**Please make sure you check for updated changes or additions to dates of events listed on your school(s) website. Your school website is updated daily.*

As we reach the end of another school year, I want to take a moment to express my deepest gratitude and admiration for the incredible efforts and achievements of our entire school community. This year has been filled with numerous challenges, triumphs, and memorable moments that have collectively shaped the educational journey of our students.

First and foremost, I extend my heartfelt thanks to our dedicated teachers and support staff. Your unwavering commitment to excellence, adaptability, and creativity in delivering high-quality education has been nothing short of inspiring. While in the classroom, bus, cafeteria or fields, your efforts to engage, support, and nurture our students have made a profound impact on their lives. The countless hours you have invested in planning, extracurricular activities, and professional development truly exemplify your dedication to fostering a vibrant learning environment.

To our students, I commend you for your resilience, hard work, and determination. This year, you have shown exceptional perseverance and adaptability, navigating the complexities of your academic and personal lives with grace. Your enthusiasm for learning, curiosity, and willingness to embrace new challenges are qualities that will undoubtedly lead to future successes. Remember, your achievements this year are a testament to your potential, and I am incredibly proud of each and every one of you.

Parents and caregivers, your partnership and support have been invaluable. Your involvement in your children's education, your encouragement, and your ability to adapt to changing circumstances have played a crucial role in their success. Thank you for being our steadfast allies in fostering a supportive and nurturing environment at home.

Our Board, administrators and support personnel have worked tirelessly behind the scenes to ensure that our schools run smoothly and safely. Your leadership, vision, and dedication to creating a positive and inclusive school culture have been instrumental in our collective success. I am deeply grateful for your contributions and your unwavering commitment to our district's mission and goals.

This year has also reminded us of the importance of community. The support from local businesses, organizations, and volunteers has been a cornerstone of our success. Your generosity and willingness to lend a helping hand through flood recovery, fundraising, budget development, and so much more, have enriched our programs and provided invaluable opportunities for our students. Together, we have created a stronger, more connected community.

As we look forward to the upcoming year, I am filled with optimism and excitement for what lies ahead. We will continue to build on our successes, address new challenges, and work collaboratively to ensure that every student in Lamoille North schools receives the best possible education. Together, we will strive to create a learning environment that nurtures curiosity, encourages growth, and prepares our students for whatever the future holds.

Thank you once again for your dedication, hard work, and unwavering support. I wish you all a restful and rejuvenating summer break, filled with joy and cherished moments with your loved ones. I look forward to welcoming you back for another outstanding school year in the fall.

With gratitude and best wishes,

Catherine Gallagher, M.Ed.
Superintendent of Schools
Lamoille North Supervisory Union
