Any of the information shared with Kings County Department of Public Health and the State Department of Public Health shall be treated as confidential medical information and shall be used only to share with each other, and, upon request, with health care providers, schools, childcare facilities, family childcare homes, Women, Infant, and Child service providers, county human services agencies, foster care agencies, and health care plans. These providers, agencies, and institutions shall, in turn, treat the shared information as confidential, and shall use it only to:

1. Provide immunization services to the pupil, including issuing reminder notifications to parents or pupils when immunizations are due.
2. Provide or facilitate provision of third-party payer payments for immunizations;
3. Compile and disseminate statistical information of immunization status on groups of pupils in California, without identifying information for these pupils included in these groups or populations;

4. Carry out the responsibilities regarding immunization for attendance or participation benefits in education programs;
5. In regard to the COVID-19 health emergency, perform immunization status assessments of pupils and adults to ensure health and safety. The District will limit the use of this data for verifying immunization status of COVID-19.[Note: bullet #5 only applies if your governing board has adopted a policy mandating COVID-19 immunization for school attendance]

You and your pupil have the right to examine any immunization-related information or tuberculosis screening results shared pursuant to this requirement and to correct any errors therein.

You or your pupil may refuse to allow this information to be shared pursuant to this requirement or to receive immunization reminder notifications at any time, or both. If you do not want this information to be shared or to receive reminder notifications, please contact:
