

**Student Discipline**

It is the policy of the Bethany Board of Education to create a school environment that promotes respect of self, others, and property within the Bethany Public School District (District). Compliance with this policy and accompanying administrative regulation will enhance the District's ability to maintain discipline and reduce interference with the educational process that can result from student misconduct.

The Board directs the Superintendent to promulgate administrative regulations regarding disciplinary actions for students that do not conduct themselves in an appropriate manner.
