ARTICLE 1 – AGREEMENT

This is an Agreement made and entered into this 1st day of July, 2021 between the FRESNO UNIFIED SCHOOL DISTRICT (hereinafter referred to as "FUSD") and the CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION and its Fresno Chapter #125 or its successors (hereinafter referred to as "CSEA").

The purpose of this Agreement is to promote sound personnel management and employer-employee relations, providing a procedure for the resolution of differences, and establish rate of pay and other terms and conditions of employment as provided in Chapter 10(7) (commencing with Section 3540), Division 4 of Title I of the Government Code.

ARTICLE 2 – COMPLAINT PROCEDURE

1. Definition of a Complaint:

A complaint is any alleged violation of FUSD policy or administrative regulation, not included in contract, or provision of the Education Code, which has adversely affected the bargaining unit member filing the complaint. The complaint must be filed on the appropriate form provided by FUSD's Office of Labor Relations. These complaint procedures do not apply to any complaints for which existing policies and procedures are provided in Board Policy or Administrative Regulations.

2. Complaint Procedure:

These complaints shall be subject to the following process:

1. Pursue Informal Resolution: Prior to the submission of a complaint in writing, the employee is encouraged to pursue resolution on an informal level. This informal level may be requested through the employee's manager or any other appropriate administrator with or without the assistance of the employee's union representative.
2. Principal/Department Head: Within fifteen (15) working days after a complainant knows, or by reasonable diligence could have known of the condition upon which the complaint is based, the complainant must present any complaint in writing to his/her principal/department head.

The principal/department head shall communicate a decision to the complainant in writing within ten (10) working days after receiving the complaint. The principal/department head has the right to request a personal conference with the complainant.

3. Area Superintendent/Division Head: In the event the complaint is not resolved at the principal/department head level, the complainant may appeal his/her complaint within five (5) working days after the principal/department head's decision is rendered. If the principal/department head does not render a decision within ten (10) working days, the complainant may appeal to the next level within five (5) working days.

The area superintendent/division head or his/her designee shall communicate his/her decision to the complainant within ten (10) working days after receiving the complaint.

4. Superintendent Level: In the event the complaint is not resolved at area superintendent/division head level, the complainant may appeal his/her complaint within five (5) working days after the decision is rendered. If the area superintendent/division head does not render a decision within five (5) working days, the complainant may appeal to the next level within five (5) working days. The Superintendent, or his designee, shall communicate his decision to the complainant within ten (10) working days after receiving the complaint. This decision will be final.

3. Subject to Grievance:

The correct application of the Complaint Procedure may be grieved; however, the decisions or merits of any complaint are not subject to the Grievance Procedure in this contract.

4. Extending or Shortening Timelines:

Nothing shall preclude the parties from mutually agreeing to extend or shorten any timelines within the Complaint Procedure. Such mutual exceptions must be in writing.

ARTICLE 3 – COMPLETION OF MEET AND NEGOTIATIONS

1. Agreement Changes:

During the term of this Agreement, CSEA expressly waives and relinquishes the right to meet and negotiate and agrees that FUSD shall not be obligated to meet and negotiate with respect to any subject or matter whether or not referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both FUSD or the CSEA at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn. It is further agreed that the exclusive representative will not appear before the public school employer in order to seek change or improvement in any matter subject to the meet and negotiation process.

2. Mutual Agreement:

This Article shall not be construed to prevent the parties from mutually agreeing in writing, to reopen any provision or provisions in this Agreement.

3. Reopeners:

For the 2022-2023 and 2023-2024 school years, either party may reopen negotiations on Salary (Article 23), Fringe Benefits (Article 9) and two (2) other subjects requested by either party. The requesting party shall send written notice to the other of the request to reopen on or before May 1st proceeding the school year in which any changes may become effective.

4. Support:

FUSD and CSEA agree that it is to their mutual benefit to support the Agreement for its term.

ARTICLE 4 – CONCERTED ACTIVITIES

1. No Strike Clause:

It is agreed and understood that there will be no strike, work stoppage, slowdown, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of FUSD by CSEA or by its officers, agents or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity. During the term of this Agreement, FUSD agrees not to engage in any lockout of employees covered by this Agreement. A lockout is a decision by FUSD to refuse to allow CSEA members to perform their regular jobs when that work is available or continues to be performed.

2. CSEA's Obligation to Comply:

CSEA recognizes its duty and obligation to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. In the event of a strike, work stoppage, slowdown or other interference with the operations of FUSD by employees who are represented by CSEA, the CSEA agrees in good faith to take all necessary steps to cause those employees to cease such action.

3. Violation:

It is agreed and understood that any employee violating this Article may be subject to discipline up to and including termination by FUSD.

4. Rights Under Violation:

It is understood that in the event this Article is violated, FUSD shall be entitled to withdraw any rights, privileges or services provided for in this Agreement, in FUSD policy or by Education Code from any employee and/or the CSEA.

5. Subject to Grievance:

Actions by FUSD taken under this Article shall be subject to the Grievance Procedure. In the event a grievance is filed, it must be limited to the question of whether or not this Article has been violated.

6. Judicial Relief:

Nothing in this Article shall be so construed as to prevent either party from seeking judicial relief by a court of competent jurisdiction.

ARTICLE 5 – FUSD’S RIGHTS

1. **Power and Authority:**

It is understood and agreed that FUSD retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to, those powers and authority are the exclusive rights to determine its organization; direct the work of its employees; determine the times and hours of operation; determine the school calendar; determine the kinds and levels of services to be provided and the methods and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of FUSD operations; determine class size; determine the curriculum; build, move or modify facilities; establish budget procedures and determine the methods of raising revenue; establish evaluation procedures; contract out work; and take action on any matter in the event of an emergency. In addition, FUSD retains the right to act to hire, classify, assign, evaluate, promote, transfer, terminate and discipline employees.

2. **Subject to Grievance:**

Issues arising out of the exercise by the Board and administration of its responsibilities under this Article, including the facts underlying its exercise of such discretion, shall not be subject to the Grievance Procedure.

3. **Limitations:**

The exercise of the foregoing powers, rights, authority, duties and responsibilities by FUSD, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by law, and all specific and express terms of this Agreement.

ARTICLE 6 – EFFECT OF AGREEMENT

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District FUSD practices and procedures and over State laws to the extent permitted by State law, and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary with FUSD.

ARTICLE 7 – EMPLOYEE EXPENSES AND MATERIALS

1. **Uniforms:**

FUSD shall pay the full cost of the purchase, lease, rental and maintenance of uniforms, equipment, identification badges, emblems and cards required by FUSD to be worn or used by the bargaining unit employees.

2. **Tools:**

FUSD agrees to provide all tools, equipment and supplies reasonably required by FUSD for bargaining unit employees for the performance of employment duties.

