

**PROCEDURES**

1. **FINALS** are to be your last assignment and all prior work that has not been completed will be marked as zero.
2. There is no minimum score requirement on the final. The score you get is what will be totaled into your grade.
3. Finals are worth 10% of your total grade and can affect your overall grade.
4. There will be no late finals due to illness etc. If you can't make the finals dates please reach out to your teacher and the Online Principal (nnoonan@susd.org) for alt finals approval.
5. No retakes on finals
6. Finals will be timed and the max you will have is 2.5 hours per test. If you go past that time your final will be automatically uploaded and graded as such.
7. All course questions should be sent directly to teacher.
8. **PLEASE** try to use and **SUSD Device/Computer** to take finals, if you have one checked out from SUSD. We can only assist tech issues during finals on SUSD devices. Tech number is 480-484-HELP
