This Week's Spotlight on the academy

We have had a tremendous start to Term 6, which promises to be a busy, exciting term!
 Staff highlights, per year group, for this week are:

Reception: The children's writing, engagement in the Rainforest theme and their ever-increasing independence in their learning.

Year 1: The children have demonstrated great skills in PE, been extremely enthusiastic in their science learning about plants and shown maturity in DT, when planning their fruit kebabs, thinking about how to use a knife safely.

Year 2: All the children have shown a great interest in their historical enquiry projects, looking at Charles Darwin and demonstrated their knowledge and skills in computing this week.

Love Reading

As we begin to think about transition events, leading to the end of term, your child may be showing worries or concerns. This is absolutely understandable. Please let your child's current class teacher know if this is the case so that the academy can support further. Building on previous book recommendations, 'Perfectly Norman' is another great book to support the children to discuss and process worries they may have. If you would rather not buy this book or find it in the local library, then please speak to the office staff about arranging a time to quietly read this book in the library after school.

- Saturday 6th July - PH Fest!

If walking is not an option, please park safely!

We continue to urge parents and carers to park safely when dropping off and collecting. Please do not block neighbours driveways and refrain from parking on double yellow lines around the entrances. We continue to work with the authorities and the community in ensuring safety for all