3. Safety:

Should FUSD require use of any equipment or gear to insure the safety of the employee or others, FUSD agrees to furnish such equipment or gear.

4. Personal Automobile:

Unit members who are required to use their personal automobile in order to carry out their regular or assigned duties, or for other FUSD- approved travel, shall be reimbursed at the IRS allowable rate. This rate shall be automatically increased as the IRS increases its allowable rate.

A. "Regularly or assigned duties" travel shall include:

1) Travel Between Work Sites: Travel between work sites for unit members whose regular assignments specifically require such travel.

2) Transporting: Travel by unit members whose assigned duties specifically involve transporting of supplies, equipment, currency, or people including students.

B. FUSD reserves the option to establish even monthly rates for those unit members whose assignment results in a predictable amount of miles per month.

5. Personal Property:

Damage to personal property of bargaining unit members while providing for the safety of students will be reviewed on a case by case basis to determine if it should be replaced at District expense.

6. Physical Examinations:

FUSD agrees to provide the full cost of any medical examination required as a condition of continued employment, including, but not limited to, the provisions outlined in the Education Code.

7. Required Training:

The District shall pay the employee's current hourly rate for all hours required to be spent in attendance at District required training. The District shall also pay all registration expenses, costs of course materials, textbooks, and travel expenses for such required training. The District will provide training for employees who are required to accept new and/or additional responsibilities.

8. District:

Sponsored training through the Professional Development Department shall be announced via site/department hard copy and may use one (1) or more of the following methods: via hard copy, email, iAchieve, and other forms of communication available.

ARTICLE 8 – EMPLOYEE RIGHTS

1. Right to Organize:

FUSD and CSEA recognize the rights of employees to form, join and participate in lawful activities of employee organizations.

2. Work Environment:
All employees in the bargaining unit shall be guaranteed a working environment free from illegal discrimination and all employees in bargaining unit shall not suffer reprisals for participation in organization activities. Violation of this section shall be subject to the Grievance Procedure, as per Article 2.
3. Probationary Period:
The probationary period for new FUSD employees shall be six (6) months.
4. Personnel Files:
The personnel file of each employee shall be maintained at FUSD's Central Administration Office.
 - A. Confidentiality: All personnel files shall be kept in confidence and shall be available for inspection only to other employees of FUSD when actually necessary in the proper administration of FUSD's affairs or the supervision of the employee.
 - B. Review of Information: A classified employee may, upon request, review materials in his/her personnel file. Privileged information, such as confidential placement bureau papers and confidential statements submitted as part of application procedures, including rating reports of records which were obtained prior to the employment of the person involved, shall be removed by the Associate Superintendent, Division of Human Resources/Labor Relations, or designee from the file prior to a review of the file by the employee.
 - C. Derogatory Material: Employees shall be provided with written copies of any derogatory material ten (10) days before it is placed in the employee's personnel file, and such material shall be signed and dated by both parties. In the event an employee will not sign, a witness may attest that the opportunity was afforded ("derogatory material" is defined as documents containing negative information; "derogatory material" does not include evaluation documents).
 - D. Time of Response: The employee shall be given an opportunity, during normal working hours and without loss of pay, to initial and date the material and shall be given reasonable time to prepare a written response to said material. The written response shall be attached to said materials.
 - E. Review of Response: If the employee believes that the derogatory charges are without basis, they may submit a written response to those charges and request that the facts be reviewed by the Associate Superintendent, Division of Human Resources/Labor Relations. In the event derogatory charges against an employee are proven to be without substance, the material shall be expunged from the personnel file. The decision shall be subject to the Complaint Procedure, beginning at the appropriate level.

5. Evaluation and Professional Learning Plan (PLP)

A. All classified employees/unit members are encouraged, but not mandated to conduct a self-assessment to assist in identifying goals and objectives for improving their professional practice for career planning. All employees are also encouraged, but not mandated to create a Professional Learning Plan (PLP), based on self-reflection as well as feedback from accountable community teammates, peers, and/or their supervisor.

B. No evaluation of any employee shall be placed in the employee's personnel file without an opportunity for discussion between the employee and the prime evaluator. In the event an employee's job performance is less than satisfactory, a formal oral review shall be held between the employee and evaluator in advance of the written evaluation. At this time a Competency Review Report will be completed identifying examples of unsatisfactory performance and recommendations for improvement. The employee shall be given the opportunity to offer a written response to the document. No material resulting from this conference shall be placed in the employee's personnel file at this time. A reasonable period of time (not less than thirty [30] working days) will be provided for the employee to make the necessary corrections. If an acceptable performance level is not obtained, the evaluation will reflect the substandard performance and may include copies of the Competency Review Report with employee response. The employee shall have the right to review and respond to any evaluation in accordance with procedures outlined in this Article. When a satisfactory evaluation is not obtained, a Work Plan will be developed jointly by the supervisor and employee and implemented to specifically identify the necessary improvements to include goals and objectives.

- 1) Subject to Grievance: The evaluation process and procedure here agreed upon are subject to the Grievance Procedure; however, evaluation of the performance is not.
- 2) Critical Evaluations: Critical evaluations shall be based on documented evidence and/or direct observation of the evaluator and shall not be based on hearsay.
- 3) Evaluation Request: An employee who receives "requires improvement" on the Classified Employee Evaluation Report may request another evaluation after a three (3) month period. If the supervisor believes the employee still requires improvement the evaluation need not be completed. This provision does not apply to an "unsatisfactory" rating.

6. Distribution of Job Information:

Upon initial employment and each change in classification, each affected employee in the bargaining unit shall receive a copy of the applicable job description, a specification of the monthly and hourly rates applicable to his/her position, a statement of the duties of the position, a statement of the employee's regular work site, regularly assigned work shift, the hours per day, days per week and months per year.

7. Medical Duties:

District agrees to abide by current job description duties of Elementary School Office Managers that include determining needs of children entering the Nurse's office with injuries or illness when a Nurse or Health Assistant is not present and administer first aid as necessary. All School Office Managers will be trained and expected to administer emergency medication in the absence of a Nurse or Health Assistant. District also agrees to provide training for staff who volunteer to provide emergency medical procedures. For those employees who have willingly volunteered to provide such duties shall have the right to notice and discontinue providing such medical duties with thirty (30) days written notice to the District (Director of Health Services).

8. Contract Availability:

All new employees shall be provided with a copy of the current Collective Bargaining Agreement (CBA) upon date of hire. Copies of changes or additions to the current Agreement shall be provided to all bargaining unit members affected within thirty (30) days of ratification. The contract is also available on the Human Resources Web Site: <http://www.fresnounified.org/dept/hr/Webpages/default.aspx>.

ARTICLE 9 – FRINGE BENEFITS

1. General Provisions

A. Insurance Benefits:

FUSD shall provide a fully paid health plan (less the applicable employee contribution) for employees and eligible dependents and a dental, life and vision plan for eligible employees. The current monthly employee contribution for the health plan is based upon a tiered structure.

B. Enrollment:

FUSD shall not prohibit any unit member from enrolling all eligible dependents as defined by FUSD'S eligibility requirements.

C. Members Who Terminate:

Bargaining unit members who terminate paid service during the school year shall have their calendar year of benefits coverage (except for FUSD Life Insurance Plan) prorated to equal the percentage of the service year worked.

D. Eligibility:

A bargaining unit member must be employed half time or more to become eligible for benefits. Bargaining unit members must be employed twenty (20) hours per week or more to become eligible for benefits. The only exception to this will be disability insurance.

E. Enrollment in Benefit Plans

- 1) Health Plan: Employees and eligible dependents must enroll within thirty (30) days of employment.

FUSD shall provide one (1) 60-day open enrollment period each year beginning approximately October 1st for all bargaining unit members and dependents not currently enrolled in the existing Health Benefit Plan. Unit members enrolling or adding dependents shall effect coverage on the January 1st following enrollment, provided properly completed open enrollment materials are received by FUSD by the 30th of November.

- 2) Dental Plan (Delta Dental): New employees and eligible dependents must enroll within thirty (30) days of employment. Failure to so enroll timely would mean no dental coverage would be possible until the next annual open enrollment period.
 - a) Eligible dependents may be enrolled in the Dental Plan at employee cost via payroll deductions.
 - b) New dependents must be enrolled within thirty (30) days of their eligibility as dependents. If dependent coverage is desired, all eligible dependents must be enrolled and shall remain enrolled as long as they are eligible.
- 3) Insurance Plan: New employees and their dependents must enroll within thirty (30) days of employment without proof of insurability. Coverage will be effective on the first day of active duty if that coincides with the first day of the month; otherwise, the first of the month next following the date of employment. Enrollment thereafter would require submission of a health statement which is subject to approval of the insurance carrier. Dependent coverage and supplemental units of insurance are available at employee cost via payroll deductions.
- 4) Vision Plan: New employees must enroll within thirty (30) days of employment, and the effective date of coverage will be the first of the month following employment. Dependent vision coverage is available to regular, full time employees at their cost.
- 5) Disability Insurance Plan: A disability insurance plan will be provided to all employees in the bargaining unit.

- F. Disabllitant: FUSD shall provide for coverage under the health plan for employees whose disability retirement application is pending.

Upon effective date of disability retirement, FUSD would provide coverage to those retirees who qualified by having ten (10) or more years of FUSD service.

2. Joint Health Management Board (JHMB)

- A. Consultant and Plan Administrator shall be selected and funded by JHMB, who will remain in a contractual and/or employment relationship with the District.

- B. Contracts and Compensation for the Consultant and Plan Administrator shall be recommended by JHMB, but subject to approval by the Board of Education. Such approval shall not be arbitrarily or unreasonably withheld.
- C. Reporting, reports and disclosures of the Consultant and Plan Administrator shall be as established by the JHMB.
- D. The JHMB will, as soon as possible, establish written procedures for conducting its functions as set forth in this Agreement. Such procedures shall include:
 - 1) Voting procedures, including absentee voting.
 - 2) Establishing regular meeting dates.
 - 3) Establishing subcommittees.
 - 4) The agendaing and prioritizing of JHMB activities.
 - 5) The establishment of terms for JHMB members. Such terms shall promote stability and continuity of membership in order to foster expertise in the subject matter of the JHMB.
- E. Labor and Management shall each have one (1) vote on the JHMB.
- F. Labor representation shall be proportional to membership in determining the one (1) labor vote. Management representation shall be determined by the District. The decision making process of the JHMB shall be:
 - 1) Consensus; if consensus cannot be reached, Section B applies.
 - 2) If consensus is not reached, the following is an example of the weighted vote for employee groups.

Example

The voting structure is weighted with each group maintaining a percentage of the weighted vote based on the number of eligible active employees in the unit as a portion of all represented eligible active employees in the District. For example, based on CSEA 125 and CSEA 143 representing approximately 1717 represented eligible active employees, (out of a total of 6756), CSEA 125 and CSEA 143 combined voting weight would be 25.4 percent.

- G. There shall be binding arbitration of any JHMB deadlocked votes; provided however the arbitrator(s) shall have no authority to increase the District's contribution to the Health Fund. Rather, such an increase can only occur, if at all, through subsequent negotiated agreements and ratification thereof by all parties. Upon agreement by Labor and Management (i.e., each casting its single vote in the affirmative), such arbitration may be "Expedited Arbitration" on a case by case basis. The cost of arbitration is to be borne by the Health Fund. Arbitrators shall be selected from a list provided by the California State Mediation and Conciliation Service.
- H. All Plan Design modifications, including but not limited to co-pays, deductibles, premium contributions and assessments, and selection, addition or termination of health

plans/providers for all active and retired employees (regardless of age) shall be made by the JHMB (unless a deadlock goes to arbitration), and implemented upon JHMB action/arbitration decision without the need for further negotiations and/or ratification by the parties. Any premium contributions shall be accomplished through automatic payroll deduction for employees and through direct contributions from retirees.

- I. All vendor contracts are to be negotiated by JHMB, subject to approval by the Board of Education. Such approval shall not be arbitrarily or unreasonably withheld.
- J. The JHMB will assume full responsibility for all retiree health benefits, including the funding of unfunded liability as required by law, and the maintenance of prudent IBNR's (incurred but not reported), both of which shall be in accordance with actuarial recommendations. The JHMB will set as a target allocation of \$2 million annually and will allocate not less than \$1 million annually from the Health Fund toward such unfunded liability.

3. Withdrawal from FUSD/JHMB Benefits Coverage

- A. The current negotiated agreement between the District and the union requires the District to provide health coverage to eligible employees pursuant to a District-provided health plan as summarized in the Medical Plan document.
- B. As a result of 2004-2005 negotiations, the parties have agreed to delegate governance and administration of the District-provided health plan to a labor management Joint Health Management Board (JHMB).
- C. The union agrees to the establishment of the JHMB, and agrees to participate thereon pursuant to the negotiated agreement and any related memoranda of understanding or side letters to which the union is a party. However, the union wishes to set forth conditions under which it may elect to withdraw from the JHMB-administered FUSD-provided health plan in the future.
- D. The parties agree that the union may withdraw from the FUSD-provided health plan administered by the JHMB **only** under the following conditions:
 - 1) The union may withdraw during an annual window period by providing written notice to the District and to the JHMB by certified mail not later than ninety (90) calendar days prior to June 30th of its decision to withdraw effective June 30th of that year.
 - 2) As a precondition to withdrawal, the union must certify to the District's satisfaction that it has secured alternate and uninterrupted health coverage for its members and retirees such that the District and the JHMB are absolved of any present or future responsibility to provide such coverage.

