The Project will be constructed in the auditorium, cafeteria/multipurpose room or black box theater room portion of the campus, as set forth in the attached Exhibit A. The Project will consist of theatrical lighting upgrades and audio/visual solutions at multiple auditoriums, black box theater room and/or cafeteria/multipurpose rooms across six (6) high school sites, as further detailed in Exhibit A. The Project will include all features proposed by the selected design-build entity based on the stipulated sum. As set forth herein, the design-build entity will be responsible for the final design and transmission of their final design to the Division of the State Architect (“DSA”), if required, and for obtaining final DSA approval, if applicable. No

construction work shall be performed until the design-build entity receives written approval of the plans, as to the safety of design and construction, from the DSA when applicable.

DESIGN-BUILD ENTITY PREQUALIFICATION: From the design-build entities that submit statements of qualifications, the District will determine which entities shall be prequalified, or short-listed, for this Project. **Only design-build entities that are prequalified or short-listed pursuant to Education Code section 17250.25 will be allowed to submit bids or proposals.**

A design-build entity will not be eligible to be prequalified or short-listed if the entity, or any consultant or contractor to the entity, participated in the preparation of this Request for Qualifications or the Request for Bids or Proposals (including the District's requirements for the design [the "Design Requirements" or "Bridging Documents"]) for the Project.

Any statement of qualifications submitted for this Project must use the template attached to this Request for Qualifications as Exhibit B, and must be certified under penalty of perjury by the design-build entity and its general partners or joint venture members.

The following non-price-related factors will be considered by the District when evaluating qualifications: Technical design and construction expertise, acceptability of safety record, possession of valid design professional registered and licensed in the State of California, and contractor licenses (including a Class "**C-10, Electrical**" or "**B, General Building**" California contractor license).

A design-build entity shall not be prequalified or short-listed unless the entity provides an enforceable commitment to the District that **the design-build entity and its subcontractors at every tier will use a skilled and trained workforce** to perform all work on the Project that falls within an apprenticeable occupation in the building and construction trades, pursuant to Education Code section 17250.25(c).

STIPULATED SUM FOR THE PROJECT: The stipulated sum for this design-build contract is expected to be approximately **Two Million, Three Hundred Thousand and 00/100** Dollars (**\$2,300,000.00**). The finalized stipulated sum will be provided in the Request for Proposals.

PROJECT ADMINISTRATION: All questions relative to this Project shall be directed to the following District representatives. No telephone calls will be accepted; submit letter or email questions only:

Fonder-Salari, Inc.
Construction Manager
Email: Alisha Fonder (alisha.fonder@fonder-salari.com); Amin Salari (amin.salari@fonder-salari.com)

EVALUATION OF PROPOSALS, AND SELECTION OF THE DESIGN-BUILD ENTITY:

The contract will be awarded to the responsible design-build entity that submits the proposal that promises the most value for the stipulated sum. The procedures for the evaluation of the proposals for best value may include requests for additional information or revisions to proposals, discussions, interviews, and negotiations. More detail about the best value process will be included in the Request for Proposals.

The schedule for selection of the design-build entity will be as follows:

Submission of statements of qualifications	June 27, 2024
District gives notice of its decision regarding prequalification	July 15, 2024
District issues Request for Bids or Proposals	July 15, 2024
Site meeting	July 24, 2024
Last day for design-build entities to submit questions	August 14, 2024
Last day for District to respond to questions	August 19, 2024
Bids or proposals due	August 22, 2024
District Board awards the contract	September 12, 2024

The District reserves the right to amend this schedule for any reason.

DESCRIPTION OF DESIGN-BUILD SCOPE

AUDIO / VISUAL SOLUTIONS SCOPE OF WORK

Outfit each school's campus auditorium, cafeteria/multipurpose room or black box theater room with an audio/visual solutions that fits the needs of campus while creating consistency across all campuses for familiarity and ease of maintenance. The District desires to replace "in kind", utilizing existing bracing and structural components. DSA review and approval is not anticipated; however, it is the responsibility of the Design Build Entity to advise on review and approval requirements. Provide products, equipment and components with a level of quality and reasonable life expectancy that also come with the most ease to the end-user as practical. Design Build Entity will work with school's staff to integrate into their current workflow and recommend further developed workflows, while maintaining similarity between each campus.

