## WA-HI CULMINATING PROJECT OVERVIEW

The **Walla Walla High School Culminating Project** is a portfolio-based project which will provide students with opportunities to examine their skills and abilities as well as articulate their plans for the future. All Washington public high school graduates must fulfill the following statewide requirements as determined by the State Board of Education.

### WA-HI CULMINATING PROJECT FREQUENTLY ASKED QUESTIONS

#### ***What is the Culminating Project?***

During the senior year students design and plan the Senior Presentation. All students are required to present their Culminating Project to a panel of adults, community members, teachers, and/or parents, during the second semester of their senior year. The project includes 4 components: Personal Story, Best Works, Community Service Work, and the High School and Beyond Plan. Details are below.

#### ***When do students complete the Culminating Project Senior Presentation?***

Seniors will sign up for presentation dates in December and they will have three different dates to choose from for completing the Culminating Project Senior Presentation:

**March 20th, 2024**

**April 17th, 2024**

**March 21st, 2024**

**April 24th, 2024**

#### ***How and when is the Culminating Project graded?***

The student's Culminating Project will be evaluated when the student completes the Senior Presentation to the panel of judges at one of the dates listed above. A scoring rubric for the Culminating Project Student Presentation can be found in *Appendix A* of these guidelines. Each Culminating Project Student Presentation will receive one of four ratings:

Level 4: *Advanced*, or Exceeds Standard

• Level 2: *Basic*, or Approaching Standard (Does Not Meet Standard)

Level 3: *Proficient*, or Meets Standard

• Level 1: *Below Basic*, or Does Not Meet Standard

#### ***What happens if a student does not meet standard on the Culminating Project?***

Students who do not meet standard on their initial Culminating Project Senior Presentation will be provided feedback and they will revise their Culminating Project. Students will then have an opportunity to present their Culminating Project a second time to another panel of adults.

#### ***Will students who do not meet standard on the Culminating Project be able to graduate?***

The current policy with Walla Walla Public Schools places the culminating project as a **mandatory non-credit graduation requirement**. Thus, students will not receive a diploma without completing the Culminating Project Senior Presentation.

#### ***Where can I find more online information about the Culminating Project?***

The Wa-Hi school website, <http://www.wahibluedevils.org>, will lead you to the Culminating Project link, which contains forms, documents, events, etc. You may also contact Claudia Salazar, Assistant Principal at [csalazar@wwps.org](mailto:csalazar@wwps.org).

## Wa-Hi Culminating Project Senior Presentation Description of the Four Main Components

**My Personal Story**— This section of the project is your time to tell your story, including your journey as a student and what experiences, interests and goals are shaping who you are and what you want to become. Take time to showcase and celebrate your unique talents, interests, and accomplishments. Add documents, images and reflections highlighting your involvement in clubs, athletics, and activities as well as any special recognition you have received.

**My Best Works**—This section of the culminating project is designed to showcase the schoolwork completed and collected during your high school career. You may remember that you have been asked to collect at least five assignments or projects each year, and now you will select at least two selections from each year. Documents can be scanned or photographed and inserted right into your slides. Be sure to explain why you selected each sample, connecting to your Personal Story and High School and Beyond Plan when appropriate. The works you select should be comprehensive, such as semester or unit tests, research papers, essays, presentations, performances, portfolios, or projects that demonstrate your knowledge and skills obtained throughout the years. Short assignments, quizzes, daily work, entry tasks, etc. should not be included.

**My Community Service Volunteer Work**— This section of the culminating project allows you to demonstrate how you've become a contributing and responsible citizen, highlighting the volunteer work you have completed. Remember, the requirement is no less than ~~40 hours~~ (30 hrs for the class of 2024). When you have completed that community service requirement, log your hours into [SchoolLinks](#). Your hours should be logged no later than one week prior to your presentation. See *Appendix B* for additional details, forms, and instructions.

**My High School and Beyond Plan**—This section of the culminating project is your opportunity to present your “next steps.” You will develop a High School and Beyond Plan that shows how you will meet graduation requirements and your future goals. This plan will include the results of your Career Interest Survey, your future College and Career goals, a copy of your resumé and a summary of your 4-year course plan that has prepared you for acceptance to a four-year university, community college, trade school, military, or the workforce. Throughout high school, your counselor will help you fill out your plan using [SchoolLinks](#) during classroom presentations and advisory activities. Participating in these activities will fill in the various portions of your HSBP and each spring students submit their SchoolLinks “Personalized Plan” to complete the High School and Beyond Plan. You will receive .25 credit your freshman, sophomore, junior and senior year. A PDF of the personalized plan may be downloaded from SchoolLinks and is viewable to parents/guardians for approval as well.

### **Community Service Volunteer Work Guidelines and Ideas**

- The Wa-Hi Career Center updates a list of volunteer opportunities and contact information. This list is found in SchoolLinks under the Career Tab - Opportunities. You can visit the Career Center to find out how you can get involved in the community.
- The Walla Walla United Way “Youth United” website has more information regarding volunteer opportunities in Walla Walla and verification of community service volunteer hours is available, too. <http://getconnected.unitedwayww.org/volunteer/agency/needs/>
- You can organize and participate in volunteer work with a group of friends.
- You are expected to complete ~~40 hours~~ (30 hours for the class of 2024) of community volunteer work over the course of your high school career, beginning in your freshman year in high school. We recommend that you complete a minimum of 10 hours per year until the required hours have been completed.
- You may choose one or more community volunteer activities to complete this requirement. Helping non-profit organizations is encouraged.
- You are encouraged to continue to log the volunteer hours beyond the required 40 hours. As you apply for colleges, scholarships and work, this experience will be beneficial and maybe required.
- Community Service Volunteer Work must be voluntary, non-paid or non-court ordered activities.
- You should not receive compensation for your efforts; *compensation* means any type of pay, credit, or favor from the person or organization that you are helping. For example, picking up litter around Walla Walla High School can be a community service project. However, picking up litter to serve assigned detention does not qualify as a community service project.
- Helping *family, including family chores*, **does not** qualify for Community Service Volunteer Work. (*Family* is considered anyone that is related to you by blood or marriage).
- You can include the volunteer work from as early as the summer prior to starting your 9<sup>th</sup> grade year.
- Many Walla Walla High School clubs are involved in community volunteer projects. If you are a member of the a club, you will have opportunities to participate in various volunteer projects.
- Many Walla Walla community non-profit organizations provide opportunities for community service volunteer work, including: Children’s Museum, Humane Society, Salvation Army, Fort Walla Walla, Walla Walla Public Schools, WHAMMY (mental illness), Department of Fish and Wildlife, Tri-State Steelheaders, Red Cross, St. Vincent DePaul, Some church activities, City of Walla Walla (Parks and Recreation plus other departments), Little League Baseball & Softball/Soccer/Pop Warner junior football, Goodwill, Whitman Mission, Birthright, YMCA, YWCA, and many more. Please visit the Wa-Hi Career Center, SchoolLinks Career tab-Opportunities, for more opportunities or visit the Walla Walla United Way “Youth United” website. <http://getconnected.unitedwayww.org/volunteer/agency/needs/>
- Log your completed hours in [SchoolLinks](#).
  - o From your SchoolLinks dashboard, click the School tab, click Experience Tracking, then click “Add / Entry” under Volunteer Service.
  - o Students will be asked to input the date(s), a short description of the activity and an email address of someone who can verify the hours completed. This person will receive an email to verify the student's hours.