- 3) Upon withdrawal, and absent negotiated agreement providing otherwise, the District shall allocate to the withdrawing union, on an annual basis, an amount of money equal to the District's contribution per active participant (in effect on the June 30th effective date of withdrawal), multiplied by the applicable number of active participants in each future year. This amount shall be reduced as appropriate and legally required to account for any expenses and/or financial obligations, etc. that may remain with the FUSD/JHMB at and/or following the time of withdrawal.
 - 4) Once the union withdraws, it shall be solely responsible for providing health benefits to its represented members and members who have retired or will retire from the District, including but not limited to any unfunded liabilities related thereto. Upon withdrawal, the union absolves the District of any future responsibility to provide benefits for employees and retirees of the District who were, are, or will be represented by the withdrawing union.
- E. Any disagreements between the union and the District regarding whether the foregoing requirements for withdrawal have been met shall be subject to expedited binding arbitration through the California State Mediation Service. In such a case, any proposed union withdrawal from the FUSD Health Plan shall not be implemented until such decision has been issued.

4. Health Fund:

- A. Effective as of July 1, 2018, in addition to the Health Fund contribution set forth in 6.A. of this Article, the District shall increase the annual per active employee contribution to the Health Fund consistent with other bargaining units.
- B. Current medical IBNRs shall remain as IBNR's in the Health Fund.

5. Procedures Regarding Potential Underfunding of Health Fund

- A. The JHMB shall report to the District and all employee associations on a quarterly basis regarding the status of the Health Fund.
- B. Specifically, such reports shall indicate whether actual expenditures from all components of the Health Plan are projected to exceed budgeted Health Fund revenues (the "shortfall"). This determination shall be made based on claims experience and expenses to date, projected according to objective, industry-based and historical trends to yield an annualized projection of total expenditures.

- C. If the shortfall is less than three percent (3%), the JHMB shall act immediately to increase eligible employee and/or retiree contributions or assessments, and/or modify plan design pursuant to Section 2, paragraph H above. Such action shall negate the shortfall within the fiscal year.
- D. If the shortfall is three percent (3%) or more, the Health Plan Reserve Assessment shall automatically and immediately be increased for all eligible active employees and eligible pre-65-year-old retirees. Such increase shall be in the amount necessary to negate the shortfall within the fiscal year. In determining the amount of the increase, the JHMB shall base its decision on the information and recommendations of the JHMB's consultant. If the JHMB cannot agree on the amount of the increase within fifteen (15) days of the consultants' recommendations, the consultants' recommendations shall be implemented.
- E. JHMB actions and/or automatic assessments shall apply as set forth in paragraphs C and D above regarding any month in which a projected shortfall is determined to exist.
- F. If any of the foregoing actions do not negate the shortfall in the same fiscal year, and the District must temporarily fund the remaining shortfall, such amount shall be deducted from the District's contribution to the Health Fund for the following year.
- G. Notwithstanding paragraph D immediately above, any midyear increases to the Health Plan Reserve Assessment representing a shortfall of three percent (3%) or more shall not immediately be passed on to active and retired employees during the fiscal year of such increase. Instead, such amount shall be temporarily funded by the District. Such amount shall be repaid to the District the following fiscal year by increasing the Health Plan Reserve Assessment paid by employees in an amount and for the duration of time necessary for the District to recoup its temporary "loan" within such following fiscal year. Such increase shall be in addition to any regular, annual increases the JHMB might impose pursuant to Section 2 (JHMB) paragraph H. This paragraph (5, G) shall be effective and apply only to the 2005-2006 school year.

6. Health and Welfare and Compensation

- A. The District's contribution to the Health Fund as set forth in Section 4 of this Article "Health Fund," shall be automatically increased by the percentage figure representing the effective, ongoing unrestricted dollar increase to the District's base grant revenues (BGR) actually received by the District in the applicable school year, including any ongoing unrestricted deficit reduction or equalization, and/or any other ongoing adjustment to the District's funded BGR and accounting for declining or increased enrollment, except the annual contribution per each active eligible employee shall not decrease year to year.
- B. The foregoing shall constitute the Districts maximum contribution to the Health Fund. The JHMB shall be responsible for implementing any changes necessary to ensure that health and welfare costs in excess of this level of contribution shall be borne by eligible active employees and eligible retirees in the Health Plan through plan design and or employee/retiree contribution/assessment changes, and/or any other JHMB actions as described in Section 2, paragraph H (JHMB). Such changes must be adopted by the

JHMB and implemented effective July 1st annually except for any changes made pursuant to Section 5. (Procedures Regarding Potential Underfunding of Health Fund).

C. The District's contribution per each active eligible employee to the health fund shall not be less than the amount set forth in Section 4 of this Article "Health Fund."

7. Retiree Health Benefits

A. Eligibility: An eligible retiree is one who has completed a minimum of sixteen (16) years of service, in FUSD prior to retirement, and has reached the age of fifty-seven and one-half (57½) years, except in the case of disabilitants. A disabilitant, as so certified by California Public Employees' Retirement System (CalPERS), becomes eligible for this benefit immediately if such disabilitant has had ten (10) years of service, in FUSD. In addition to regular years of service, Board approved health leaves shall be counted in the years' service requirements for this benefit. Employees hired prior to July 1, 1982 will qualify with ten (10) or more years of FUSD service.

Employees who were hired before July 1, 1982, resigned, and then were rehired before July 1, 1994 will qualify with ten (10) years of FUSD service.

Employees who were hired before July 1, 1982, resigned, and then were rehired after July 1, 1994 will qualify with sixteen (16) years of FUSD service.

B. Retirement Benefits and Eligibility for Employees Hired On or After July 1, 2005

The following eligibility requirements and District-provided retirement benefits shall apply to employees hired on or after July 1, 2005:

- Minimum age: 60
- Minimum years of service with the District: 25
- Benefit coverage for employee and spouse
- Benefit coverage to age 65 or age of Medicare eligibility if revised by law (no post-65/post-age of Medicare eligibility benefits)*

* The District shall provide up to five (5) years of retiree benefits regardless of whether the minimum age of Medicare eligibility is revised by law. In such event, the Districts minimum age of eligibility for retiree benefits shall be amended accordingly. For example, if the Medicare age of eligibility is increased to 67 years of age, the Districts minimum age of eligibility for retiree benefits shall automatically be increased to 62.

These modifications shall not apply to laid off employees who were hired on or before June 30, 2005, and are rehired by the District within the applicable statutory reemployment period since such a break in service is disregarded. Instead, such rehired employees shall be eligible for and receive retirement benefits pursuant to conditions that exist for employees hired prior to July 1, 2005.

C. Dependents: An eligible dependent(s) is defined as meeting the eligibility requirements of the current Health Benefit Plan.