Bill of Materials (BOM) will be provided in the RFP for informational purposes only and identifying the needs. Design Build Entity to come up with the most cost-effective design and list of equipment to meet the criteria and provide similar performance.

G. Apprenticeship Program Information

1. Provide the name, address and telephone number of the apprenticeship program sponsor(s) (approved by the California Apprenticeship Council) from whom you intend to request the dispatch of apprentices to your company for the Project.

2. If you operate your own State-approved apprenticeship program:

- (a) Identify the craft or crafts in which you provided apprenticeship training in the past year.
- (b) State the year in which each such apprenticeship program was approved, and attach evidence of the most recent California Apprenticeship Council approval(s) of your apprenticeship program(s).
- (c) State the number of individuals who were employed by you as apprentices at any time during the past three years in each apprenticeship and the number of persons who, during the past three years, completed apprenticeships in each craft while employed by you.

H. Design Qualifications

1. Do you possess a valid and current California architectural or engineering license for the Project?

Yes No

State the license number(s): _____

2. For what design specialties will you be hiring subconsultants?

3. Identify and describe all projects in the last 5 years that you have designed which are similar to the Project (other than those listed in response to Section F, above).

4. Identify the proposed key personnel that will perform the design services necessary for the Project.

5. For each person identified in response to the previous question, list evidence that he/she (a) has completed, or has demonstrated the experience, competency, capability, and capacity to complete, projects of similar size, scope, and complexity as the Project; and (b) has sufficient experience and training to competently manage and complete the construction of the Project.

6. Has your license, or any credential or registration, ever been revoked or suspended at any time in the last five years, even if later reinstated retroactively?

Yes No

I. Construction Qualifications

1. Do you possess a valid and current Class “C-10, Electrical or B, General Building” California contractor’s license, which is required for the Project?

Yes No

If yes, identify the holder of the license and the license number.

2. For what construction specialties will you be hiring subcontractors?

3. Identify and describe all projects in the last 5 years that you have constructed which are similar to the Project (other than those listed in response to Section F, above).

4. Identify the proposed key personnel that will perform the construction services necessary for the Project.

5. For each person identified in response to the previous question, list evidence that he/she (a) has completed, or has demonstrated the experience, competency, capability, and capacity to complete, projects of similar size, scope, and complexity as the Project; and (b) has sufficient experience and training to competently manage and complete the construction of the Project.

6. Do you have a liability insurance policy with a policy limit of at least \$1,000,000 per occurrence and \$2,000,000 aggregate?

Yes No

7. Do you have current workers’ compensation insurance policy as required by the Labor Code or are you legally self-insured pursuant to Labor Code section 3700 et seq.?

Yes **No**

Contractor is exempt from this requirement, because it has no employees.

8. Have you completed at least two California public school K-14 construction projects, subject to DSA approval?

Yes **No**

9. Are you currently registered with the Department of Industrial Relations and qualified to submit a bid or proposal and to otherwise perform work on a public project pursuant to Section 1725.5 of the Labor Code?

Yes **No**

10. Has your contractor's license, or any credential or registration, ever been revoked or suspended at any time in the last five years, even if later reinstated retroactively?

Yes **No**

11. At the time of submitting this form, are you ineligible to bid on or be awarded a public works contract, or perform as a subcontractor on a public works contract, pursuant to either Labor Code section 1777.1 or Labor Code section 1777.7?

Yes **No**

If yes, state the beginning and ending dates of your ineligibility to bid on or be awarded a public works contract, or perform as a subcontractor on a public works contract:

12. Are you currently the debtor in a bankruptcy or receivership case?

Yes **No**

If yes, please attach a copy of the bankruptcy petition, showing the case number, and the date on which the petition was filed.

13. Has a surety firm completed a contract on your behalf, or paid for completion of a contract because you were terminated by the project owner within the last five (5) years?

Yes **No**

14. Have you, or any of your owners, officers, partners, or members, ever been found liable in a civil suit, or found guilty in a criminal action, for making any false claim or material misrepresentation to any public agency or entity?

Yes No

If yes, explain on a separate signed page, including identifying who was involved, the name of the public agency, the date of the investigation and the grounds for the finding.

15. Have you, or any of your owners, officers, partners, or members ever been convicted of a crime involving any federal, state, or local law related to design or construction?

