Job Opportunity:
Middle School Math Teacher
Part-Time, Flexible Hours

Martin J. Gottlieb Day School is dedicated to fostering a love of learning and academic excellence in our students. We are a vibrant community that values diversity, creativity, and a commitment to educational excellence.

Job Description: We are seeking a part-time Middle School Math Teacher to join our team. The ideal candidate will have a strong background in teaching pre-algebra, algebra, and geometry and a passion for helping students succeed. This position involves teaching math to middle school students, with a focus on making complex concepts accessible and engaging.

Responsibilities:

- Develop and implement lesson plans that fulfill the curriculum program and reflect the specific academic needs of each student.
- Prepare and deliver engaging lessons in standard middle school math classes, including pre-algebra, algebra, and geometry.
- Assess and document student progress, providing feedback and support to ensure academic growth.
- Create a positive, inclusive, and stimulating classroom environment.
- Communicate effectively with students, parents, and colleagues to support student achievement and well-being.

Qualifications:

- Bachelor’s degree in Education, Mathematics, or a related field
- Proven experience teaching middle school math
- Strong classroom management skills
- Excellent communication and interpersonal skills
- Passion for teaching and inspiring young minds

Schedule:

- Part-time position with flexible hours.
Application Process: Interested candidates should email a cover letter and resume to Karin Hallett, Head of School at khallett@dubowgottlieb.org. For more information on Laurie Preschool & Martin J. Gottlieb Day School, visit our website at dubowgottlieb.org.