- D. Medicare Part "B": Eligibility is further determined by both the retiree and/or dependent(s) enrolling in Medicare Part "A" when first qualified for such coverage through Social Security eligibility at no cost to the retiree and/or dependent(s). Additionally, it is required that all retirees and/or dependent(s) enroll in Medicare Part "B" upon becoming eligible.
- E. Spouses Benefits: If a retiree receiving this benefit should predecease a spouse, then the benefit will continue for said spouse provided all applicable requirements of these provisions are met.
- F. Medicare Defined: All references to "Medicare" refer to the Federal Medicare Law as described in Title 18 of the Social Security Act of 1964. An eligible dependent(s) is defined as meeting the eligibility requirements of the current Health Benefit Plan.
- G. Between 50 and 57½: Bargaining unit members retiring after the age of fifty (50) who maintain coverage under FUSD's Health Benefit Plan at their own expense shall be eligible for FUSD-paid coverage at age fifty-seven and one-half (57½) in accordance with the other provisions in this Article.
- H. FUSD Paid Benefits: FUSD shall provide continued paid health insurance benefits for enrolled surviving dependents of a deceased classified employee who was 57½ years of age or older and who would have been eligible for retirement and had completed sixteen (16) years or more of FUSD service, for the duration of eligibility. Employees hired prior to July 1, 1982 will qualify with ten (10) or more years of FUSD service.
- I. Surviving Spouse: The surviving spouse shall pay the applicable premium of the deceased employee who was under age 57½ and continue same until the deceased employee would have reached age 57½.
- J. Reenrollment Rights: Bargaining unit members returning from Board approved leave shall re-enroll within thirty-days (30) of return. There will be no health history requirements for unit members and their dependents. For FUSD's life insurance plan, re-enrollment shall be governed by the insurance company's requirements, if any.
- K. Alternative Insurance Plan: Medical Eye Services (MES) and Pacific Union Dental (PUD) Dental Plans are additional options to the Vision and Dental Plans currently existing between the Fresno Unified School District and CSEA.

L. Hold Harmless: The parties acknowledge that the District has taken the position in these negotiations that this Collective Bargaining Agreement (CBA) has the legal effect of modifying benefits (deductibles and co pays) contributions and other assessments for current retirees of the District. The parties further acknowledge that the unions/associations have disputed the District's position regarding contributions and other assessments for retirees. Notwithstanding this difference, the parties agree that this agreement is a valid and binding collectively bargained agreement which, if the District's position is correct legally establishes contributions and other assessments by current retirees. Nothing herein shall be construed as acceptance or acquiescence by the unions of the legitimacy of the District's position in this regard. Accordingly, should future District action to implement assessments and contributions from current retirees based on this Collective Bargaining Agreement be challenged in an appropriate forum, and if the unions are named as a party in such action, the District hereby agrees to defend, hold harmless and indemnify the unions for any adverse final judgment and any reasonable attorney's fees and costs incurred by the unions/associations. The District shall have the exclusive right to decide and determine whether any such action shall be compromised, resisted, defended, tried, or appealed.

8. Plan Design

A. Cross-Covered Participants (Active and/or retired employees and spouses are both FUSD employees or retirees): Cross-covered participants through the annual open enrollment process will have the opportunity to choose whether they desire to retain cross-covered status.

Those cross-covered participants who elect to retain this status shall be required to cross-enroll themselves and eligible dependent children (if applicable) under each participant's plan. Each participant is required to pay the established monthly two (2) party or family premium, as applicable, for the coverage(s) chosen.

Those current cross covered participants who elect through open enrollment not to remain cross-covered, shall receive the same benefit levels (plan design) and incur the same monthly premium expenses as all other non-cross covered participants.

B. No Opting Out: All eligible District employees shall be required to participate in the Health Benefits Plan so long as the Association is a member of JHMB and its unit members receive JHMB administered District-provided benefits as set forth herein and shall be required to pay the monthly contributions and assessments, at least at the employee only level for any plan(s) or coverage's.

C. Effective April 1, 2012 the following monthly contributions and assessments shall apply:

All Eligible active employees and eligible pre-65 year-old retirees

<u>Plan A and Plan C (Kaiser)</u>	<u>12-Month</u>	<u>10-Month</u>
Employee Only	\$160.00	\$192.00
Employee + Children	\$175.00	\$210.00

Employee + Spouse	\$90.00	\$108.00
Employee + Family	\$100.00	\$120.00

All Eligible Active Employees and Eligible Retirees Up to Age 75

Health Plan Reserve Assessment: In addition to the monthly contributions provided above, all eligible active employees and pre-65 year old retirees shall contribute a Health Plan Reserve Assessment of \$10 per month. All eligible post-65 retirees and eligible dependents (spouses and children) shall contribute \$10 per month each, up to a maximum of \$40 per month.

However, these monthly contributions shall continue only until the retiree and/or dependent reaches age 75, at which time the post-75 year-old retiree/dependent shall not be required to make any monthly contributions. The funds generated from this Assessment shall be placed in a Health Plan Reserve to offset current and future health care cost increases as needed. If the Joint Health Management Board determines such funds are not needed for this purpose, the Board may determine to reduce, rebate or refund such assessment. All retiree plan participants age 65 and over who are eligible for Medicare shall designate Medicare as their primary insurance coverage.

D. Specific information regarding monthly contributions, assessment, co-pays, deductibles, prescription benefits, out-of-pocket maximums and other information for all plan coverages can be found in the District Plan document or at:

ARTICLE 10 – GRIEVANCE PROCEDURE

1. Definitions

- A. Grievant: A "grievant" may be any classified, non-management employee of FUSD covered by the terms of this Agreement, or CSEA.
- B. Grievance: A "grievance" is a formal written allegation by one (1) or more specifically named bargaining unit members, or by CSEA. A "grievance" must allege a violation of specific provisions of this Agreement which affects the grievant or the unit member named by CSEA.
- C. Group Grievance: A "group grievance" may be filed by CSEA on behalf of more than one (1) specifically named grievant when both parties agree that there are common questions of fact pertaining to each grievance, and the grievances should proceed as a group.
- D. CSEA Grievance: The CSEA may grieve all Articles of this Agreement without, necessarily, identifying a specifically named bargaining unit member. These grievances must be filed within the time limits prescribed for Principal/Department Head Level (Level I formal grievances) and initiated at Superintendent Level (Level III).
- E. Business Day: A "day" is any day in which the FUSD Administration Center is open for business with the exception of those days during the winter vacation and spring vacation.
- F. Immediate Supervisor: The "immediate supervisor" is the lowest level supervisor not in the bargaining unit having immediate jurisdiction over the grievant who has been designated to adjust grievances.

