daughter, Debbie (Koligian) Poochigian, carried on his legacy as a Fresno County supervisor.

Markarian's Figs

- Black Mission figs were planted in the early Spanish missions, but extensive commercial production first developed when Henry Markarian went into the business. His father, Melkon, had planted fig trees around the perimeter of the family farm, but Henry planted a commercial acreage of Adriatic figs sometime in the 1890s and established a packing plant. While the Markarians were among the first in the commercial production of figs, the Seropian Brothers preceded them in packing the product. By 1902 Henry Markarian owned 160 of the 750 acres of figs in California and at one time was the largest fig grower in the United States.

In 1991 he began a 24-year term serving as an Associate Justice on the California Supreme Court. He is the only life-long resident of Fresno County to have served on California's highest court.

Roger Tatarian

- Tatarian's family came to the United States from Bitlis, Turkey. The son of a shoemaker, he grew up in Fresno, California amid the same Armenian-American community that produced Pulitzer Prize-winning playwright William Saroyan. At Longfellow Junior High School, Tatarian's English teacher asked him to write for the school paper, the *Longfellow Poet*. He became sports editor and set his sights on a career in journalism.
- Tatarian graduated from Fresno State College in 1938 with a degree in political science. He went to work for UPI that same year and became a war correspondent during World War II. His career as a news reporter and editor took him to far flung outposts. Over 34 years with UPI, he worked his way up through the organization, becoming general news manager for Europe, the Middle East, and Africa; bureau chief in both London and Rome; and news editor in Washington, D.C. (During his residency in Rome he became fluent in Italian.) Tatarian eventually became the top editor of the news service, which at the time was a rival to the Associated Press.
- Tatarian served as a Pulitzer Prize nomination juror in 1960, 1961, and 1985. Awards and honors included the Elijah Parrish Lovejoy Award, a special citation by Ohio University, and an honorary doctorate in law from Colby College in Maine in 1980. He was named a fellow of the Society of Professional Journalists-Sigma Delta Chi in 1972 and was among the first group inducted to the Hall of Fame of the society's New York chapter.

FROM TIMES STAFF AND WIRE REPORTS

FRESNO — H. Roger Tatarian, former editor in chief of United Press International and most recently a journalism professor at Cal State Fresno and a columnist for the Fresno Bee, has died of heart disease. He was 78. Tatarian, who died Sunday, worked for UPI for 34 years, retiring in 1972 to return to his hometown of Fresno.

“Roger’s distinguished career took him to capitals around the globe,” said Robert J. Weil, publisher of the Fresno Bee. “But his greatest satisfaction came from applying his talents as a journalist and teacher right here in Fresno.” His unique sense of integrity, compassion and humor touched all who were privileged to know him.”

Among Tatarian’s students over the years were Times columnist Peter H. King and staff writer Mark Arax. Tatarian started his career with the national news wire service then known as United Press in 1938 after graduating from what was then Fresno State College with a bachelor’s degree in political science. He served as what became UPI’s general news manager for Europe, the Middle East and Africa; bureau chief in London and Rome, and news editor in Washington. He was named editor in chief in 1965.

Ron Cohen, author of a 1989 book about UPI titled “Down to the Wire,” called Tatarian “a newspaperman’s newspaperman.” “Few could combine talent with his humanity. He could make you go through a brick wall to get a story for him. You always felt there was a strong hand guiding you, and that was Roger Tatarian,” Cohen said. Tatarian’s teaching, as well as his work as a newsman, garnered awards. In 1981, he was selected Cal State Fresno’s outstanding professor and in 1984, its outstanding alumnus. In March, the university established the Roger Tatarian Endowed Chair in Journalism.

Tatarian was one of three journalists named Fellows of the Society of Professional Journalists--Sigma Delta Chi in 1972. In 1975, he was in the first group of 10 journalists named to the Hall of Fame of the society’s New York chapter. Tatarian is survived by his wife of 55 years, Eunice, and his son, Allan.

