- Choose your username carefully - do not use your real name
- Make sure you sign up with the correct birth date – this will ensure you play the right type of games for your age.
- Share your password with an adult so

they can help you.

- Make sure you know your friends
- Make sure your camera option is off
- Block people you don't know
- Anyone can speak to you within the game- tell an adult if anything makes you feel uncomfortable.
- You should really be 7+ to play.

A poster for parents and carers, to support your understanding, has also been sent out today.

Thank you for your continued support.

Mrs Ellis
 (Assistant Principal, Inclusion Lead, Deputy DSL).