2. Fundamentals

- A. Scope of the Procedure: Actions to challenge or change the policies of FUSD as set forth in the rules and regulations or administrative regulations and procedures must be undertaken under separate legal processes. Other matters for which a specific method of review is provided by law, by the rules and regulations of the Board of Education, or by the administrative regulations and procedures of this school district are not within the scope of this procedure.
- B. Informal Resolution: Nothing contained herein will be construed so as to limit the right of those considering lodging a grievance from discussing the matter informally with any appropriate management person, with or without CSEA intervention and/or representation, in an attempt to resolve the matter informally. It is mutually understood and agreed that informal efforts to resolve problems should normally occur but are not required.

- C. CSEA Representative: Grievants shall have the right upon request to the presence of a CSEA representative at all steps, at all conferences, and during any and all discussions and/or proceedings, formal or informal, concerned with processing or adjusting the grievance.
- D. More Than One Supervisor: Any grievant having more than one (1) immediate supervisor may file the grievance at the Area Superintendent/Division Head Level (Level II). If two (2) or more employees having identical grievances have different supervisors, they may file the grievance at the Area Superintendent/Division Head Level (Level II).
- E. Release Time Provisions: Any bargaining unit members required to appear in connection with this Article shall suffer no loss of pay. The grievant shall be entitled to process a grievance during normal working hours with no loss of pay or benefits.
- F. Influence of Grievant: Neither party shall attempt to isolate the grievant in order to influence an adjustment of the grievance.
- G. Grievance Procedure without CSEA: Nothing contained herein will prevent the grievant from proceeding through Level III of this Grievance Procedure without CSEA intervention, provided that FUSD shall not agree to a resolution of the grievance until the CSEA has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Bargaining unit members may individually present grievances to FUSD for processing. If the grievant desires a representative to help resolve the grievance at any level, said representative shall be designated by the exclusive representative for that purpose.
- H. Time Limits are Maximum: It is mutually understood and agreed that the time limits specified at each level are maximums and do not preclude the parties from desirable efforts to expedite the process of seeking a solution.
- I. Grievance not Appealed: Any grievance not appealed to the next step of the procedure within the prescribed time limits shall be considered settled on the basis of the answer given in the proceeding step.
- J. FUSD Response: If FUSD does not render a written response within the limits set forth at any step of the proceedings, the grievant may advance to the next step by filing the grievance form(s) within the limits specified at each step of the Grievance Procedure.
- K. Grievance Adjustment: It is mutually understood and agreed that the parties are encouraged to exert every effort to achieve a grievance adjustment affording a solution.
- L. Detrimental Decision: It is mutually understood and agreed that the management persons responsible for considering grievances are not obligated to render a written decision if in their judgment such decision would be detrimental to resolution of the grievance. In the event no decision is rendered, the grievant may submit such grievance to the subsequent level in conformance with the specified timelines.
- M. CSEA Grievance: CSEA grievances must be filed within the time limits prescribed for principal/department head level (Level I - formal level) grievances. Association

grievances should, however, be initiated at Superintendent Level (Level III), with fifteen (15) days allowed for the Superintendent (or his/her designee) to render a decision.

3. Informal Level:

Before filing a formal, written grievance, the grievant should attempt to resolve it by an informal conference with his/her immediate supervisor.

4. Formal Level

A. Principal/Department Head Level (Level I): Within fifteen (15) days after the occurrence of the act or omission giving rise to the grievance, or within fifteen (15) days of the time the grievant could reasonably have known of the occurrence of the act or omission, the grievant must present his/her grievance in writing on the appropriate form to his/her principal/department head. The grievance shall contain a clear and concise statement of the act or omission giving rise to the grievance including the name of any involved employee, and date(s), time(s), and place(s) involved in the alleged grievance. It shall also specify the section(s) of the contract which are alleged to have been violated, the specific remedy sought by the grievant, and the reasons why the principal/department head's (or other FUSD Administrator's) proposed resolution, if any, is unacceptable.

- 1) The principal/department head shall communicate his/her decision to the employee in writing within ten (10) days after receiving the grievance. If the principal/department head does not respond within the time limits, the grievance shall be advanced to Division of Human Resources Level (Level II).
- 2) Within the above time limits, a personal conference will be held at the request of either party.

B. Division of Human Resources Level (Level II): In the event the CSEA or the grievant is not satisfied with the decision at the principal/department head level (Level I), he/she or CSEA may appeal the decision on the appropriate form to the Associate Superintendent Division of Human Resources/Labor Relations or his/her designee, within ten (10) days.

- 1) This statement should include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal.
- 2) The Associate Superintendent Division of Human Resources/Labor Relations or his/her designee, shall communicate his/her decision within ten (10) days after receiving the appeal. Either the CSEA or Associate Superintendent Division of Human Resources/Labor Relations or his/her designee, may request a personal conference within the above time limits. If the Associate Superintendent Division of Human Resources/Labor Relations or his/her designee does not respond within the time limits, CSEA or the grievant may appeal to the next level.

C. Superintendent Level (Level III): If CSEA or the grievant is not satisfied with the decision at the Associate Superintendent, Division of Human Resources/Labor Relations Level (Level II), he/she may within ten (10) days appeal the decision on the appropriate form to the Superintendent or Superintendent's designee.

- 1) This statement shall include a copy of the original grievance and appeal, the decisions rendered, and a clear, concise statement of the reasons for the appeal.
- 2) The Superintendent, or Superintendent's designee, shall communicate his/her decision to the grievant within ten (10) days.

D. Arbitration Level (Level IV): If CSEA is not satisfied with the decision at the Superintendent Level (Level III), CSEA may within ten (10) days submit a request in writing that CSEA will submit the grievance to arbitration. If CSEA agrees to proceed then CSEA will request arbitration of the grievance to the Office of Labor Relations for arbitration of the dispute.

- 1) CSEA and FUSD shall attempt to agree upon an arbitrator. If no agreement can be reached, they shall request the State Mediation and Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator. The order of striking shall be determined by flipping a coin.
- 2) The fees and expenses of the arbitrator and the hearing shall be borne equally by FUSD and CSEA. All other expenses shall be borne by the party incurring them.
- 3) The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and answers thereto at each step.
- 4) Powers and limitations of the arbitrator shall be as follows:

The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement. The arbitrator shall determine only whether or not there has been a violation of this Agreement as alleged by CSEA. The arbitrator's remedy must be limited to the agreement and specific grievance involved.

- 5) After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her findings and award, if any, which shall be final and binding.
- 6) The decision of the arbitrator is not appealable by either party except as provided in this Section and by law.
- 7) Where the arbitrator's decision is contrary to any of the provisions of this Article. It shall be deemed to be arbitrator misconduct and/or that the arbitrator has exceeded his/her powers under this Agreement.

5. Extending or Shortening Timelines:

Nothing shall preclude the parties from mutually agreeing to extend or shorten any timelines within this Grievance Procedure. Such mutual exceptions must be in writing.