- H. Roger Tatarian, a former executive at United Press International who directed the coverage of major events that included the lifting of the Berlin blockade, the Hungarian revolution and the assassination of President John F. Kennedy, died on Sunday at his home in Fresno. He was 78.
- The cause was heart failure, said his wife, Eunice. Mr. Tatarian worked for U.P.I. and its predecessor, United Press, for 34 years, beginning in 1938. He held numerous positions, including general news manager for Europe, the Middle East and Africa, bureau chief in London and Rome and news editor in Washington. He was editor in chief of the news service when he retired in 1972.
- After leaving the wire service, he joined the journalism faculty at Fresno State University. In March, the university established the Roger Tatarian Endowed Chair in Journalism.
- He also acted as a consultant and writing coach for several newspapers, including The Fresno Bee. In addition to his wife, to whom he had been married for 55 years, he is survived by a son, Allan, of Fresno.

Tatarian: Fresno State professor dies

The Tatarian legacy

Roger Tatarian wasn't content with a single career. He spent his first — spanning 34 years — as a wire service reporter and editor. He spent a second as a professor of journalism at California State University, Fresno, his alma mater, for 15 years. His third career was spent crafting the column that he began writing for *The Fresno Bee* in 1987. His final column ran Sunday, the day he died.

A collection of those columns, selected by the author, will be published in-house in July. Here are some excerpts:

A Universal Day of Mourning would allow everyone to commemorate his own cause or even without obtaining Congressional resolutions or stirring up real or imagined foreign policy complications for the State Department, as did the Armenian resolution.

This special day might also be observed as a Universal Day of Shame, to permit atonement by peoples or faiths that themselves are guilty of atrocities against others. Such a test would exempt a few of us from the dual observance.

W as the cold really colder in those days? Never mind the weather service's records. I don't know where they kept their thermometers, but I know it wasn't around Jackson School. That's where you could count on finding really thick ice.

On winter mornings at Jackson, before class, we played pickup soccer. The ground was hard and white with frost, and the cold air stabbed at your lungs. No matter how numb your hands and feet, or how many times the guys with metal toecaps on their shoes deliberately kicked your shins, you had to stick it out until the first-period bell brought a merciful end to the suffering. Happily, nobody could tell the difference between the tears from the cold and tears from the enemy's toecaps, so you escaped being called a sissy.

E veryone remembers the one teacher who most profoundly influenced his or her life. For me, it was Ruby Johnson Pratt, vice principal at Longfellow. She let me range at will through the library during summer vacations and, as adviser to the school newspaper, *The Longfellow Poet*, it was she who kindled my interest in

Introduction to 2021 Redistricting Fresno Unified School District

August 25, 2021

Why Are We Doing This?

- Every 10 years the federal government conducts the Census, and each school district must update its trustee areas to reflect the latest population counts, so that they are equal in population.
- Requirement is both statutory, *see* Education Code § 5019.5(a), and constitutional, *see Reynolds v. Sims*, 377 U.S. 533 (1964).

Redistricting Process: Key Dates

- **August 12, 2021:** Census Bureau released PL94-171 redistricting data
 - Usually released in Feb/March of year following Census
- **February 28, 2022:** deadline for completion of redistricting process. (Educ. Code § 5019.5)
- **January 12, 2022:** anticipated completion date (to allow ample time for implementation by the Fresno County Elections Office)
 - If necessary, additional action can be taken at Board Meeting on Feb. 2, 2022

Redistricting Process: Anticipated Board Meetings/Hearings

August 25, 2021	Presentations at Board meeting re (1) legal and policy criteria governing redistricting, and (2) demographics of existing trustee areas. Receive public comment on appropriate criteria.
September 15, 2021	Board receives further public input and additional testimony regarding appropriate criteria; adopts criteria and provides instructions for the preparation of alternative draft redistricting plans.
October 27, 2021	Demographic consultant to present initial draft trustee area plans; Board solicits testimony on draft plans.
November 17, 2021	Board receives public input and additional testimony regarding draft plans; holds first public hearing on draft plans; Board may order modifications to any of the plans.
January 12, 2022	Board holds second public hearing on alternate plans, votes to choose one plan. If Board orders further modifications, another public hearing will be required.

*** Dates are subject to change**

Process: Effect on Current Trustees

- No trustee's term cut short (*see* Educ. § 5021; Elec. Code § 22000(e)), but
- When his or her term ends, an incumbent can only run from the new trustee area in which he or she resides.

