RQS Team,

This correspondence to you is to express my sincerest gratitude to each and every one of you for your hard work, dedication, and commitment to our children. It is with great pleasure to announce that due to your outstanding efforts and support of our Raytown Quality School District Board of Education, we are implementing a salary increase for all staff members. Beginning July 1, the following increases will be implemented: one step plus a four percent increase to the base for all employees. Additionally, a two step restoration for school years 2010-2011 and 2011-2012. This is one the largest salary increases in the last 20 years.

Your contributions have not gone unnoticed, and this salary increase is a reflection of the value you bring to our team every day. We believe that investing in our employees is crucial for the growth and prosperity of our children, school district and community. This increase is a testament to that belief.

While we recognize the challenges you've faced, your resilience and perseverance have been nothing short of remarkable. Your unwavering dedication to excellence has propelled us forward, and for that, we are truly grateful.

Please take a moment to celebrate your accomplishments, and know that your hard work does not go unnoticed. We are committed to supporting you in your professional growth and ensuring that you feel valued and appreciated as part of our team.

Again, thank you for your dedication, and congratulations on this well-deserved salary increase.

For the Children,

Penelope