ARTICLE 12 - HOURS AND OVERTIME

1. Workweek:

The regular workweek of a full-time unit member shall be forty (40) hours.

2. Workday:

The regular workday shall be eight (8) hours.

3. Scheduling:

The scheduling of the hours and the workdays shall be the sole discretion of the FUSD Management.

A. Computing Hours Worked: For the purpose of computing the number of hours worked, time during which the unit member is excused from work because of holidays, sick leave, vacation, compensated time off, or other paid leaves of absence, shall be considered as time worked by the unit member.

An employee who accepts an additional assignment in accordance with the provisions of this section shall receive, on a prorata basis, no less than the compensation and benefits applicable to that classification during the regular work year, and in no event shall their compensation and benefits be less, on a prorata basis, than the compensation and benefits received immediately prior to the commencement of the additional assignment. This shall, in no instance, be construed to mean substitute work.
- 1) No prorating of compensation and benefits shall be applied on any basis other than on the relationship which the number of hours assigned for the additional employment bears to the number of hours assigned to the employee during the regular work year.
 - 2) All hours assigned to an employee for an additional assignment shall be considered "hours in paid status" for the purpose of this Agreement.
 - 3) Additional assignments will be offered to bargaining unit members at the site being used equitably by District seniority and classification. This shall, in no instance, be construed to mean substitute work.

- 2) All hours assigned to an employee for an additional assignment shall be considered "hours in paid status" for the purpose of this Agreement.
- 3) Summer School assignments will be offered to bargaining unit members at the site being used equitably by District seniority and classification. Bargaining unit members will be allowed to apply during the spring semester concerning an interest in summer school employment. A seniority list will be established from which the appointed Human Resource designee may select the appropriate personnel by seniority and classification as identified above.
- 4) All bargaining unit members working 10½ and 11 months may have the opportunity to use the overlap form provided from the Summer School Office with time and dates verified by their site administrator to allow for make-up time during their regular year contract.

5. Authorization of Overtime:

The designation, authorization and allocation of any overtime shall rest solely with FUSD management and shall not be subject to Article 10, Grievance Procedure but will be subject to the Complaint Procedure. ARTICLE 13 - LAYOFF AND REEMPLOYMENT

1. Reason for Layoff:

Classified employees shall be subject to layoff in accordance with provisions of the Education Code of the State of California, Sections 45114, 45115, 45117, 45298 and 45308, for lack of work or lack of funds. For purposes of this Article, reduction of hours shall be considered a layoff.

2. Notice of Layoffs:

Procedures for layoff notice and right to hearing are set forth in Education Code Section 45117. The District will endeavor to provide the CSEA and its Chapter 125 Bargaining Team and Labor Relations Representative advanced notice prior to sending out notices to affected employees. The parties shall meet to review seniority lists in all affected classifications no more than sixty (60) days following the notice of the intent to layoff bargaining unit employees. Notice of layoff shall include:

A. Reason for layoff

- B. Date effective
- C. Seniority placement
- D. Notice of bumping rights
- E. Reemployment rights
- F. Promotional rights
- G. Service retirement options

3. Order of Layoffs:

Whenever a classified employee is laid off, the order of layoff within the class shall be determined by length of service. The employee, who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Seniority shall be based on the number of hours an employee has been in a paid status in the class, plus higher classes, exclusive of any overtime. Employees shall be laid off according to their status in the following order: first, temporary; second, probationary; third, permanent.

4. Bumping Rights:

An employee laid off from his/her present class shall be given the opportunity of replacing any employee with fewer seniority years of work in lower classes provided the employee has previously served in that classification.

5. Layoff in Lieu of Bumping:

An employee who elects a layoff in lieu of bumping maintains his/her reemployment rights under this Agreement.

6. Equal Seniority:

If two (2) or more employees subject to a layoff have equal seniority in the affected class, the determination as to who shall be laid off will be made on the basis of seniority with FUSD. If that be equal, the greater hire date seniority shall prevail, and, if that be equal, then the determination shall be made by lot.

7. Reemployment Rights:

Employees who are laid off shall be placed upon the reemployment list in order of their seniority, which shall be in reverse order of layoff. They are eligible to reemployment for a period of thirty-nine (39) months and shall be reemployed in their former class, in preference to new applicants, or in a lower class if qualified and so elected. In addition, such persons laid off shall have the right to a first level interview for promotional vacancies for which they qualify within FUSD for the thirty-nine (39) month period.

Employees not eligible to bump into other classifications will be afforded opportunity to seek employment in a new position provided they meet the minimum qualifications for the new position. Affected employees will be given first consideration for any job vacancy prior to going to the outside or advertising the position within FUSD.

Employees who do not meet entry level qualifications for a new position within a given class will be provided an opportunity to receive in-service classes which would include typing and appropriate language arts classes.

In those areas where experience is required and the employee does not meet the experience factor, this will be waived to allow the employee to gain that experience on the job (i.e., food service, custodian, etc.).

8. Voluntary Demotion or Voluntary Reduction in Hours:

Employees may take voluntary demotions or voluntary reductions in assigned time in lieu of layoff and shall be, at the employee's option, returned to a position in their former class or to positions with increased assigned time as vacancies become available, with no limit, except that they shall be ranked in accordance with their seniority on any valid reemployment list.

9. Return Within Thirty-nine (39) Months:

Any permanent classified employee of a school district who voluntarily resigns from his/her permanent position may be reinstated or reemployed by FUSD within thirty-nine (39) months after his/her last day of paid service and without further competitive examination to a position in his/her former classification as a permanent employee, or as a permanent employee in a related lower class or a lower class in which the employee formerly has permanent status or to a position in a higher classification as a permanent employee. He/she will be afforded first level interview status. If FUSD elects to reinstate or reemploy a person as a permanent employee under the provisions of this section, it shall disregard the break in service of the employee and classify him/her as, and restore to him/her all of the rights, benefits and burdens of a permanent employee in the class to which he/she is reinstated or reemployed.

10. Exit Interviews:

Exit interviews shall be afforded each employee laid off. During this interview the employees shall:

- A. Be apprised of any other job opportunities FUSD has for which they may be qualified.
- B. Have an opportunity to make any skills and interests they have a matter of record.

- 2) Second: Probationary and Non-bargaining unit members who meet the established qualifications (e.g., SEIU, trades), substitutes and others will be considered.

First consideration guarantees unit members who meet the established qualifications an interview and priority consideration but does not guarantee the promotion.

B. The Following Criteria Shall Be Used by the Interview Panel in the Consideration of Promotion Requests:

- 1) The best interest of the District and its students, and the efficient operation of FUSD, as determined by the Superintendent or his/her designee
- 2) Experience, skills, and recent training of any bargaining unit employee compared with those of other candidate. The District will strive to provide training to help the employee meet District standards

D. Grievance: FUSD judgment as to the acceptability of candidates for the position or the comparability of candidates is not subject to the Grievance procedure.