Federal Criteria: Equal Population

- Overriding criterion is total population equality, *see Reynolds v. Sims*, 377 U.S. 533 (1964).
- Unlike congressional districts, local electoral districts do not require perfect equality—some deviation acceptable to serve valid governmental interests.
- Total deviation less than 10% presumptively constitutional. (Caution: the presumption *can* be overcome!)

Federal Criteria: Equal Population (cont.)

Total Population:	414,076		1	2	3	4	5
Ideal:	82,815	Pop.	84,683	82,167	83,661	80,568	82,997
Deviation Range:	4,115	Dev.	1,868	-648	846	-2,247	182
Total Deviation %:	4.97%	Dev. %	2.26%	-0.78%	1.02%	-2.71%	0.22%

1. Divide the **total population** by the **number of seats** to get the **ideal population**
2. Subtract the **smallest district's population** from the **largest** to get the **deviation range**
3. Divide #2 by #1 to get the **total plan deviation**

District Demographics

Dist.	Est. Pop.	Dev.*	% Dev.
1	53,429	-3,161	-5.59%
2	54,491	-2,099	-3.71%
3	57,780	1,190	2.10%
4	56,171	-419	-0.74%
5	56,673	83	0.15%
6	57,764	1,174	2.07%
7	59,824	3,234	5.71%
Total	396,130	6,395	11.30%

* Ideal Trustee Area Population:
56,590 total persons

Federal Criteria: Voting Rights Act

- Section 2 of the federal Voting Rights Act prohibits electoral systems (including district plans), which dilute racial and language minority voting rights by denying them an equal opportunity to nominate and elect candidates of their choice.
- “Language minorities” are specifically defined in federal law to mean persons of American Indian, Asian American, Alaskan Natives or Spanish heritage.

Federal Criteria: Voting Rights Act (cont.)

“‘Packing’ refers to the practice of filling a district with a supermajority of a given group or party. ‘Cracking’ involves the splitting of a group or party among several districts to deny that group or party a majority in any of those districts.”

-*Vieth v. Jubelirer*,
541 U.S. 267, 286 n.7 (2004)

- Creation of minority districts required only if the minority group can form the majority in a single member district that otherwise complies with the law.
Bartlett v. Strickland, 556 U.S. 1 (2009).

Four districts of even “Blue” and “Gold” party voters, OR one “packed” district of 14 Blue voters and two Gold voters with the remaining 18 Blue voters “cracked across the other three districts. The result is a 3-1 advantage for the Gold party

Federal Considerations: No Racial Gerrymandering

- The Fourteenth Amendment restricts the use of race as the “predominant” criterion in drawing districts and the subordination of other considerations. *Shaw v. Reno*, 509 U.S. 630 (1993); *Miller v. Johnson*, 515 U.S. 900 (1995).
 - Such predominant use must be justified as narrowly tailored to fulfill a compelling state interest – *i.e.*, strict scrutiny
- Looks matter! Bizarrely shaped electoral districts can be evidence that racial considerations predominate. (See, *e.g.*, North Carolina CD 12, which stretched 160 miles across the central part of the State, for part of its length no wider than the freeway right-of-way.)
- But bizarre shape is not required for racial considerations to “predominate.”
- Fourteenth Amendment does not, however, prohibit all consideration of race in redistricting. *Easley v. Cromartie*, 532 U.S. 234 (2001).
 - **Focus on communities of interest.**

Other Permissible Criteria

- Topography.
- Geography.
- Cohesiveness, contiguity, compactness and integrity of territory.
- Communities of interest.

(See Elec. Code § 22000)

Other Permissible Criteria

Some other legitimate criteria include:

- Minimize shifting voters from one election year to another/retaining core of existing districts
 - Voters currently in districts scheduled to vote in 2022 could be redistricted into a 2024 district, meaning there would be a six-year gap between their voting in Board elections
- Respect will of the voters / avoid head-to-head contests
- Anticipating future growth, to the extent relevant
- Other political subdivisions' boundaries (*e.g.*, attendance areas)
