Please remain seated until all graduates have exited and instructions are shared for exiting the auditorium.

Dear MECHS Class of 2024:

I am so excited to celebrate all of your achievements and everything you have accomplished while attending MECHS and ACC. Your class earned a lot of degrees from ACC: 10 Phlebotomy certificates, 2 electrical engineering, 9 Computer engineering, and 79 associate degrees!

This year, again, we are the #1 early college high school who earned the most associate degrees among the schools served by ACC. You earned so many scholarships and got accepted to very prestigious colleges and universities around the United States.

Your class hosted two of our sister schools from Taiwan and Denmark. I still remember your curious faces when you tried unique snacks that our friends from Taiwan brought with them. Your class helped us establish a very successful STEM Club and I know that you are very dear Mr. Gervais and Mr. Fisher and they love you like their own kids. We have so many student leaders in this class who love to serve Manor and I know that you will take good care of this community. As you serve people, please always be kind and genuine. People will see it and will support you.

Be a leader. A leader who puts the success of others first. Be a leader who is brave, thoughtful, and kind. Do your research before you make a decision and and make sure that your sources are valid. Be careful who you trust because there will always be people who will not be genuine with you. MECHS Class of 2024, thank you for always being my family and I love you so much!

Kindly,
Dr. Alime Sadikova, Principal

Honors Received by Graduates

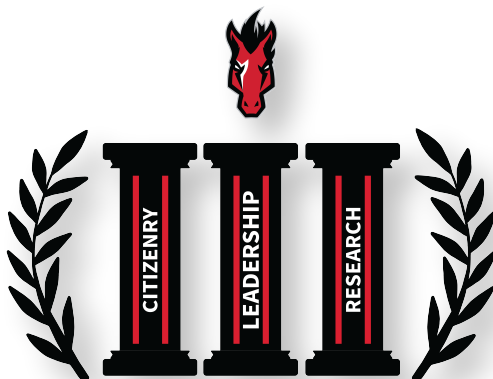

In today's ceremony, you will notice several graduates adorned with colorful cords, each signifying a unique accomplishment or affiliation. These cords are a visual acknowledgment of the exceptional dedication, academic excellence, and leadership our students have demonstrated throughout their academic journey. Each color represents a different area of achievement or membership in an honor society, academic club, or service organization.

Cords may include:

Associate Degree | ACC | MICA | National Honor Society

STUCO/ Student Government Association | Top 10%

 Enlisted in the United States Military