2. Posting Notice:

Notice of all job vacancies shall be posted on bulletin boards in prominent locations at each FUSD job site. The job vacancy notice shall remain posted for a period of at least five (5) full working days, during which time employees within the unit may file for the vacancy.

5. Selection:

All applicants not interviewed shall be notified prior to interviews when reasonably possible, and all those interviewed but not chosen for the vacancy shall receive an appropriate letter of notification within ten (10) days of selection or, when reasonably possible, prior to the selectee assuming the position, and upon request shall be given job related reason(s) for being denied the position; and, if possible, methods for improvement.

6. Salary Placement:

Employees being promoted shall be placed on the salary schedule on the step in the higher classification which provides a minimum of five percent (5%) salary increase; however, under no circumstances will the resultant step placement be higher than the employee's current step. If maintaining the current step placement in the new classification does not reflect a five percent (5%) increase, the person shall receive a five percent (5%) adjustment and progress to the next step on the salary schedule the following fiscal year. Under no circumstances will compensation exceed Step 5 of the new salary range.

7. Probationary Period:

All classifications of employees in the unit will be placed on a probationary status upon appointment to a new assignment which is considered a promotion (typist clerk to intermediate clerk; library clerk to secretary, etc.). The probationary period will be for six (6) months. Should the employee's performance be less than satisfactory during this probationary period, the supervisor shall prepare a competency review with suggestions for correcting the deficiency(ies). A sufficient period of time shall be afforded the employee

to correct the employee's deficiency(ies). If the employee's performance continues to fall short of the requirements of the position, he/she shall be moved back to his/her former classification and be placed in the first available vacancy in that classification. Until such vacancy occurs, the employee shall be placed on a temporary assignment for which he/she qualifies. During the period of time that the employee fills in on this temporary assignment, the salary will be that of the former permanent classification. The District will allow an employee to return to his/her former position should the employee decide, within thirty (30) calendar days, he/she wishes to return to his/her former position.

Employees in a probationary status shall not be considered for any vacancy which can be considered a promotion until all other eligible unit members are considered.

ARTICLE 20 – RECLASSIFICATION

1. **Definition:**
Reclassification constitutes any significant change in job definition or function that results in increased responsibility. Any increase in workload is not in itself grounds for reclassification.

2. **Request for Review of Position:**
Requests for review of position may be initiated by any classified employee. Upon receipt of such request, the supervisor shall investigate the validity of the request and provide the employee a written response within twenty (20) days.
 - A. **Supervisor Recommends:** If the supervisor recommends a change of class, a formal reclassification form shall be submitted by the supervisor to the Human Resources Office, and the reclassification procedure, as stipulated in Board Policy 4213.2, shall be followed.

 - B. **Supervisor Disagrees:** If the supervisor disagrees with the request, he/she will sit with the employee and carefully delineate the employee's responsibilities and duties. The supervisor shall structure and direct the activities of the employee in order to insure that the employee works within the prescribed job description. In addition, if the employee has been working out of class, but a reclassification is not appropriate, the employee shall be granted differential pay for the period of time in question.

3. **Request for Reclassification:**
An administrator or supervisor may submit a request for reclassification if, in their judgment:
 - C. **Responsibilities Warrant:** The responsibilities of the position held by an employee are sufficiently above that of other employees in like positions to warrant a reclassification,

 - D. **Responsibilities Added:** The responsibilities need to be added as a result of reorganization, in which case the supervisor should initiate the request. The Administration will follow the procedure outlined in FUSD reclassification policy.

E. Time Frames for Submission: The time frames for submission of Request for Review of Position and/or Reclassification are:

October 1st and March 1st

Responses to requests will be made on or before sixty (60) days after the submission deadline of the request. Those requests that are denied will indicate reasons for the denial in the response.

4. Salary Placement of Reclassified Position:

Whenever an employee is reclassified, he/she shall retain whatever step earned in his/her former classification. However, in no instance shall the increase result in more than a five percent (5%) upward adjustment above the existing position. If a recommendation is made that would result in an adjustment of more than five percent (5%), the position would be treated as a vacancy and advertised FUSD wide.

5. Grievability:

The reclassification process is grievable, but the reclassification decision is not.

An employee occupying a regular position may temporarily be assigned to a higher class with appropriate administrative approval. In those cases where the temporary assignment exceeds four (4) workdays within a fifteen (15) calendar day period, the employee shall receive an appropriate rate of pay for the entire period. In determining the appropriate rate, the step placement shall be such that the employee will be placed on the higher class at Step 1. In the event placement on Step 1 does not result in at least a five percent (5%) increase, the employee will be placed on the first step equal to or lower than his current step which results in at least a five percent (5%) increase. Should the temporary assignment to the higher class exceed twenty (20) workdays, the employee shall be paid at a rate on the salary schedule as if the employee had been promoted to the higher level class for the entire period he/she holds the temporary position.

6. Temporary Duties:

An employee occupying a regular position may temporarily be assigned to a higher class with appropriate administrative approval. In those cases where the temporary assignment exceeds four (4) workdays within a fifteen (15) calendar day period, the employee shall receive an appropriate rate of pay for the entire period. In determining the appropriate rate, the step placement shall be such that the employee will be placed on the higher class at Step 1. In the event placement on Step 1 does not result in at least a five percent (5%) increase, the employee will be placed on the first step equal to or lower than his current step which results in at least a five percent (5%) increase. Should the temporary assignment to the higher class exceed twenty (20) workdays, the employee shall be paid at a rate on the salary schedule as if the employee had been promoted to the higher-level class for the entire period he/she holds the temporary position.

7. Position Descriptions:

FUSD shall establish and maintain job descriptions outlining the basic duties for all positions represented by this unit. Additionally, such job descriptions will include the date

on which the description was established with appropriate footnotes denoting revision date(s).

8. Consolidation of Positions:

The Administration may effect the reassignment of a classified employee to a new position when there has been a consolidation of positions within the office or department.

In the event that the employee is being assigned duties of a higher classification, FUSD will initiate a reclassification for the employee. If the consolidation results in a downgrade for the employee, the effects of such transfer will be negotiable, as outlined in the contract under Article 13, Layoff and Reemployment.

Prior to implementation, FUSD shall notify CSEA in sufficient time to meet and confer on the effect on bargaining unit personnel.

ARTICLE 21 – RECOGNITION

1. Acknowledgment:

FUSD confirms its recognition of CSEA as the exclusive representative for that unit of employees recognized by FUSD and approved by the Public Employment Relations Board (PERB); that the White Collar Unit is comprised of the positions described in Appendix A, attached hereto and incorporated by reference as a part of this Agreement.