Yes No

16. Have you or any of your owners, officers, partners, or members ever been convicted of a federal or state crime of fraud, theft, or any act of dishonesty?

Yes No

If yes, identify on a separate signed page the person or persons convicted, the court (the county if a state court, the district or location of the federal court), the year and the criminal conduct.

J. Financial History & Licensing

1. Were you in bankruptcy or receivership any time during the last five years?

Yes No

If yes, please attach a copy of the bankruptcy petition, showing the case number and the date on which the petition was filed, and a copy of the Bankruptcy Court's discharge order, or of any other document that ended the case, if no discharge order was issued.

2. Has any license held by you, or held by its Responsible Managing Employee (RME) or Responsible Managing Officer (RMO), been suspended within the last five years?

Yes No

K. Disputes

1. At any time in the last five years, have liquidated damages been assessed or levied against you under a construction contract with either a public or private owner?

Yes No

If yes, explain on a separate signed page, identifying all such projects by owner, owner's address, the date of completion of the project, amount of liquidated damages assessed or levied by the owner, amount of liquidated damages paid or credited by you to the owner, and all other information necessary to fully explain the assessment or levy of liquidated damages.

2. In the last five years have you, or any firm with which any of your company's owners, officers, partners, or members was associated, been debarred, disqualified, removed or otherwise prevented from bidding on, or completing, any government agency or public works project for any reason?

NOTE: "Associated" refers to another construction firm in which an owner, partner or officer of your firm held a similar position, and which is listed in response to question 4 on Part I of this form.

Yes No

If yes, explain on a separate signed page. State whether the firm involved was the firm applying for prequalification here or another firm. Identify by name of the company, the name of the person within your firm who was associated with that company, the year of the event, the owner of the project, the project and the basis for the action.

3. In the last five years, have you been denied an award of a public works contract based on a finding by a public agency that you were not a responsible bidder?

Yes No

If yes, explain on a separate page. Identify the year of the event, the owner, the project and the basis for the finding by the public agency.

NOTE: The following two questions refer only to disputes between you and the owner of a project. You need not include information about disputes between you and a supplier, another contractor, or subcontractor. You need not include information about "pass-through" disputes in which the actual dispute is between a sub-contractor and a project owner. Also, you may omit reference to all disputes about amounts of less than \$50,000.

4. In the past five years, has any claim by a project owner (including a complaint) against you concerning your design or construction work on a project been filed in court or been the subject of arbitration?

Yes No

If yes, on separate signed sheets of paper identify the claim(s) by providing the project name, date of the claim, name of the claimant, a brief description of the nature and

amount of the claim (including a breakdown of the major elements of the claim), the court in which the case was filed, and a brief description of the status of the claim (pending or, if resolved, a brief description of the resolution).

5. In the past five years, have you filed any claim (including a complaint) in court or arbitration against a project owner concerning work on a project or payment for a contract?

Yes No

If yes, on separate signed sheets of paper identify the claim by providing the project name, date of the claim, name of the entity (or entities) against whom the claim was filed, a brief description of the nature and amount of the claim (including a breakdown of the major elements of the claim), the court in which the case was filed and a brief description of the status of the claim (pending, or if resolved, a brief description of the resolution).

6. Have you had a contract for a public work of improvement in the last five years that was terminated for cause by a public entity, or terminated in whole or in part with or without your consent? **Note: You need not answer “yes” if the public entity terminated the contract for convenience.**

Yes No

If the answer is “Yes,” for each such contract attach a separate sheet identifying the owner, your bonding company, the original contract value, the value of the work terminated and a brief explanation of the circumstances leading to the termination.

7. At any time during the past five years, has any surety company made any payments on your behalf to satisfy any claims made against a performance or payment bond issued on your behalf, in connection with a construction project, either public or private?

Yes No

If “yes,” explain on a separate signed page the amount of each such claim, the name and telephone number of the claimant, the date of the claim, the grounds for the claim, the present status of the claim, the date of resolution of such claim if resolved, the method by which such was resolved if resolved, the nature of the resolution and the amount, if any, at which the claim was resolved.

8. In the last three years have you held a public works contract on which more than three (3) stop payment notices were served against your firm.

Yes No

If “yes,” explain on a separate signed page.

9. In the last 3 years has there been a claim against one of your Payment Bonds?

Yes No

If “yes,” explain on a separate signed page.

L. Insurance and Bonding

1. In the last five years, has any insurance carrier, for any form of insurance, refused to renew the insurance policy for you?

Yes No

If yes, how many instances? _____

2. If you were required to pay a premium of more than one percent for a performance and payment bond on any project(s) on which you worked at any time during the last five years, state the percentage that you were required to pay, identify the project, identify the owner, and identify the dates of the project. You may provide an explanation for a percentage rate higher than one percent, if you wish to do so.

_____ %

3. During the last five years, have you ever been denied bond coverage by a surety company, or has there ever been a period of time when you had no surety bond in place during a public construction project when one was required?

Yes No

If yes, provide details on a separate signed sheet indicating the date when you were denied coverage and the name of the company or companies which denied coverage; and the period during which you had no surety bond in place.

M. Compliance with Law, Worker’s Compensation, and Safety Record

1. Has CAL OSHA cited and assessed penalties against you for any “serious,” “willful” or “repeat” violations of its safety or health regulations in the past five years?

Note: If you have filed an appeal of a citation and the Occupational Safety and Health Appeals Board has not yet ruled on your appeal, you need not include information about it.

Yes No

If yes, attach a separate signed page describing each citation.

2. Has the federal Occupational Safety and Health Administration cited and assessed penalties against you in the past five years?

Note: If you have filed an appeal of a citation and the appropriate appeals Board has not yet ruled on your appeal, you need not include information about it.

Yes No

If yes, attach a separate signed page describing each citation.

3. Has the EPA or any Air Quality Management District or any Regional Water Quality Control Board cited and assessed penalties against either you or the owner of a project on which you were the contractor, in the past five years?

NOTE: If you have filed an appeal of a citation and the Appeals Board has not yet ruled on your appeal, or if there is a court appeal pending, you need not include information about the citation.

Yes No

If yes, attach a separate signed page describing each citation.

4. How often do you require documented safety meetings to be held for construction employees and field supervisors during the course of a project?

Describe your worker safety program: _____

5. List your Experience Modification Rate (EMR) (California workers' compensation insurance) for each of the past three premium years:

NOTE: An Experience Modification Rate is issued to you annually by your workers' compensation insurance carrier.

Current year: _____

Previous year: _____

Year prior to previous year: _____

If your EMR for any of these three years is or was 1.00 or higher, you may, if you wish, attach a letter of explanation.

6. Within the last five years, has there ever been a period when you had employees but were without workers' compensation insurance or state-approved self-insurance?

Yes No

7. State your average total recordable injury or illness rate and average lost work rate for the most recent three-year period: _____

N. Prevailing Wage and Apprenticeship Compliance Record

1. Has there been any occasion during the last five years on which you were required to pay either back wages or penalties for your failure to comply with the **state's** prevailing wage laws?

Yes No

NOTE: This question refers only to your own violation of prevailing wage laws, not to violations of the prevailing wage laws by a subcontractor.

If yes, attach a separate signed page or pages, describing the nature of each violation, identifying the name of the project, the date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid and the amount of back wages and penalties that you were required to pay.

2. During the last five years, has there been any occasion on which you have been penalized or required to pay back wages for failure to comply with the **federal** Davis-Bacon prevailing wage requirements?

Yes No

If yes, attach a separate signed page or pages describing the nature of the violation, identifying the name of the project, the date of its completion, the public agency for which it was constructed; the number of employees who were initially underpaid, the amount of back wages you were required to pay along with the amount of any penalty paid.

3. Other than as already described in response to any question above, have any other labor or environmental charges or penalties been assessed or levied against, or paid by, you or the owner of a project on which you were the contractor in the past five years?

Yes No

4. At any time during the last five years, have you been found to have violated any provision of California apprenticeship laws or regulations, or the laws pertaining to use of apprentices on public works?

Yes No

If “yes,” provide the date(s) of such findings, and attach copies of the Department’s final decision(s).

If yes, attach a separate signed page or pages describing the nature of the violation, identifying the name of the project, the date of its completion, and the public agency for which it was constructed.

5. Will you agree to an enforceable commitment in the design-build contract that you and all of your subconsultants and subcontractors at every tier will use a skilled and trained workforce to perform all work on the Project that falls within an apprenticeable occupation in the building and construction trades, as required by Public Contract Code sections 2600 *et seq.*?

Yes No
